Distant Finish Steven Decker,2021-06-28 Best friends Michael Stevens and Billy Dexter have been athletic rivals their entire lives, first in youth swimming, then in high school track, and finally in triathlon. A terrible accident plunges their exceptional athletic careers into a long hiatus, but when they meet Liza Whitlock and Allie West, two extraordinary athletes themselves, a final reckoning is inevitable. Culminating in two thrilling world championship triathlon races, *Distant Finish* is a compelling look at the beauty and agony of sport merging with life itself.

Oliver and the Wishing Star Jennifer Decker,2021-10-05 An unforgettable story about a young boy named Oliver, who thinks dogs have the good life, until one evening when he makes a wish upon a star and becomes a dog! Sometimes we think the grass is greener on the other side, and sometimes it takes walking in another's shoes or paws, to realize how fortunate we truly are. Will Oliver make it home and see his family again, or is he destined to remain a dog forever?

The Good Client Dan Decker,2020-01-17 Criminal defense attorney Mitch Turner is awoken in the middle of the night by a message from his nerdy law school employee, Timothy Cooper, begging Mitch for help. Uncertain about the problem from Timothy's cryptic texts, Mitch Turner slips into his suit and heads over to visit Timothy, unable to imagine any reason why Timothy would be calling for help at such a late hour. Mitch arrives to find the police at Timothy's apartment and learns that Timothy's roommate was murdered. Mitch immediately retrieves Timothy from the police before they can get him to say anything more and while in the process has a run-in with his ex-girlfriend who is now a detective. Mitch takes Timothy back to his office to debrief, but not long afterward, the police show up and arrest Timothy for the murder of his roommate. There are no witnesses. There are no other suspects. The police consider it an open and shut case, but the only thing that keeps Mitch from arranging a plea bargain is his belief that his client did not do it. The deeper Mitch digs, the more he learns that his client has secrets that he wants to be kept quiet at any cost, even at the expense of going to jail for something he did not do. Mitch soon learns he must work at odds with his client to provide the best legal representation possible, going around Timothy as he fights to keep his client out of jail.If you like legal thrillers, this novel is for you. Mitch Turner is a fast-talking lawyer who takes risks where others might not. Fans of John Grisham, Michael Connelly, and Scott Turrow will enjoy this story. Pick up your copy today!Sneak Peek: I sent the message and tried to figure out what my next step ought to be. I had intentionally not asked for details but I needed to know what I was walking into.The communications should be privileged, but I wasn't going to trust to that, especially not in the heat of the moment.If the fool had thought to encrypt his phone this might have been easier. My instruction to password protect his phone had been done more to protect me than him. If it wasn't encrypted it was already too late.From now on I was going to require every employee to encrypt their phone. Of course, I expected this would be the first and last time I would ever have an employee call me for criminal defense work.Ok. What next? Timothy sent as a text.Our communications should be privileged, I texted back, assuming you want me to be your attorney. Are you retaining my services as your attorney?The message came back instantly. Yes.In a typical situation I would have you pay a retainer and sign an agreement, but we do not have time. We will go over the details later. I am assuming you are willing to pay. Correct?While this might have seemed a little self-serving, I just wanted to make sure that I had evidence to back me up if I needed to prove an attorney-client relationship had formed. What I had already done should have been sufficient, but I liked to be thorough.I will pay whatever I can. My dad can wire you the retainer.Please be succinct in response to my next question. Assume the cops will read it so admit nothing.I waited.What are we dealing with here? I sent a moment later.It was a minute or two before Cooper replied.My roommate is dead on his bed. Somebody blew out his brains.

The Dark Frontier A. B. Decker,2021-03-25 The death of journalist Frank Goss has cast a shadow full of troubling question marks over Ellen's bereavement. Above all, what led him to disappear from her life without any explanation? When Frank arrives in Basel, Switzerland, to cover a

referendum on women's suffrage in 1971, he is plagued by hallucinations. After admission to a clinic, he vanishes. And Ellen is left only with a mysterious verse that psychiatrist Dr Zellweger says he wrote before discharging himself. But not only do the descriptions of their patient not tally with the Frank she knows. The patient gave his name as Eigenmann. Had he been living a separate life she knew nothing about? While she searches for Frank with generous support from Zellweger's wife Marthe, the story of Eigenmann gradually emerges: the drama of a man possessed, exiled in a border town beset by the bullying behaviour of its Nazi neighbours in the late 1930s and drawn by the allure of a beautiful woman. But was this all a figment of Frank's imagination? Only after his funeral is it brought home to Ellen that she was offered a clue to unlocking this mystery from the outset.

