Noted! Kathy Jacobson,2017-05 Jillian Johnson has devoted more than two decades of her life to a career in nursing while also being a single mother to her daughter, Marty. Now that Marty is all grown up and pursuing a medical career overseas, Jillian makes the monumental decision to leave her home state of Wisconsin for a new life in Los Angeles. Her true passion is to become a professional writer, and with her mind on that goal, she takes a job as a household helper for the mysterious and reclusive Mr. Romano. Shortly after arriving at his estate, Jillian is shocked to discover that her new employer is uniquely tied to her past. He was a huge, albeit unknowing, influence in her decision to attend medical school, the place where she engaged in an ill-fated romance with the man who would become her daughter's father. Having survived this and other heartbreaks, Jillian is ready to open her heart to love again. There are certainly new men in her life, but none more intriguing than her employer, Mr. Romano. The fact that he stays hidden from Jillian and only communicates with her via brief and sometimes brusque handwritten notes only adds to the intrigue. Is he trying to hide something? Jillian doesn't know, but she becomes determined to find out more about this mysterious man and see if she can help him emerge from his reclusive shell. It soon becomes apparent that she has her work cut out for her, and it will take every ounce of patience, and faith, to meet this challenge.

Reel Kennedy Ryan,2021-06-08 Award-Winning Wall Street Journal bestselling author Kennedy Ryan launches a

brand-new series with a Hollywood tale of wild ambition, artistic obsession, and unrelenting love. One moment in the spotlight . . . For months I stood by, an understudy waiting in the wings, preparing for my time to shine. I never imagined he would watch in the audience that night. Canon Holt. Famous film director. Fascinating. Talented. Fine. Before I could catch my breath, everything changed. I went from backstage Broadway to center stage Hollywood. From being unknown, to my name, Neevah Saint, on everyone's lips. Canon casts me in a star-studded Harlem Renaissance biopic, catapulting me into another stratosphere. But stars shine brightest in the dead of night. Forbidden attraction, scandal and circumstances beyond my control jeopardize my dream. Could this one shot—the role of a lifetime, the love of a lifetime—cost me everything?

Silence Is a Sense Layla AlAmmar, 2021-03-16 This is not just good storytelling, but a blueprint for survival. —The New York Times Book Review A transfixing and beautifully rendered novel about a refugee's escape from civil war—and the healing power of community. A young woman sits in her apartment, watching the small daily dramas of her neighbors across the way. She is an outsider, a mute voyeur, safe behind her windows, and she sees it all—the sex, the fights, the happy and unhappy families. Journeying from her war-torn Syrian homeland to this unnamed British city has traumatized her into silence, and her only connection to the world is the magazine column she writes under the pseudonym “the Voiceless,” where she tries to explain the refugee experience without sensationalizing it—or revealing anything about herself.

Gradually, though, the boundaries of her world expand. She ventures to the corner store, to a bookstore and a laundromat, and to a gathering at a nearby mosque. And it isn't long before she finds herself involved in her neighbors' lives. When an anti-Muslim hate crime rattles the neighborhood, she has to make a choice: Will she remain a voiceless observer, or become an active participant in a community that, despite her best efforts, is quickly becoming her own? Layla AlAmmar, a Kuwaiti American writer and student of Arab literature, delivers here a brilliant and affecting story about memory, revolution, loss, and safety. Most of all, and with melodic prose, *Silence Is a Sense* reminds us just how fundamental human connection is to survival.

Devilish King kylie Kent, 2022-02-28 Dark Mafia Romance, Contains scenes that could be triggering to some, read with caution. This is book 1 of a trilogy, an epic cliff-hanger can be expected!! Theo My whole life was mapped out, designed for me, before I was even a twinkle in my old man's eye. I am the heir to the Valentino throne. A kingdom built with blood and dirty money. But one I'll rule all the same. My father was the youngest Don to ever be crowned king. However, with any luck, the controlling bastard will drop soon, allowing me to beat his record by a few years. I love my father-respect the hell out of him. But some of his choices lately, the plans he's laid out for me, they're... archaic. I was happy to go along with his proposition, to embody the role I was assigned at birth. Until I met her. She wasn't part of his carefully orchestrated game board. She's not part of the lifestyle. She'd get eaten alive if I were to bring her into the fold. Those innocent emerald eyes of hers hold me captive from the moment our paths collide. To hell with the plans for my future. This girl, who has no place being in my world, has

become its entirety. Holly A new job. A new city. A new country. This is the new me. Or at least that's what I'm telling myself as I step off the plane at JFK. New York, I couldn't think of a better city to force myself out of my comfort zone, to step out from under my sister's shadow. My dream once included finding the husband, having the kids, building that white picket fence. It's funny how things change over time. My new dream? Experience life to the fullest. Explore and discover who I am, without my other half. Surviving the New York culture shock, without getting mugged or killed, is also high on that list. That is, until I run into him. And just like that, my life takes a one-eighty. Again. There's something dark inside him—it calls to a part of me I never knew existed. Can I really go against my moral compass, every belief I've held onto so tightly, just to answer it? To be with him?

