The Family Fang Kevin Wilson, 2011-09-02 Soon to be a major film starring Nicole Kidman and Jason Bateman 'Funny, smart, ingenious, moving, altogether great' Nick Hornby World famous Caleb and Camille Fang have dedicated their lives to great performance art. But for their children, Annie and Buster, their 'art' is an embarrassment. As soon as the children grow up they flee home, desperate to escape the chaos of their parents' world. But when the lives they've built come crashing down, brother and sister have no choice but to go back. And whether the kids agree to participate or not, Caleb and Camille are planning one last performance that will finally determine what's more important: their family or their art.

We Need to Talk About Kevin Lionel Shriver, 2011-05-01 The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later, it is time for her to come to terms

with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the Boston Globe describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family.

Nothing to See Here Kevin Wilson, 2019-10-29 A New York Times Bestseller • A Read with Jenna Today Show Book Club Pick! Named a Best Book of the Year by The New York Times Book Review, The Washington Post, People, Entertainment Weekly, USA Today, TIME, The A.V. Club, Buzzfeed, and PopSugar "I can't believe how good this book is.... It's wholly original. It's also perfect.... Wilson writes with such a light touch.... The brilliance of the novel [is] that it distracts you with these weirdo characters and mesmerizing and funny sentences and then hits you in a way you didn't see coming. You're laughing so hard you don't even realize that you've suddenly caught fire." –Taffy Brodesser-Akner, author of *Fleishman is in Trouble*, New York Times Book Review From the New York Times bestselling author of *The Family Fang*, a moving and uproarious novel about a woman who finds meaning in her life when she begins caring for two children with a remarkable ability. Lillian and Madison were unlikely roommates and yet inseparable friends at their elite boarding school. But then Lillian had to leave the school unexpectedly in the wake of a scandal and they've barely spoken since. Until now, when Lillian gets a letter from Madison pleading for her help. Madison's twin stepkids are moving in with her family and she wants Lillian to be their caretaker. However, there's a catch: the twins spontaneously combust when they get agitated, flames igniting from their skin in a startling but beautiful way. Lillian is convinced Madison is pulling her leg, but it's the truth. Thinking of her dead-end life at home, the life that has consistently disappointed her, Lillian figures she has nothing to lose. Over the course of one humid, demanding summer, Lillian and the twins learn to trust each other—and stay cool—while also staying out of the way of Madison's buttoned-up politician husband. Surprised by her own ingenuity yet unused to the intense feelings of protectiveness she feels for them, Lillian ultimately begins to accept that she needs these strange children as much as they need her—urgently and fiercely. Couldn't this be the start of the amazing life she'd always hoped for? With white-hot wit and a big, tender heart, Kevin Wilson has written his best book yet—a most unusual story of parental love.

Crazy Rich Asians Kevin Kwan, 2013-06-11 Crazy Rich Asians is the outrageously funny debut novel about three super-rich, pedigreed Chinese families and the gossip, backbiting, and scheming that occurs when the heir to one of the most massive fortunes in Asia brings home his ABC (American-born Chinese) girlfriend to the wedding of the season. When Rachel Chu agrees to spend the summer in Singapore with her boyfriend, Nicholas Young, she envisions a humble family home, long drives to explore the island, and quality time with the man she might one day marry. What she doesn't know is that Nick's family home happens to look like a palace, that she'll ride in more private planes than cars, and that with one of Asia's most eligible bachelors on her arm, Rachel might as well have a target on her back. Initiated into a world of dynastic splendor beyond imagination, Rachel meets Astrid, the It Girl of Singapore society; Eddie, whose family practically lives in the pages of the Hong Kong socialite magazines; and Eleanor, Nick's formidable mother, a woman who has very strong feelings about who her son should--and should not--marry. Uproarious, addictive, and filled with jaw-dropping opulence, Crazy Rich Asians is an insider's look at the Asian JetSet; a perfect depiction of the clash between old money and new money; between Overseas Chinese and Mainland Chinese; and a fabulous novel about what it means to be young, in love, and gloriously, crazily rich.

