After We Were Stolen Brooke Beyfuss,2022-07-19 Not a typical cult novel...Despite Avery's clear trauma and struggle for closure, her voice is strong and clear. – Booklist Avery's voice resonates...Powerful and moving. – New York Journal of Books An emotionally wrought, psychologically twisty coming-of-age story perfect for book clubs about a girl who escapes from a cult after a deadly fire destroys her family's compound, only to be haunted by That Night as she tries to build a new life for herself. A fire. Her escape. And the realization her entire life has been a lie. When nineteen-year-old Avery awakens to flames consuming her family's remote compound, she knows it's her only chance to escape her father's grueling survival training, bizarre rules, and gruesome punishments. She and her brother Cole flee the grounds for the first time in their lives, suddenly homeless in a world they know nothing about. After months of hiding out, they are arrested for shoplifting and a shocking discovery is made, resulting in the pair being separated. Avery is alone and desperate. She is uncertain if her parents survived the fire and is terrified to find out. But when the police investigation reveals there may be more survivors, Avery must uncover the truth about the fire to truly be free. Suspenseful, emotionally charged, and deeply thought-provoking, *After We Were Stolen* delves into the idea of family—those we're born into and those we make—resilience, and the lengths a cult survivor will go to finally be free of her painful past. Praise for *After We Were Stolen*: Brooke Beyfuss's *After We Were Stolen* kept me feverishly turning pages, anxious and eager to find out what happened to Avery and Cole as they emerge from a life they never asked for and into one they're totally unprepared to navigate. —Melanie Abrams, author of *Meadowlark* *After We Were Stolen* is an intelligent and heartrending story of vulnerability, power, resistance, and redemption. An excellent read that is sure to be a favorite book club pick. —Rebecca Taylor, author of *The Secret Next Door*

Have you ever thought: "I want more than this?" If so, Diane Barnes's book *More Than* may really speak to you! The main character has twins who are about to leave for college, and she has to face her soon to be empty nest and the candy wrappers and ice cream cartons that taunt her. Ms. Magazine In *MORE THAN*, Diane Barnes captures some of the true struggles with extended grief, depression, and self image while keeping the story fresh, crisp, and real. The character development is superbly done, as Peggy's outer appearance becomes secondary to her inner transformation. I was Team Peggy all the way and almost did a few sit-ups myself. Almost. --USA TODAY Best Selling Author Kelly Stone Gamble Peggy Moriarty's life has been focused on being a single mom to her twins, Grace and Greg. But now that they're teenagers doing their own things, she's at a loss. When the twins leave for college, they give Peggy a gift certificate for an exercise class. At first, Peggy is insulted. With help from her new friends at the gym and Carmen Tavaréz, the mother of Grace's boyfriend, Peggy begins to emerge from her shell and spread her wings. She may soon discover that her sum is more than a mother, a widow, and her body.

Now, alone in his former teacher's apartment in Manhattan, delving into the deceased Master's past through her writings, Chris begins to find the purpose and life-direction that has eluded him. Though divorce wasn't easy for Melanie Ramsey, it hasn't kept her down. She's starting fresh in Haven, Georgia, helping her friends fix up the local airport. And with Mel's Motivational Blog taking off, she's not about to change course for any man—not even when a one-night stand with Haven's gorgeous deputy, Tanner Roark, leaves her shaken, stirred, and pregnant. What matters most to Tanner: defending the weak, seeking justice, and protecting his heart after a tragic loss. He's not looking for anything more than a hook up—until he meets Melanie. Far from Here Nicole Baart,2012-02-07 From the author of *Little Broken Things*—a suspenseful, breathtaking novel about true love, starting over, and finding the truth...at all costs. How long do you hold on to hope? Danica Greene has always hated flying, so it was almost laughable that the boy of her dreams was a pilot. She married him anyway and together, she and Etsell settled into a life where love really did seem to conquer all. Danica is firmly rooted on the ground in Blackhawk, the small town in northern Iowa where they grew up, and the wide slashes of sky that stretch endlessly across the prairie seem more than enough for Etsell. But when the opportunity to spend three weeks in Alaska helping a pilot friend presents itself, Etsell accepts and their idyllic world is turned upside down. It's his dream, he reveals, and Danica knows that she can't stand in the way. Ell is on his last flight before heading home when his plane mysteriously vanishes shortly after takeoff, leaving Danica in a free fall. Etsell is gone, but what exactly does gone mean? Is she a widow? An abandoned wife? Or will Etsell find his way home to her? Danica is forced to search for the truth in her marriage and treks to Alaska to grapple with the unanswerable questions about her husband's mysterious disappearance. But when she learns that Ell wasn't flying alone and that a woman is missing, too, the bits and pieces of the careful life that she had constructed for them in Iowa take to the wind. A story of love and loss, and ultimately starting over, *Far From Here* explores the dynamics of intimacy and the potentially devastating consequences of the little white lies we tell the ones we love.

Only Sometimes Felicia Blaedel,2021-12-09 Disagreeing from the first time they meet, Noah and Niko know exactly how to push each other's

buttons while they fight the intense pull between them. But when they're forced to work together, they might realise that their connection runs deeper than frustration and lust. Niko is determined to see it thrive again and hopefully understand herself and her broken family better in the process. Getting a handle on her inconvenient feelings is a must too. Noah has made a promise to set things right and honour his eccentric grandfather's hard work.
