The Library Book Susan Orlean, 2019-01-03 A New York Times Book of the Year, 2018 A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB PICK A dazzling love letter to a beloved institution - our libraries. After moving to Los Angeles, Susan Orlean became fascinated by a mysterious local crime that has gone unsolved since it was carried out on the morning of 29 April 1986: who set fire to the Los Angeles Public Library, ultimately destroying more than 400,000 books, and perhaps even more perplexing, why? With her characteristic humour, insight and compassion, Orlean uses this terrible event as a lens through which to tell the story of all libraries - their history, their meaning and their uncertain future as they adapt and redefine themselves in a digital world. Filled with heart, passion and extraordinary characters, *The Library Book* discusses the larger, crucial role that libraries play in our lives.

The World Is a Book, Indeed Peter LaSalle, 2020-10-07 *The World Is a Book, Indeed* chronicles in eleven rich personal essays the ongoing quest of award-winning writer Peter LaSalle to embark on offbeat, often startlingly revelatory literary travel. LaSalle spends a summer roaming the lesser-known quarters of Paris, haunted by the writing of the French surrealists. In Hanoi, he meets for beers with the editors—two military men—of the *Army Literature and Arts Magazine* while investigating Vietnam's acknowledged great modern novel, Bao Ninh's *The Sorrow of War*. Other pieces find LaSalle on a strange nighttime drive through the streets of sprawling São Paulo in search of landmarks associated with Brazilian modernist poetry, bouncing around Africa to interview writers there when very young, exploring Argentine author Jorge Luis Borges's memorable stay in Texas, and traveling to Istanbul, Lisbon, Tunis, and elsewhere, as he considers major writers amid the settings that produced their works. Deeply felt and replete with insight into literature and life itself, even capable of evoking

valid mind leaps in its innovative approaches, this is a collection for readers who love books and want to learn more about the places they originated, presented by a well-traveled guide with an intimate voice and a gift for the essay form.

Encyclopedia of Contemporary Writers and Their Work Geoff Hamilton, Brian Jones, 2015-04-22 Presents an alphabetical reference guide detailing the lives and works of authors associated with the English-language fiction of the twentieth and twenty-first centuries.

I'll Take You There Wally Lamb, 2016-11-22 In this radiant homage to the resiliency, strength, and power of women, Wally Lamb—author of numerous New York Times bestselling novels including *She's Come Undone*, *I Know This Much is True*, and *We Are Water*—weaves an evocative, deeply affecting tapestry of one Baby Boomer's life and the trio of unforgettable women who have changed it. *I'll Take You There* centers on Felix, a film scholar who runs a Monday night movie club in what was once a vaudeville theater. One evening, while setting up a film in the projectionist booth, he's confronted by the ghost of Lois Weber, a trailblazing motion picture director from Hollywood's silent film era. Lois invites Felix to revisit—and in some cases relive—scenes from his past as they are projected onto the cinema's big screen. In these magical movies, the medium of film becomes the lens for Felix to reflect on the women who profoundly impacted his life. There's his daughter Aliza, a

Gen Y writer for New York Magazine who is trying to align her post-modern feminist beliefs with her lofty career ambitions; his sister, Frances, with whom he once shared a complicated bond of kindness and cruelty; and Verna, a fiery would-be contender for the 1951 Miss Rheingold competition, a beauty contest sponsored by a Brooklyn-based beer manufacturer that became a marketing phenomenon for two decades. At first unnerved by these ethereal apparitions, Felix comes to look forward to his encounters with Lois, who is later joined by the spirits of other celluloid muses. Against the backdrop of a kaleidoscopic convergence of politics and pop culture, family secrets, and Hollywood iconography, Felix gains an enlightened understanding of the pressures and trials of the women closest to him, and of the feminine ideals and feminist realities that all women, of every era, must face.