The Fallen David Baldacci, 2018-04-17 Star FBI detective Amos Decker and his colleague Alex Jamison must solve four increasingly bizarre murders in a dying rust belt town--and the closer they come to the truth, the deadlier it gets in this rapid-fire #1 New York Times bestseller. Something sinister is going on in Baronville. The rust belt town has seen four bizarre murders in the space of two weeks. Cryptic clues left at the scenes--obscure bible verses, odd symbols--have the police stumped. Amos Decker and his FBI colleague Alex Jamison are in Baronville visiting Alex's sister and her family. It's a bleak place: a former mill and mining town with a crumbling economy and rampant opioid addiction. Decker has only been there a few hours when he stumbles on a horrific double murder scene. Then the next killing hits sickeningly close to home. And with the lives of people he cares about suddenly hanging in the balance, Decker begins to realize that the recent string of deaths may be only one small piece of a much larger scheme--with consequences that will reach far beyond Baronville. Decker, with his singular talents, may be the only one who can crack this bizarre case. Only this time--when one mistake could cost him everything--Decker finds that his previously infallible memory may not be so trustworthy after all...

The Burn Zone James K. Decker, 2013-02-05 Plagued by overpopulation, disease, and starvation, humanity was headed for extinction—until an alien race called the haan arrived. And then the real trouble began. It's been a rough day for Sam Shao. As part of a program that requires humans to act as surrogates to haan infants, Sam has been genetically enhanced to bond with them. So when three soldiers invade her apartment and arrest her guardian for smuggling a dangerous weapon into the country, Sam can sense that something isn't right. One of his abductors is a haan masquerading as a human, and the supposedly fragile haan seems to be anything but. Racing through the city slums, trying to stay one step ahead of the mysterious haan soldier, Sam tries to find the man who, in her twenty years, has been the only father she's ever known. Could he truly have done what he is accused of? Or did he witness something both human and haan would kill to keep hidden? The only thing certain is that the weapon is real—and lost now somewhere in a city of millions. Fighting the clock, Sam finds an ally in Nix, a haan envoy devoted to coexisting with humans, or so it seems. But what she really needs are answers. Fast. Or else everything she knows—and everyone she loves—will burn.

DECKER: Changing the Play Kayley Loring, Connor Crais, 2022-01-11 Book One of The Boston Tomcats Series

250 Great Movies for Latter-day Families Jonathan Decker, 2023-02-14 The theatre, the theatre, what's happened to the theatre? This is what many LDS parents are also asking. Finding films is not hard with the unlimited resources available for entertainment including Netflix, YouTube, Hulu, and Amazon instant video. But finding movies that are entertaining, well-made, and wholesome is a challenge. Jonathan Decker, host of the KJZZ Movie Show and certified marriage and family therapist, offers this review guide—complete with easy-to-navigate indexes—on movies that range from Bing Cosby's *Going My Way* (1944) to the more modern *Avengers* (2012). Each film receives a discussion of artistic value, a general content review, and suggestions for gospel parallels. This guide has something for everyone and is an essential tool when planning movie nights, dates, family home evenings, and other gatherings.

Mercy Kc Decker,2020-02-21 National Award-Winning Author KC Decker, brings readers a Sexy New, Doctor-Patient Romance. Ironically, my name is Mercy, though my parents showed me none. If you buy the nonsense they're selling, you'd believe my tiny infant breaths had cursed the righteous and that my childhood cries bespoke of madness. While that telling is all very dramatic and compelling, it's not the whole story. The truth is, I was almost ten years old before the religious cult began to insist I had been kissed by the devil. Even back then, I knew there was something wrong with me, though my childhood mind didn't have even the shakiest grasp of understanding the cause. Nowadays, how people perceive me is clouded by a different set of convictions and a whole new doctrine. It's a different batch of Kool-Aid, but I still have no choice about whether to swallow it or not. Not while I'm here and labeled a Ward of the State. I've worn all types of labels over the years-non-believer, deranged, orphan... It's all in my file if you care to understand me better. But the label that seems to have implanted the deepest and garnered the most attention is the one I wear like a Scarlet Letter. It precedes me when I enter a room and is whispered about like a schoolyard crush. Paranoid Schizophrenic. MERCY is a sexy, doctor-patient, forbidden romance. It's deliciously taboo while delivering all the emotional feels readers have come to expect from KC Decker.

