**Kitten** Jack Harbon,2019-10-11 Fresh out of college and back on his older sister's couch, Kit expected his days to return to the way they'd always been. He anticipated spending his days perusing Netflix with one hand on the remote and the other in a box of pizza, but when he's given the opportunity for a job at one of New York City's newest advertising agencies, there's no way he can turn the offer down. Unfortunately for Kit, this job might be more than he bargained for. Not only does Roman - his handsome yet ruthless new boss - let his wandering eye linger just a little too long, Kit can't seem to shake the feeling that the glitzy personal assistant gig he just landed might be a bit shadier than he imagined. Before he's even able to make a reservation for Roman's dinner at Le Bernardin, Kit's professional and personal life become one, and he finds himself forced to somehow separate business from pleasure. Easier said than done, especially when it's his job to take care of Roman's every need.

*Stone and Steel* Eboni Dunbar,2020-09-05 In *Stone and Steel*, when General Aaliyah returns triumphant to the city of Titus, she expects to find the people prospering under the rule of her Queen, the stone mage Odessa. Super Spinach Hannah Shaw,2022-06-07 From New York Times bestselling author Hannah Shaw—also known as Kitten Lady—comes the second book in an exciting and heartwarming new chapter book series following a sickly kitten who wants to be a superhero for her fellow fosters! Spinach hates having her own cage in the animal shelter. It's so boring! She wants to pounce on crinkly balls, chase ribbons, and climb up scratchers with the four feisty kittens that live beside her. But Spinach is sick, so she has to watch from the sidelines. Then Spinach is taken to the vet's office, where they fix her right up. Now, she can jump, pounce, and play! The old tomcat at the vet's said she'd have to be a superhero to get through the procedure so...that must mean she now has superpowers! Super Spinach is taken to Fosterland, where she gets her own sidekick, a roly-poly kitten named Chickpea, and a superhero uniform that she believes gives her the special powers. But when her super suit is taken away, will Super Spinach still be able to save the day?

Midnight Loyalties L.K. Latham,2023-11-01 One great romance while she still has time: That's not too much to ask. But Harry? While Harry isn't the man of anyone's dreams, he is the man she needs. Every night, she poses, and he paints. As painting follows painting, more of those not-quite-humans make themselves known to her. Kitten watches as with each stroke of Harry's brush, humans and unhumans form new lines and shapes, creating unions between the classic and the new. The more time they spend together, the stronger they become. They could rule an empire, but there are many who want to stop them. Maybe someone should. Now, Hunters gather in the city determined to destroy unhumans and the humans with them, even if it means destroying the city. Kitten never wanted to hurt anyone, but after the first death, it's so easy. Now, it's time to pay.