The Book That Changed My Life Roxanne J. Coady, Joy Johannessen, 2007-10-18 Now in paperback, a delightful collection of essays on the transformative power of reading In The Book That Changed My Life, our most admired writers, doctors, professors, religious leaders, politicians, chefs, and CEO s

share the books that mean the most to them. For Doris Kearns Goodwin it was Barbara Tuchman's *The Guns of August*, which inspired her to enter a field, history writing, traditionally reserved for men. For Jacques Pépin it was *The Myth of Sisyphus*, which taught him the importance of personal responsibility, dignity, and goodness in the midst of existentialist France. A testament to the life-altering importance of literature, this book inspires us to return to old favorites and seek out new treasures. All proceeds go to The Read to Grow Foundation, which partners with urban hospitals to provide books and literacy information to newborns and their families.

Mass Authorship and the Rise of Self-Publishing Timothy Laquintano, 2016-10-01 In the last two decades, digital technologies have made it possible for anyone with a computer and an Internet connection to rapidly and inexpensively self-publish a book. Once a stigmatized niche activity, self-publishing has grown explosively. Hobbyists and professionals alike have produced millions of books, circulating them through e-readers and the web. What does this new flood of books mean for publishing, authors, and readers? Some lament the rise of self-publishing because it tramples the gates and gatekeepers who once reserved publication for those who met professional standards. Others tout authors' new freedom from the narrow-minded exclusivity of traditional publishing. Critics mourn the death of the author; fans celebrate the democratization of authorship. Drawing on eight years of research and interviews with more than eighty self-published writers, *Mass Authorship* avoids the polemics, instead showing how writers are actually thinking about and dealing with this brave new world. Timothy Laquintano compares the experiences of self-publishing authors in three distinct genres—poker strategy guides, memoirs, and romance novels—as well as those of writers whose self-published works hit major bestseller lists. He finds that the significance of self-publishing and the challenge it presents to traditional publishing depend on the aims of authors, the desires of their

readers, the affordances of their platforms, and the business plans of the companies that provide those platforms. In drawing a nuanced portrait of self-publishing authors today, Laquintano answers some of the most pressing questions about what it means to publish in the twenty-first century: How do writers establish credibility in an environment with no editors to judge quality? How do authors police their copyrights online without recourse to the law? How do they experience Amazon as a publishing platform? And how do they find an audience when, it sometimes seems, there are more writers than readers?

A House Among the Trees Julia Glass, 2018-05-01 From the National Book Award-winning author of *Three Junes*, a richly imagined novel that begins just after the sudden death of world-renowned children's book author Mort Lear, who leaves behind a wholly unexpected will, an idyllic country house, and difficult secrets about a childhood far darker than those of the beloved characters he created for young readers of all ages. Left to grapple with the consequences of his final wishes are Tommy Daulair, his longtime live-in assistant; Merry Galarza, a museum curator betrayed by those wishes; and Nick Greene, a beguiling actor preparing to play Lear in a movie. When Nick pays a visit to Lear's home, he and Tommy confront what it means to be entrusted with the great writer's legacy and reputation. Tommy realizes that despite his generous bequest, the man to whom she devoted decades of her life has left her with grave doubts about her past as well as her future. Vivid and gripping, filled with insight and humor, *A House Among the Trees* is an unforgettable story about friendship and love, artistic ambition, the perils of fame, and the sacrifices made by those who serve the demands of a creative genius.

