**BLIND PONY As True A Story As I Can Tell** Samantha Hart,2020-12-15 Blind Pony is a story of healing and hope, a coming of age narrative intersecting themes of recovery, redemption, forgiveness, and the struggle it takes to define life on your terms.

The Preparations Danielle McDonough,2019-01-31 At sixteen years old, Myra has devoted herself to learning her people's way of life and following every rule. Having a Clan Leader for a parent and growing up in the most prestigious village, she has always been told that The Clan is perfect. The normal rhythm in which she lives her life changes quite suddenly when it is announced that the trials will begin in six months. Having little to no knowledge about the traditional challenge that determines the next Clan Leaders, Myra and the other potentials are given only six months to prepare themselves for an unknown future. As the priority of Myra's life shifts, she finds herself losing friends and breaking rules in order to gain an advantage over the competition. Still, Myra never questions the claim that The Clan is flawless, until meeting a mysterious girl, named Astra. Living far in the north, Astra has a very different view of the society they have both grown up in. She asks questions to which Myra cannot even fathom an answer and holds secrets Myra can only guess at. With the trials growing closer and closer every day, Myra starts to wonder if everything she's believed about her people is true or if there are dark secrets buried beneath the well ordered exterior of The Clan.

**Life and Other Shortcomings** Corie Adjmi,2020-08-04 Life and Other Shortcomings is a collection of linked short stories that takes the reader from New Orleans to New York City to Madrid, and from 1970 to the present day. The women in these twelve stories make a number of different choices: some work, others don't; some stay married, some get divorced; others never marry at all. Through each character's intimate journey, specific truths are revealed about what it means to be a woman—in relationship with another person, in a particular culture and era—and how these conditions ultimately affect her relationship with herself. The stories as a whole depict patriarchy, showing what still might be, but certainly what was, for some women in this country before the #MeToo movement. Both a cautionary tale and a captivating window into women's lives, Life and Other Shortcomings is required reading for anyone interested in an honest, incisive, and compelling portrayal of the female experience.

Unprecedented Times Lisa Thomas,2020-12-09 £2.08 of EVERY book sale will be donated to the COVID-19 Solidarity Response Fund for the WHO... justgiving page: <https://www.justgiving.com/crowdfunding/unprecedentedtimes> A COVID FICTION science fiction-dystopian-drama with elements

of romance and comedy... based on the real-life events of the COVID-19 pandemic. This fact-meets-fiction novel looks at the events of the pandemic, but taking the story in a very different direction to reality. In reality, we can control the virus, limit our losses, work together to overcome it... but is there a situation where that might not be the case? Follow the pandemic through the eyes of four characters. Clara, a wannabe scientist working as an assistant at the World Health Organisation (WHO). Her boss, Dr Vicente, the kind-hearted Director-General of the WHO. Her twin sister, Rosa, a nurse and new mother. And Rosa's fiancé, Ben, a fun-loving police officer. How will the characters cope when the virus takes a very different turn in this story? And just how far are we willing to go when we are in truly unprecedented times? Real facts and statistics have been used throughout this story. However, the story itself, including all events and characters, are fictional (unless referenced).

*Humans, Being* Jimmy Doom, 2020-12 365 stories encompassing a cross section of America - the beautiful, the outrageous, the mundane, and the frightening.

*Kassius Kanex* MK Schultz, 2019-05-20 Kassius Kanex loves his home and family but hates his job and wants to quit. A chance meeting with strange men looking for directions inspires a change in Kass. He is led down a new path that not only rescues him from his perceived career imprisonment, but also leads to the fulfillment of his destiny. When his family becomes endangered by his new life, Kass's full identity is revealed. His truth previously existed dormant inside of him, but Kass is now awakened. Following a visit to three doors of mystery, his true essence is discovered and a choice is made. Danger and suspense build as more truths come to light, and Kass wonders if things will turn out better or worse. He still hides one secret, though, and its admission will change everything.

*Colony* Benjamin Cross, 2021-01-28 Harmsworth. A remote, mist-shrouded island in the Russian Arctic. Archaeology Professor Callum Ross makes the discovery of a lifetime: a prehistoric ice mummy preserved for thousands of years by the sub-zero temperatures. Only, they didn't die of natural causes...

*The Witches of Vegas* Mark Rosendorf, 2020-08-05 Where can Witches and their vampire mentor practice their powers without being discovered or persecuted? By using their magic, the Witches of Vegas become the number one act performing on the Las Vegas Strip—a great achievement for them, but not so much for the magicians—who can't possibly keep pace. Isis Rivera is the adopted fifteen-year old daughter of The Witches of Vegas. Zack

Galloway is the teenage nephew and assistant to the last magician left in the city. Although they should be rivals, when Valeria, a four-hundred-year-old witch with a long-seeded grudge against humanity arrives in Sin-City, both teens act to bring their families together to stop the evil hag in her tracks. But can the combined witches' powers and the ingenuity of the magicians be enough to stop Valeria from taking over the city and possibly the world?