Memory Man David Baldacci,2015-04-21 This impossible to put down #1 New York Times bestseller introduces Amos Decker, a gifted police detective with a perfect memory who must solve a mystery he wishes he could forget: his family's murder (Washington Post). Amos Decker's life changed forever--twice. The first time was on the gridiron. A big, towering athlete, he was the only person from his hometown of Burlington ever to play in the NFL. But his career ended before it had a chance to begin. On his very first play, a violent helmet-to-helmet collision knocked him off the field forever, and left him with an improbable side effect--he can forget nothing. The second time was at home nearly two decades later. Now a police detective, Decker returned from a stakeout one evening and entered a nightmare--his wife, young daughter, and brother-in-law had been murdered. His family destroyed, their killer's identity as mysterious as the motive behind the crime, and unable to forget a single detail from that horrible night, Decker finds his world collapsing around him. He leaves the police force, loses his home, and winds up on the street, taking piecemeal jobs as a private investigator when he can. But over a year later, a man turns himself in to the police and confesses to the murders. At the same time a horrific event nearly brings Burlington to its knees, and Decker is called back in to help with this investigation. Decker also seizes his chance to learn what really happened to his family that night. To uncover the stunning truth, he must use his remarkable gifts and confront the burdens that go along with them. He must endure the memories he would much rather forget. And he may have to make the ultimate sacrifice. Memory Man will stay with you long after the turn of the final page.

Max Damage Dan Decker,2021-04-06 A FORMER FBI AGENT IS DENIED PAROLE AND ON HIS WAY BACK TO PRISON.Former Fed Jason Maxfield is seven years into a ten-year prison sentence. With his hopes of an early release dashed by the parole board, he resigns himself to serving his sentence. But his day is about to get much worse.HIS PRISON TRANSPORT IS STORMED BY ARMED MEN WHO THREATEN HIS FAMILY.Armed men storm the bus. Jason's old adversary leads them. He threatens Jason's ex-wife before knocking him unconscious. Not only that, but the daughter whose name he doesn't even know is also at risk.Jason regains consciousness and realizes his choice is simple: he can return to prison or he can use the key his enemy left lying within reach to free himself.HE HAS NO CHOICE BUT TO RUN.He takes the second option, desperate to get to his ex-wife and daughter before his sinister adversary can find them. Can Jason do the impossible?What price is he willing to pay?Buy your copy today to find out! Sneak PeekJason didn't glance at the guard or bother to answer. The inmate across from him glanced at Jason's face and shrunk back. Jason frowned at the man. It was important to keep up appearances. There was one rule in here that everybody understood.Fear.If they feared him, he would be left alone. That was what he wanted. He wanted to do his time and get out. One year from now, three years from now, it did not really much matter.I'm talking to you, Maxfield. The guard's voice was agitated now. Do you understand?I heard you.

Jason still didn't look his way. He could sense the man was unnerved by the lack of respect, but Jason did not care. The man knew better than to push him. You either, Smith. Got it? Yes sir. Jason stared at the man across from him with unblinking eyes. The man swallowed. He was in a different cellblock. They had never run into each other until today, something the man was probably reminding himself of while trying to avoid Jason's gaze. Smith. Jason spoke so quietly that it was a wonder the man heard. The man went pale and tried to move away, but the chains on his feet kept him secured. He looked around, almost as if thinking about asking the guard to move him, but he must have thought better of it because he remained silent. Jason continued to study the man as he made a conscious effort not to look at Jason. Their eyes made contact when he finally did. Jason tilted up the corners of his mouth in a mocking smile. If Smith had been white before, he looked like a ghost now. He had just opened his mouth when a skidding noise at the front of the bus drew their attention. A smoke grenade bounced across the floor.

I Wish I Were Engulfed in Flames Jeni Decker, 2012-01-17 The author recounts episodes from her life as a mother of two autistic children, from handling temper tantrums at home and in public to humorous anecdotes about Santa Claus, obsessions, and family life.