Find Me Laura van den Berg, 2015-02-17 After two acclaimed story collections, Laura van den Berg brings us *Find Me*, her highly anticipated debut novel—a gripping, imaginative, darkly funny tale of a

young woman struggling to find her place in the world. Joy has no one. She spends her days working the graveyard shift at a grocery store outside Boston and nursing an addiction to cough syrup, an attempt to suppress her troubled past. But when a sickness that begins with memory loss and ends with death sweeps the country, Joy, for the first time in her life, seems to have an advantage: she is immune. When Joy's immunity gains her admittance to a hospital in rural Kansas, she sees a chance to escape her bleak existence. There she submits to peculiar treatments and follows seemingly arbitrary rules, forming cautious bonds with other patients—including her roommate, whom she turns to in the night for comfort, and twin boys who are digging a secret tunnel. As winter descends, the hospital's fragile order breaks down and Joy breaks free, embarking on a journey from Kansas to Florida, where she believes she can find her birth mother, the woman who abandoned her as a child. On the road in a devastated America, she encounters mysterious companions, cities turned strange, and one very eerie house. As Joy closes in on Florida, she must confront her own damaged memory and the secrets she has been keeping from herself.

Public library and other stories Ali Smith, 2015-11-05 A richly inventive new collection of stories from Ali Smith, author of *How to be both*, winner of the Baileys Women's Prize and the Costa Novel

Award and shortlisted for the Man Booker Prize Why are books so very powerful? What do the books we've read over our lives - our own personal libraries - make of us? What does the unravelling of our tradition of public libraries, so hard-won but now in jeopardy, say about us? The stories in Ali Smith's new collection are about what we do with books and what they do with us: how they travel with us; how they shock us, change us, challenge us, banish time while making us older, wiser and ageless all at once; how they remind us to pay attention to the world we make. Public libraries are places of joy, freedom, community and discovery - and right now they are under threat from funding cuts and widespread closures across the UK and further afield. With this brilliantly inventive collection, Ali Smith joins the campaign to save our public libraries and celebrate their true place in our culture and history.

My Bookstore Emily St. John Mandel, Ronald Russo, 2017 When you think of your favorite bookstore, what comes to mind? Is it the physical space? Books stacked in rows and piled high, labeled with staff recommendations? Do you think of the owner who knows each of her customers by name and can always press into your hands the perfect book that you are sure to love? Or is it the intangible thing that draws you there: the anticipation of a new discovery, or the feeling of community or of being at home? The relationship between a writer and his or her local store can last for years or even decades. Often it is the author's local store that supported him during the early days of his career and that continues to introduce and hand-sell his work to new readers. But, as many of the authors also point out, writers are also readers and customers. For them, as for most of us, a bookstore often serves as an anchor for the community in which we all live and work -- the place that

introduces us to new authors and ideas and that sets our children on a path to becoming lifelong readers and lovers of books.

My Reading Life Pat Conroy, 2010-11-02 Bestselling author Pat Conroy acknowledges the books that have shaped him and celebrates the profound effect reading has had on his life. Pat Conroy, the beloved American storyteller, is a voracious reader. Starting as a childhood passion that bloomed into a life-long companion, reading has been Conroy's portal to the world, both to the farthest corners of the globe and to the deepest chambers of the human soul. His interests range widely, from Milton to Tolkien, Philip Roth to Thucydides, encompassing poetry, history, philosophy, and any mesmerizing tale of his native South. He has for years kept notebooks in which he records words and expressions, over time creating a vast reservoir of playful turns of phrase, dazzling flashes of description, and snippets of delightful sound, all just for his love of language. But for Conroy reading is not simply a pleasure to be enjoyed in off-hours or a source of inspiration for his own writing. It would hardly be an exaggeration to claim that reading has saved his life, and if not his life then surely his sanity. In *My Reading Life*, Conroy revisits a life of reading through an array of wonderful and often surprising anecdotes: sharing the pleasures of the local library's vast cache with his mother when he was a boy, recounting his decades-long relationship with the English teacher who pointed him onto the path of

letters, and describing a profoundly influential period he spent in Paris, as well as reflecting on other pivotal people, places, and experiences. His story is a moving and personal one, girded by wisdom and an undeniable honesty. Anyone who not only enjoys the pleasures of reading but also believes in the power of books to shape a life will find here the greatest defense of that credo. BONUS: This ebook edition includes an excerpt from Pat Conroy's *The Death of Santini*.
