Authorized Mark Ward,2018 The King James Version has shaped the church, our worship, and our mother tongue for over 400 years. But what should we do with it today? The KJV beautifully rendered the Scriptures into the language of turn-of-the-seventeenth-century England. Even today the King James is the most widely read Bible in the United States. The rich cadence of its Elizabethan English is recognized even by non-Christians. But English has changed a great deal over the last 400 years—and in subtle ways that very few modern readers will recognize. In *Authorized* Mark L. Ward, Jr. shows what exclusive readers of the KJV are missing as they read God's word. In their introduction to the King James Bible, the translators tell us that Christians must hear CHRIST speaking unto them in their mother tongue. In *Authorized* Mark Ward builds a case for the KJV translators' view that English Bible translations should be readable by what they called the very vulgar—and what we would call the man on the street.

Authorize It! Deborah Burns,2021-04-12 Success in the transitioning world of work-where all companies and all business conversations are dramatically changing-demands original thinking, fresh approaches, and storytelling muscle. Enter *Authorize It!*-an insightful new method that will have you thinking like a writer and winning. The good news is that you don't need to be a writer-you just need to think like one. Media executive and author Deborah Burns shares her five breakthrough storytelling lessons and their key takeaways, prompts, and real-world Q & A-along with her proprietary story-shaping tool that pulls it all together so you can authorize the stories you need to tell for success. Transform into a more effective storyteller today and take the reins of the career you'd like to live. Whether you're an in-office or remote corporate employee, a manager or manager of a side-gig, a solopreneur, freelancer, or contract worker, these storytelling principles will help you to clarify your actions and reactions, remain centered on your goals, better understand yourself and others, improve your creative problem-solving, stay open to the new and to the possible-and most importantly, to live up to your true potential. Editorial Reviews If you want to live up to your full potential, plot your best career, and positively impact every scene in your work story, read this book right now.-Romy Newman, President & Co-founder,

Authorization and Access Control Parikshit N. Mahalle, Shashikant S. Bhong, Gitanjali R. Shinde, 2022-02-28 This book focuses on various authorization and access control techniques, threats and attack modeling, including an overview of the Open Authorization 2.0 (OAuth 2.0) framework along with user-managed access (UMA) and security analysis. Important key concepts are discussed regarding login credentials with restricted access to third parties with a primary account as a resource server. A detailed protocol overview and authorization process, along with security analysis of OAuth 2.0, are also discussed in the book. Case studies of websites with vulnerability issues are included. FEATURES Provides an overview of the security challenges of IoT and mitigation techniques with a focus on authorization and access control mechanisms Discusses a behavioral analysis of threats and attacks using UML base modeling Covers the use of the OAuth 2.0 Protocol and UMA for connecting web applications Includes role-based access control (RBAC), discretionary access control (DAC), mandatory access control (MAC) and permission-based access control (PBAC) Explores how to provide access to third-party web applications through a resource server by use of a secured and reliable OAuth 2.0 framework This book is for researchers and professionals who are engaged in IT security, auditing and computer engineering.

Nelson Mandela The Nelson Mandela Foundation, Umlando Wezithombe, 2009-06-23 The fantastic, heroic life of Nelson Mandela, brought

to life in this landmark graphic work. Nelson Mandela's memoir, *Long Road to Freedom*, electrified the world in 1994 with the story of a solitary man who, despite unbelievable hardships, brought down one of the most-despised regimes in the world. Fifteen years after the publication of that classic work comes this fully authorized graphic biography, which relays in picture form the life story of the world's greatest moral and political hero—from his boyhood in a small South African village to his growing political activism with the ANC, his twenty-seven-year incarceration as prisoner 46664 on Robben Island, his dramatic release, and his triumphant years as president of South Africa. With new interviews, firsthand accounts, and archival material that has only recently been uncovered, this visually dramatic biography promises to introduce Mandela's gripping story to a whole new generation of readers.
