Head Lopper, Volume 4: Head Lopper and the Quest for Mulgrid's Stair Andrew MacLean, 2021-09-28 With high stakes action and big imagination, Norgal and Agatha embark on a quest to find an invisible staircase to the heavens, atop which sits Mulgrid the All-Knowing. Loopers John Dunn, 2014-05-13 John Dunn never expected that his summer job as a caddie at the local course in Connecticut might turn into something more. The lifers who plied the loops were an ensemble of misfits and degenerates who made the caddie yard look more like a gambling hall than a country club. But Dunn came of age in those yards and on those courses, and the magnetism of the game and the lifestyle proved irresistible. One adventure after another kept him coming back summer after summer, until he found himself migrating with the seasons, looping at some of the most exquisite and exclusive golf locations in the world. Dunn crisscrossed the country on his own big loop, working inside the privet hedges while camping on the mountains, following the back roads and stumbling across unexpected moments of profound natural beauty, and embracing the freedom of what he calls the last vagabond existence in America, all while trying to decide whether to quit the loop and get a real job. Maybe next season...

Everyone Has a Story Faith Lopper, 2018-10-28 Faith Lopper is a first time author, a winner of the NaNoWriMo Challenge in 2017, and is offering to be your writing pal for this year's challenge. Every day for the next 30 days, we will meet in our chosen coffee shop and share our stories. This book is just over 54,000 words, which makes it a winner! Your writing is important to Faith Lopper. Her nickname flopper can be searched on the website if you too choose to join the Challenge. Each episode represents what a day of writing looks like and includes YOU the reader as one of the main characters in the book. We (you and I) meet daily and talk about our writing. Everyone has a story inside them bursting to come out, whether it is fantasy, fiction, biographical, instructional, or unconnected thoughts representing the things that we think about. It's a story no matter what. Warning: flopper has experienced things in her life that may trigger or shock, but it's real. This includes, loss of her father at the age of seven, experiencing her mother's mental illness until her death, and sexual abuse... but hey, there's a lesson in everything! We will continue to write about 1,600 words per day for 30 days, and build on this first self-published effort. Each chapter has been self-edited thrice and no more. This is to be as close to the daily writing as possible. No other eyes have seen it until now! This again is intentional to make the NaNoWriMo experience real. Let's do this Dear One!