**Watergate** Keith W. Olson, 2003 The 1972 break-in at Democratic National Headquarters in the Watergate Hotel - by five men acting under the direction of a Republican president's closest aides and his staff - created a constitutional crisis second only to the Civil War and ultimately toppled the Nixon presidency. With its sordid trail of illegal wiretapping, illicit fund-raising, orchestrated cover-up, and destruction of evidence, it was the scandal that made every subsequent national political scandal a gate as well. A disturbing tale made famous by Washington Post reporters Bob Woodward and Carl Bernstein in *All the President's Men*, the Watergate scandal has been extensively dissected and vigorously debated. Keith Olson, however, offers for the first time a layman's guide to Watergate, a concise and readable one-volume history that highlights the key actors, events, and implications in this dark drama. John Dean, John Ehrlichman, H. R. Haldeman, G. Gordon Liddy, John Mitchell, Judge John Sirica, Senator Sam Ervin, Archibald Cox, and the ghostly Deep Throat reappear here, in a volume designed especially for a new generation of readers who know of Watergate only by name and for teachers looking for a straightforward summary for the classroom.--BOOK JACKET. *Dark Prison* J. M. Brister, 2018-12-06 Gray Tower, Incorporated: A private military company run by billionaire Miles Bryant. Their gray ops missions are executed by the best of the best, including ex-military, special forces, and the exceptionally talented. Keira Amherst was groomed from birth to manage her father's company, Amherst Global. But once she finds out her father's dark secret, he locks her away from the world. When she finally escapes, she falls into the arms of a handsome stranger who is more than what he seems. He may be the answer to her prayers, and she can't help but notice the attraction the two of them share. Logan Slade is one of Gray Tower's top field agents who has been assigned to investigate Amherst Global. When a beautiful stranger tumbles into his life, it turns out to be the missing heir apparent to the company. With Keira by his side, this may be the break he needs in the case, but as he tries to protect her, he can't help but fall for her.

*Proof Of Existence* Daniel Vergara, 2020-10-21 A troubled young woman named Clarissa has supernatural powers that harness the ability to bring

five dead women back to life.

Presidential Spirit Gina S. Scheff,2020-05-14 Gina has no intention of marrying again following a disastrous divorce. She wants to focus on raising her son and building a career, not falling in love. But then she meets a spirited airman named David Scheff and everything changes. It doesn't take long for him to convince her that marrying her soul mate might be a good idea after all. A member of the Air Force, David eventually becomes the flight chief for Air Force One, giving Gina the opportunity to shake hands with presidents William Jefferson Clinton and George W. Bush. It's a great adventure! Still, once David retires from the military, they're ready to enjoy a quieter life on a small farm in Ohio. Life has a way of throwing you off-course, though, and when David is diagnosed with a rare and aggressive form of cancer, Gina learns the true meaning of standing by her husband not only in health but in sickness too. As Gina struggles to not fall apart as they face one devastating letdown after another, David shows her how to have grace under pressure and that you don't need actual wings or even a plane to fly above your circumstances. David always knew he had the spirit of an eagle. This story tells how Gina discovered just how right he was.

The Fragile Peace Paul Anthony,1996 Parallel stories of the IRA and the police in England, both racing to keep one step ahead. **Kellcey** Kacey Kells,2020-02-27 Kellcey is not just a book. It's the women's rights bible!.Kellcey by Kacey Kells tells the story of a bright happy teenager living in Victoria, British Columbia, with her parents and sister, Cindy. Their idyllic family life is shattered by the untimely death of Cindy and Kellcey becomes increasingly lonely as her grief stricken parents constantly bicker, blaming each other for the untimely death of their daughter. Kacey (alias Kellcey), a beautiful teenage girl, is unable to find the love and attention she needs at home and finds it in Ben, a fellow student at her high school. Head over heels in love with Ben, she commits herself totally to him, despite her reservations about the company he keeps. A horrific sexual assault at a party where Ben fails her badly, is to leave Kellcey traumatized and unable to continue to live in her beloved Canada.She tries to rebuild her shattered life in far off London with a new friend and an online alter ego: 'Kellcey'. Kacey Kell's compelling and at times disturbing book takes us on the

teenager's life journey. Courageously, she deals with the dramatic issue of violence against girls and women, and its consequences.

A Horror and a Beauty: The World of Peter Ackroyd's London Novels Chalupský, Petr, 2016-02-01 Peter Ackroyd is one of the foremost contemporary British “London writers”. He focuses on the capital, its history, development and identity, both in his fiction and non-fiction. The London of his novels is thus a highly idiosyncratic construct which reflects and derives from its author’s ideas about the actual city’s nature as well as his concept of the English literary sensibility in general as he outlines them in his lectures and historical and literary studies. It is an exceptionally heterogeneous city of enormous diversity and richness of human experience, moods and emotion, of actions and events, and also of the tools through which these are (re)presented and reenacted. According to Ackroyd, this heterogeneity mostly originates outside the sites and domains of the established or mainstream cultural production and social norms and conventions, particularly in occult practices, subversive acts and the plotting of radical individuals or groups, criminal and fraudulent activities of various kinds, dubious scientific experiments, and the popular dramatic forms of ritual and entertainment whose permanent encounters with and contesting of the officially approved and prescribed forms instigate the city’s vitalising energy for dynamic change and spiritual renewal. This book presents the world of Ackroyd’s London novels as a distinct chronotope determined by specific spatial and temporal properties and their mutual interconnectedness. Although such a concept of urban space in its essence defies categorisation, the book is thematically organised around six defining aspects of the city as Ackroyd identifies them: the relationship between its past and present, its uncanny manifestations, its felonious tendencies, its inhabitants’ psychogeographic and antiquarian strategies, its theatricality, and its inherently literary character.