The Happiness Advantage Shawn Achor, 2010-09-14
INTERNATIONAL BESTSELLER • An engaging, deeply researched guide to flourishing in a world of increasing stress and negativity—the inspiration for one of the most popular TED Talks of all time “Powerful [and] charming . . . A book for just about anyone . . . The philosophies in this book are easily the best wire frames to build a happy and successful life.”—Medium Happiness is not the belief that we don't need to change; it is the realization that we can. Our most commonly held formula for success is broken. Conventional wisdom holds that once we succeed, we'll be happy; that once we get that great job, win that next promotion, lose those five pounds, happiness will follow. But the science reveals this formula to be backward: Happiness fuels success, not the other way around. Research shows that happy employees are more productive, more creative, and better problem solvers than their unhappy peers. And positive people are significantly

healthier and less stressed and enjoy deeper social interaction than the less positive people around them. Drawing on original research—including one of the largest studies of happiness ever conducted—and work in boardrooms and classrooms across forty-two countries, Shawn Achor shows us how to rewire our brains for positivity and optimism to reap the happiness advantage in our lives, our careers, and even our health. His strategies include: • The Tetris Effect: how to retrain our brains to spot patterns of possibility so we can see and seize opportunities all around us • Social Investment: how to earn the dividends of a strong social support network • The Ripple Effect: how to spread positive change within our teams, companies, and families By turns fascinating, hopeful, and timely, *The Happiness Advantage* reveals how small shifts in our mind-set and habits can produce big gains at work, at home, and elsewhere.

The Simple Wild K.A. Tucker, 2018-08-07 City girl Calla Fletcher attempts to reconnect with her estranged father, and unwittingly finds herself torn between her desire to return to the bustle of Toronto and a budding relationship with a rugged Alaskan pilot in this masterful new romance from acclaimed author K.A. Tucker. Calla Fletcher was two when her mother took her and fled the Alaskan wild, unable to handle the isolation of the extreme, rural lifestyle, leaving behind Calla's father, Wren Fletcher, in the process. Calla never looked back, and at twenty-six, a busy life in Toronto is all she knows. But when her father reaches out to inform her that his days are numbered,

Calla knows that it's time to make the long trip back to the remote frontier town where she was born. She braves the roaming wildlife, the odd daylight hours, the exorbitant prices, and even the occasional—dear God—outhouse, all for the chance to connect with her father: a man who, despite his many faults, she can't help but care for. While she struggles to adjust to this new subarctic environment, Jonah—the quiet, brooding, and proud Alaskan pilot who keeps her father's charter plane company operational—can't imagine calling anywhere else home. And he's clearly waiting with one hand on the throttle to fly this city girl back to where she belongs, convinced that she's too pampered to handle the wild. Jonah is probably right, but Calla is determined to prove him wrong. As time passes, she unexpectedly finds herself forming a bond with the burly pilot. As his undercurrent of disapproval dwindles, it's replaced by friendship—or perhaps something deeper? But Calla is not in Alaska to stay and Jonah will never leave. It would be foolish of her to kindle a romance, to take the same path her parents tried—and failed at—years ago. It's a simple truth that turns out to be not so simple after all.

The McKinley Ranch Duet Kylie Kent, 2021-10-02

Emily I never thought I would be seeking shelter here of all places. I'm out of options though. I needed a place to hide out. Somewhere I could get my bearings and develop a plan to get myself out of the mess I've landed in. It was a fail-proof plan. Then he found me. I've escaped one monster, only to be captured by another. He's determined to break me, to uncover the secrets I'm hiding. But this is one secret I can't let him discover. Can I escape him before he ruins everything? Before he ruins me? Josh Emily came crashing back into my life, bringing with her everything I was missing. But she's not the same girl I knew years ago. Gone

is the girl who was always happy and eager to please everyone. The one who didn't let life get her down. She's conquered her demons but they still haunt her whenever she closes her eyes. Her screams tear through the darkness night after night. She thinks she needs to get away, to keep running. To leave me behind. But I won't lose her again; I will slay anything, anyone, who thinks they can get in the way of my keeping her.

Rebel women between the wars Sarah

Lonsdale, 2020-10-27 What did it mean to be a 'rebel woman' in the interwar years? Taking the form of a multiple biography, this book traces the struggles, passions and achievements of a set of 'fearlessly determined' women who stopped at nothing to make their mark in the traditionally masculine environments of mountaineering, politics, engineering and journalism. From the motorist Claudia Parsons to the 'star' reporter Margaret Lane, the mountaineer Dorothy Pilley and the journalist Shiela Grant Duff, the women charted in this book challenged the status quo in all walks of life, alongside writing vivid, eye-witness accounts of their adventures. Recovering their voices across a range of texts including novels, poems, journalism and diaries, *Rebel women between the wars* reveals their inch by inch gains won through courageous and sometimes controversial and dangerous actions.

An Entangled Christmas Kylie Kent, 2021-11-15 Lily Christmas has always been my favourite time of year. My family goes overboard, and the celebrations are week-long. This Christmas is different, however. We're all spending the holiday at my Aunt Ella's beach house. We're not the only ones spending Christmas on this beach though. When my eyes spot the new neighbour, I can't look away. I'm caught in a trance, in watching the show he's putting on through the bedroom window. Even as his eyes meet mine,

and he finishes, I still can't seem to look away. If only I wasn't currently in a house surrounded by my entire family. Alex The girl from the window has been on my mind, night and day, for the past few days. I've stared out of that same window for hours, hoping to just catch a glimpse of her. I've seen at least a dozen different people come and go from the room, even one who looked just like her. But that girl wasn't her. I'm tempted to just storm through the front door and search until I find her, except I know exactly whose house that is. As much as I want to take what's mine, I currently have a multi-million dollar deal in the works with McKinley Industries-the very same people who own that property. When I meet one of the family members on the beach and get invited to dinner, I don't hesitate to accept. This is my chance to see her again. Every fibre of my being wants to claim her as mine. But can I really entangle this innocent woman in my dark world?

Since there is nothing Alex likes better than going to battle against a worthy opponent, he quickly finds himself obsessed with two things. Revenge and Lilianna Mayberry. In fact, he decides that once he's used Anna to break her twin's spirit, he's going to keep the headstrong blonde for himself. If he can manage to tame her, that is. Coming up

against roadblock after roadblock, Alex's dogged pursuit leads to blackmail, and shortly after that, it morphs into a fight to the death.