Golf Is My Life: Glorifying God Through the Game Jon Decker, 2017-01-11 God brought passion into Jon's life at an early age when he saw his very first golf club. This passion turned to love and gave birth to a dream. Fueled by this dream, he worked diligently to one day be a PGA Tour player. However, God's plan for his life did not include professional golf as a participant. Led by the hand of God to a path not foreseen in his childhood dreams, Jon became a teaching professional, teaching the game that he loves. The game of golf has allowed Jon to play and teach the game while moving in career and social circles unimaginable by a boy who grew up in the mountains of Western North Carolina. This book contains amazing stories and life-changing occurrences in a journey among some of golf's greatest players, world-class athletes, and Hall of Fame coaches. These include: PGA Tour players Tiger Woods Arnold Palmer Payne Stewart Seve Ballesteros Paul Azinger Phil Rodgers Bob Sowards Helen Alfredsson Top 100 Teacher Fred Griffin College Basketball Coaches Roy Williams Bobby Cremins Jim Valvano NFL Players Brad Johnson Gale Sayers NBA Player Brad Daugherty Television and movie star Bill Murray Chief Communications Officer LPGA/Former host of Golf Channel Kraig Kann The pages of this book represent more than the story of Jon's journey and experiences teaching the game. This book was inspired by a supernatural dream that occurred in his life as a teenage boy where he heard the audible voice of God, spoke with his Lord and Savior Jesus Christ and felt the power and fury of the Holy Spirit. His wonderful stories around the game and the unique personal stories of these great players and athletes, along with scripture are all woven into a book that will not only grow the game of golf but more importantly glorify God and His son Jesus Christ

The Invisible Orientation Julie Sondra Decker, 2015-10-13 Lambda Literary Award 2014 Finalist in LGBT Nonfiction Foreword Reviews' INDIEFAB Book of the Year Award 2014 Finalist in Family & Relationships Independent Publisher Book Awards 2015 (IPPY) Silver Medal in Sexuality/Relationships Next Generation Indie Book Awards 2015 Winner in LGBT -- What if you weren't sexually attracted to anyone? A growing number of people are identifying as asexual. They aren't sexually attracted to anyone, and they consider it a sexual orientation—like gay, straight, or bisexual. Asexuality is the invisible orientation. Most people believe that “everyone” wants sex, that “everyone” understands what it means to be attracted to other people, and that “everyone” wants to date and mate. But that's where asexual people are left out—they don't find other people sexually attractive, and if and when they say so, they are very rarely treated as though that's okay. When an asexual person comes out, alarming reactions regularly follow; loved ones fear that an asexual person is sick, or psychologically warped, or suffering from abuse. Critics confront asexual people with accusations of following a fad, hiding homosexuality, or making excuses for romantic failures. And all of this contributes to a discouraging master narrative: there is no such thing as “asexual.” Being an asexual person is a lie or an illness, and it needs to be fixed. In *The*

Invisible Orientation, Julie Sondra Decker outlines what asexuality is, counters misconceptions, provides resources, and puts asexual people's experiences in context as they move through a very sexualized world. It includes information for asexual people to help understand their orientation and what it means for their relationships, as well as tips and facts for those who want to understand their asexual friends and loved ones.

Tender Leaves of Hope Meghan Decker, 2022-04-13 Meghan Decker, who is happily married to a man, shares her story and the stories of other women who are attracted to women and yet are committed to their faith--

Adam Ted Dekker, 2010-07-01 FBI behavioral psychologist Daniel Clark is a man on a mission. After over a year of tracking a mysterious serial killer known as Eve, he feels closer than ever to discovering the murderer's true identity when he finds Eve's latest victim still alive. In an effort to save the girl, Daniel narrowly escapes becoming another casualty on Eve's list. Despite seeing the killer with his own eyes, a gunshot wound to the head leaves him with amnesia, unable to remember any details from the incident. His drive to find the killer takes on a whole new meaning when Eve takes yet another victim, one Daniel knows all too well-his estranged wife Heather. Determined to bring her back alive, Daniel takes his obsession to a dangerous new level, even recreating his own near-death experience in attempt to recall anything from his encounter with Eve. Soon enough he finds himself fighting for Heather's life, and, in the end, his own.