Harvest Home Thomas Tryon, 2012-10-16 New edition of the classic overlooked horror novel with the original cover art by Paul Bacon and new interior art.

Hidden Agenda Kevin Allen, 2016-10-21 Each of us pitches ideas every day. Regardless of what idea we're selling--or who we're selling it to--it all boils down to the act of stirring someone to join you, to agree to follow you. Yet we consistently underestimate how critical it is to recognize the role of the decision maker. Decisions are, after all, made by people; and people have needs and agendas, spoken and unspoken. Understanding these needs and agendas are critical to success in business. Kevin Allen's approach is not about persuading, but about creating a connection that assures a mutual win. By unearthing the true motivation or desire of the decision maker, Allen

shows how to craft a story or message around it, creating a predictable and repeatable end result. Full of stories and examples, this entertaining book teaches you how to effectively find, connect, and finally to speak to the Hidden Agenda to win business unfailingly, every time.

Tunneling to the Center of the Earth Kevin Wilson, 2009-10-06 A debut short story collection in the tradition of writers like Kelly Link, Aimee Bender, and George Saunders—strange, imaginative, and refreshingly original—now back in print as part of Ecco’s “Art of the Story” Series, and with a new introduction from the author Kevin Wilson’s characters inhabit a world that moves seamlessly between the real and the imagined, the mundane and the fantastic. “Grand Stand-In” is narrated by an employee of the Nuclear Family Supplemental Provider—a company that supplies “stand-ins” for families with deceased, ill, or just plain mean grandparents. And in “Blowing Up On the Spot,” a story singled out by Ann Patchett for Ploughshares, a young woman works sorting tiles at a Scrabble factory after her parents have spontaneously combusted. Southern gothic at its best, laced with humor and pathos, these wonderfully inventive stories explore the relationship between loss and death and the many ways we try to cope with both.

The Emerald Mile Kevin Fedarko, 2014-07 The epic story of the fastest boat ride in history, on a hand-built dory named the Emerald Mile, through the heart of the Grand Canyon on the Colorado river.

Sex and Vanity Kevin Kwan, 2020-06-30 NEW YORK TIMES BESTSELLER • GMA BOOK CLUB PICK • The author of the international phenomenon *Crazy Rich Asians* takes us from Capri to NYC, where a young woman finds herself torn between two men—and two very different cultures. Another riveting tale of privilege, culture and romance ... extravagant fashion and deceit, resulting in one truly modern love story. —CNN On her very first morning on the jewel-like island of Capri, Lucie Churchill sets eyes on George Zao and she instantly can't stand him. She can't stand it when he gallantly offers to trade hotel rooms with her so that she can have a view of the Tyrrhenian Sea, she can't stand that he knows more about Casa Malaparte than she does, and she really can't stand it when he kisses her in the darkness of the ancient ruins of a Roman villa and they are caught by her snobbish, disapproving cousin Charlotte. The daughter of an American-born Chinese mother and a blue-blooded New York father, Lucie has always sublimated the Asian side of herself in favor of the white side, and she adamantly denies having feelings for George. But several years later, when George unexpectedly appears in East Hampton, where Lucie is weekendng with her new fiancé, Lucie finds herself drawn to George again. Soon, Lucie is spinning a web of deceit that involves her family, her fiancé, the co-op board of her Fifth Avenue apartment building, and, ultimately, herself as she tries mightily to deny George entry into her world—and her heart. Moving between summer playgrounds of privilege, peppered with decadent food and extravagant fashion, *Sex and Vanity* is a truly modern love story, a daring homage to *A Room with a View*, and a brilliantly funny comedy of manners set between two cultures.

