Zachary Chastain

Zachary Ying and the Dragon Emperor Xiran Jay Zhao, 2022-05-10 Percy Jackson meets Tristan Strong in this hilarious middle grade "edge-of-your-seat adventure" (James Ponti, New York Times bestselling author of City Spies) that follows a young boy as he journeys across China to seal the underworld shut and save the mortal realm. Zachary Ying never had many opportunities to learn about his Chinese heritage. His single mom was busy enough making sure they got by, and his schools never taught anything except Western history and myths. So Zack is woefully unprepared when he discovers he was born to host the spirit of the First Emperor of China for a vital mission: sealing the leaking portal to the Chinese underworld before the upcoming Ghost Month blows it wide open. The mission takes an immediate wrong turn when the First Emperor botches his attempt to possess Zack's body and binds to Zack's AR gaming headset instead, leading to a battle where Zack's mom's soul gets taken by demons. Now, with one of history's most infamous tyrants yapping in his headset, Zack must journey across China to heist magical artifacts and defeat figures from history and myth, all while learning to wield the emperor's incredible water dragon powers. And if Zack can't finish the mission in time, the spirits of the underworld will flood into the mortal realm, and he could lose his mom forever.

The Sincerity of Noble Zachary V. M. Roberts, 2018-05-24 By mid-week, I was bored in Vegas. I was eating myself silly. Shopping was dull, I had no one to shop for, and I was not in contact with Lloyd or Ava. So, I couldn't buy them cute little things. I have more clothes than I need. I tried playing the slots, losing \$50 was my limit, and I know nothing about Blackjack, Poker or Baccarat. After attending a magic show, a Motown Review and an ice show, I was sick of attending events by myself. Thursday morning I went to breakfast at Tabletop Family Restaurant. I heard that their buffet breakfast was the best breakfast buffet in Vegas. This morning I helped myself to some stuffed pancakes with fried breast of chicken marinated with honey, two scrambled eggs with pimento cheese, onions and green peppers, hash browns and a cup of Orange Pekoe Tea. He came up behind me and placed his hand on my shoulder. I knew the smell; it was faint but noticeable nonetheless. I looked up from my plate. Noble. How are you? You look great! Maddox spoke. Glad to see someone I knew. I remembered the treatment he and Lolita gave me over 9 months ago. He wore a wedding band. I shrugged that off in my mind and welcomed his greeting. Maddox! What a surprise! How are you? Lolita and Bivin? What are you doing here? I guess by my facial expression he could tell I miss them. He laughed. So many questions. Lemme see. Lolita and Bivin are doing well. She was promoted on her job. Bivin wants to be a forest ranger. . . Wonderful news, I responded. A forest ranger? Bivin? Maddox laugh. He was proud of Bivin. Yes. He's extremely adamant about it. Why don't you have a seat? I offered. I'm sorry I can't. I'm here on business. He turned toward the table where he had come from. I followed his eyes. Three well-dressed gentlemen were in deep conversation across the room. They looked toward us when Maddox turned to face them. They acknowledge him with a nod and went back to their breakfast. Sounding disappointed I said, I'm sorry I didn't know. Maddox smiled. No need to be sorry. Where is your family? Who are you here with? I'm by myself. Really? Maddox tried to sound surprised. You came to Vegas alone? That's bold! I only came because . . . He interrupted me . . . No need to be sorry. Tell you what I'm going to do. I'm off the clock after breakfast. Why don't you get dressed when you're done here and we will hang out today? I leave tomorrow morning. At least you can have one good day with an old friend. Sounds like a good idea, I smiled, happy to have someone to spend the day with. What time should I meet you and where? Maddox looked at his watch. Meet me in the lobby of Envoy around 11:45. Then we can do something fun. This has been a busy week. I'm glad tomorrow is Friday. He smiled at me. We parted ways on that note. I was no longer hungry. Excitement filled my bones again. Later Thursday we took a bus trip to the Hoover Dam which was an all-

day event. When we returned, it was nearly dinner time. We dressed and met at the Velvet Rose Seafood and Steak Restaurant. Dinner was wonderful afterwards we went dancing; we laughed and talked for hours. Not once did we mention Philadelphia or our family and friends.

smoke. In *Tobacco: Through the Smoke Screen*, you'll learn the story of tobacco, its history, its role in culture, and its dangers. You will also learn about the power of tobacco over smokers and chewers, and how cigarette makers help increase its hold--and make it more difficult to live without it. Teaching a Future President Zachary Herrmann, 2019-12-08 The purpose of this book is to articulate an aspirational vision for education, one that deeply engages students in complex and meaningful work and prepares students for the personal, social, and societal problems and opportunities facing them and our society. However, simply adopting an aspirational vision for a high quality learning environment isn't the real challenge. Most educators, students, and families don't need a lot of convincing that schools can and should do more. Accordingly, this book does not stop at simply articulating a vision of the possible; the book also helps individuals visualize what it can look like, and supports teachers, families, and other engaged community members as they work toward closing the gap between what is possible and what is currently realized.

After a newspaper headline mistakenly announces his death, Nobel was inspired to leave a legacy of another sort. *The Man Behind the Peace Prize* tells the story of the enduring legacy of Alfred Nobel. Kathy-jo Wargin is the bestselling author of more than 30 books for children. Among her many awards for her work are an International Reading Association Children's Choice Award for *The Legend of the Loon* and an IRA Teachers' Choice Award for *Win One for the Gipper*. The Secret of the Fortune Wookiee (Origami Yoda #3) Tom Angleberger, 2012-08-07 With Dwight attending Tippet Academy this semester, the kids of McQuarrie Middle School are on their own—no Origami Yoda to give advice and help them navigate the treacherous waters of middle school. Then Sara gets a gift she says is from Dwight—a paper fortune-teller in the form of Chewbacca. It's a Fortune Wookiee, and it seems to give advice that's just as good as Yoda's—even if, in the hands of the girls, it seems too preoccupied with romance. It's up to his old friends at McQuarrie to remind their kooky friend that it's in his weirdness that his greatness lies. Longshot Zach Graumann, 2022-05-24 In *Longshot*, Andrew Yang's campaign manager takes you on a tour through the ups, the downs, and the math of Yang's 2020 campaign for president, and shares the playbook his team used to navigate the attention economy. Andrew Yang did not win the 2020 Democratic primary, let alone the presidency of the United States. But chances are you know who Andrew Yang is, and you may well be part of the 75 percent of Americans who now support Universal Basic Income—both facts that would have seemed beyond unlikely at the start of Yang's campaign. That campaign was

helmed by Zach Graumann: entrepreneur, marketing expert, and, at the time, political nonentity. In fact, when Graumann joined Yang 2020, no one on the team was an expert in campaigning, but they all shared a fervent desire to change the future. Yet, despite that inexperience, by the time Yang dropped out of the race in early 2020, he'd not only outlasted six senators, four governors, and three members of Congress, he'd become one of the most recognizable, popular political figures in the country. Now, for the first time, Graumann tells the story of how Yang went from nobody to national presence, breathing life into the behind-the-scenes antics of the unusual campaign that started a movement. In the process, he demystifies the world of political campaigns and provides takeaways that will help not only the next generation of campaign managers, but anyone who wants to break into a new industry—or stand out in their current one. A book for everyone from members of the Yang Gang who want the inside story to businesspeople looking for self-improvement to anyone who has ever had a dream that felt bigger than they were, Longshot reminds you that sometimes, longshots aren't quite as long as you think.