Play Dead (Paperback) Ted Dekker, 2021-04-27 The discovery of two teenagers ritualistically murdered in a secluded Austin park outrages a nation already on the brink of tearing itself apart. The victims are the latest in an epidemic of deaths linked to a mysterious, underground virtual game known only as Play Dead. The forensic evidence soon points to Jamie Hamilton, a brilliant yet naive young man on the autism spectrum. But Angie Channing, a world-renown true crime writer, isn't so sure. Could such a seemingly innocent person be capable of clinical brutality? Why the rush to silence him? What secrets are hidden in the world of Play Dead that were worth killing for? What if Jamie is the key to something far more sinister? Angie quickly finds herself in a relentless game of cat and mouse that threatens far more than just her sanity or her life. How far will she go to uncover the shocking truth? Enter a psychological thriller ripped from tomorrow's headlines that will haunt you until the last page. It is said that nothing is as it seems in the halls of power and that some truths are far too dangerous for the common man. Until now--Back cover.

Redemption David Baldacci, 2019-04-16 Detective Amos Decker discovers that a mistake he made as a rookie detective may have led to deadly consequences in this compelling Memory Man thriller by #1 New York Times bestselling author David Baldacci. Decker is visiting his hometown of Burlington, Ohio, when he's approached by a man named Meryl Hawkins. Hawkins is a convicted murderer. In fact, he's the very first killer Decker ever put behind bars. But he's innocent, he claims. Now suffering from terminal cancer, it's his dying wish that Decker clear his name. It's unthinkable. The case was open and shut, with rock solid forensic evidence. But when Hawkins turns up dead with a bullet in his head, even Decker begins to have doubts. Is it possible that he really did get it wrong, all those years ago? Decker's determined to uncover the truth, no matter the personal cost. But solving a case this cold may be impossible, especially when it becomes clear that someone doesn't want the old case reopened. Someone who is willing to kill to keep the truth buried, and hide a decades-old secret that may have devastating repercussions . . .

The Victim's Wife Dan Decker, 2020-12-23 A MYSTERIOUS WIDOW...Criminal defense attorney Mitch Turner loves a challenge and is always determined to see that justice is done. He also has more cases than he can handle, but when the mysterious and grief-stricken Penny Moyer enters his office one afternoon, right as he is in the middle of working on a tight deadline, the story she tells intrigues him. With her husband murdered just the night before and his business associate Mason Harwood now charged for the crime, Penny is convinced Mason was set up for the job by the manipulative Vivian Fuger, another business partner. A MANIPULATIVE BUSINESS PARTNER...With little to go on other than Penny's hunch, Mitch is intrigued enough to look into the case, tempted by her offer to pay double his usual fee. But as he digs deep into the murk of her allegations, it

becomes clear that all is not as it seems, and the identity of the true villain is shrouded in secrecy. MITCH TURNER'S SEARCH FOR JUSTICE. Now Mitch's good name and his solid reputation could be on the line as a finely tuned plot is carefully untwined. He knows that one mistake or one wrong decision could spell disaster for him and his firm, but the will to see justice done is too powerful to ignore. Can Mitch uncover the real killer and save himself from ridicule? Or has he finally encountered a mind that is more capable than his own? Pick up your copy today to find out! Sneak Peek She's in tears, Denise whispered. I think she needs some real help. If Denise was hoping to convince me, she was going about it the wrong way. The last thing I needed right now was some random walk-in bubbling over with grief while I had a motion that I was concerned about getting filed. Did she say what it was about? I finally asked, trying to keep the irritation from showing in my voice but only half succeeding. No, she didn't. I hesitated, wondering if I even wanted to take on another case at the moment. I had a full docket, so to speak, more work than I really needed. I supposed it was a good thing that I was so busy that I had the option of turning down cases. A sob came through the phone, and my heart wrenched. Why did I have to hear her cry? My instinct had been to tell Denise to send the person to somebody else, but that gut-wrenching sound was going to haunt me the rest of the afternoon unless I did something about it. I glanced at my watch again, and even though it was a significant motion that I still had not thoroughly researched, I knew now that my only way out was to meet with the woman and handle it from there. My conscience would not allow me to do otherwise at this point. Mitch, are you there? Denise asked. Send her in. I'll talk to her for a minute.