The Kid Sensation Series (Books 1 - 3) Kevin Hardman, 2014-01-26 Get the first three books in the Kid Sensation Series at a tremendous discount! Additional books in the Kid Sensation Series include the short story Extraction and the upcoming fourth novel in the series, Revelation. _____

SENSATION (Kid Sensation #1) Like millions of other kids, Jim grew up wanting to be a superhero. Unlike most of his contemporaries, however, Jim actually had the goods: a plethora of super powers that would have been the envy of any meta on the planet. But when his tryout with the Alpha League - the world's premiere group of supers - goes disastrously wrong, Jim basically becomes an outcast. Two years later, Jim is still bitter about what happened to him. However, he soon finds himself the centerpiece in an odd turn of events that gives him a second chance at his dream. But nothing is as easy as it sounds, as Jim soon discovers. Among other things, he's made an enemy of a prospective super teammate, he's being stalked by an unknown pursuer, and a shadowy cabal bent on world domination has identified him as the only obstacle to their plans. It's a lot for one super to handle, even with a smorgasbord of abilities. But if saving the world were easy, everyone would do it... _____

MUTATION (Kid Sensation #2) Kid Sensation is back! The intrepid teen super with the plethora of powers returns in a new adventure. Having saved the planet and earned a place with the world's premiere superhero team, Jim (aka Kid Sensation) is preparing to attend the prestigious Academy, where teen supers from every corner of the globe learn to master their abilities. At the same time, however, he is approached by a mysterious government organization that wants Jim to work for them - and they won't take "No" for an answer. Moreover, at the Academy itself, an insidious and highly contagious virus is running amok through the student population, striking at the heart of their abilities. Students are losing control of their powers, with lethal consequences... Now, in addition to evading the machinations of government agents, Jim must solve the mystery behind the virus - and how to stop it - before every super everywhere becomes fatally infected. _____

INFILTRATION (Kid Sensation #3) Having a surfeit of super powers is great for battling bad guys and saving the world, as Jim (aka Kid Sensation) is finding out, but less useful in dealing with day-to-day situations - like bonding with his superhero father, adjusting to a team environment, and coping with what might be perceived as a growing rivalry between himself and another teen super. On top of all that, despite having a serious girlfriend, he finds himself inexplicably drawn to a new female super he's just met. At the same time, some villain has just gotten himself a new toy: an unknown weapon of tremendous power that is able to strike without warning, causing unprecedented destruction and loss of life. Perhaps more terrifying, the wielders of this weapon make no demands and issue no threats; they simply attack. Even the Alpha League, the world's greatest superhero team, is not immune, suffering an assault on their very own doorsteps. It quickly becomes clear that the only way to stop this new evil is from within. With his unique abilities, Jim is the only person capable of infiltrating

the enemy's ranks. It's up to him to figure out who is behind these attacks, what they want, and find a way to stop them – and their secret weapon – before they bring the entire world to its knees. teen & young adult, science fiction & fantasy, coming of age, superhero, paranormal & urban, magic, anthologies, romance

I Can't Make This Up Kevin Hart, 2017-06-06 New York Times bestselling author, superstar comedian, and Hollywood box office star Kevin Hart turns his immense talent to the written word in this “hilarious but also heartfelt” (Elle) memoir on survival, success, and the importance of believing in yourself. The question you're probably asking yourself right now is: What does Kevin Hart have that a book also has? According to the three people who have seen Kevin Hart and a book in the same room, the answer is clear: A book is compact. Kevin Hart is compact. A book has a spine that holds it together. Kevin Hart has a spine that holds him together. A book has a beginning. Kevin Hart's life uniquely qualifies him to write this book by also having a beginning. It begins in North Philadelphia. He was born an accident, unwanted by his parents. His father was a drug addict who was in and out of jail. His brother was a crack dealer and petty thief. And his mother was overwhelmingly strict, beating him with belts, frying pans, and his own toys. The odds, in short, were stacked against our young hero. But Kevin Hart, like Ernest Hemingway, J.K. Rowling, and Chocolate Droppa before him, was able to defy the odds and turn it around. In his literary debut, he takes us on a journey through what his life was, what it is today, and how he's overcome each challenge to become the man he is today. And that man happens to be the biggest comedian in the world, with tours that sell out football stadiums and films that have collectively grossed over \$3.5 billion. He achieved this not just through hard work, determination, and talent. “Hart is an incredibly magnetic storyteller, on the page as he is onstage, and that's what shines through [in this] genial, entertaining guide to a life in comedy” (Kirkus Reviews).
