Florida Lauren Groff, 2019-05-21 The universally-acclaimed return of the New York Times bestselling author of *Fates and Furies*, *Matrix*, and the highly-anticipated *The Vaster Wilds* In Lauren Groff's *Florida*, the hot sun shines, but a wild darkness lurks. *Florida* is a superlative book (Boston Globe), gorgeously weird and limber (New Yorker), frequently funny (San Francisco Chronicle), brooding, inventive and often moving (NPR Fresh Air) -- as Groff is recognized as Florida's unofficial poet laureate, as Joan Didion was for California. (Washington Post) Groff's gifts as a writer just keep soaring higher and higher." – NPR's Fresh Air In her thrilling new book, Lauren Groff brings the reader into a physical world that is at once domestic and wild—a place where the hazards of the natural world lie waiting to pounce, yet the greatest threats and mysteries are still of an emotional, psychological nature. A family retreat can be derailed by a prowling panther, or by a sexual secret. Among those navigating this place are a resourceful pair of abandoned sisters; a lonely boy, grown up; a restless, childless couple, a searching, homeless woman; and an unforgettable, recurring character—a steely and conflicted wife and mother. The stories in this collection span characters, towns, decades, even centuries, but *Florida*—its landscape, climate, history, and state of mind—becomes its gravitational center: an energy, a mood, as much as a place of residence. Groff transports the reader, then jolts us alert with a crackle of wit, a wave of sadness, a flash of cruelty, as she writes about loneliness, rage, family, and the passage of time. With shocking accuracy and effect, she pinpoints the moments and decisions and connections behind human pleasure and pain, hope and despair, love and fury—the moments that make us alive. Startling, precise, and affecting, *Florida* is a magnificent achievement.

Nine Florida Stories Marjory Stoneman Douglas, 1990 The nine stories in this first collection,

satisfyingly diverse in plot and theme, take place in a scattering of South Florida settings - Miami, Ft. Lauderdale, the Tamiami Trail, the Keys, Hillsboro Inlet, the Everglades, In among the drama of hurricanes and plane crashes, of kidnappers, escaped convicts, and smugglers, Douglas plants flags that mark the stories as her own: plume hunters who threaten Florida's ibises, irrational schemes to drain the Everglades, what happens when human beings collide with nature in the form of water, weather, or wildlife. The author whose 'River of Grass' awoke Florida and the nation to the environmental crisis facing the Everglades reminds us in these stories of a Florida, then as now, as fragile, varied, and intriguing as a Sanibel Island shell collection.

We Can't Help It If We're from Florida Shane Hinton, 2017-11-07 'As hot and wild and dangerous as our beloved (or is it bedeviled?) state, itself.' -- Lauren Groff, author of "Fates & Furies"

100% Pure Florida Fiction Susan Hubbard, Robley Wilson, 2000 Brighter than a digital print-out, 100% Pure Florida Fiction provides a full-featured map of Florida's imaginative landscape at the stark turning of the millennial moment--with visions and aftershocks that linger in the mind long after reading.--Joe David Bellamy, former publisher and editor, Fiction International From Migration of the Love Bugs by Jill McCorkle: My husband and I live in a tin can. He calls it the streamline model, the top of the line, the cream of the crop when it comes to moveable homes. Ambulatory and proud of it. That's Frank's motto and I guess it makes sense in a way, since he is the only one of six siblings who's still alive and walking, not to even mention that he spent his whole adult life setting things in concrete--house foundations and driveways, sidewalks that will remain until the New England winters crack them once too often and that new cement outfit that just opened comes in to redo the job. We're in Florida now and the only concrete we own are the cinder blocks that keep our wheels from turning. Can't we at least put our tin can up on a foundation like everybody else's? I asked our first

day here. You know, pretend it's a real building rather than a souped-up vehicle? He was in what he called his retirement clothes, pastel golfwear, though he has never touched a club. He was surveying the flat, swampy, treeless land as if this was the Exodus. Even that day, our belongings not even unpacked, I was thinking that if this was the Promised Land, Moses for sure dealt me a bad hand. This anthology of modern Florida fiction showcases the work of 21 writers, including such literary lights as Frederick Barthelme, Alison Lurie, Jill McCorkle, Peter Meinke, and Joy Williams, as well as that of new and emerging writers. Sifting through over 600 stories in books, magazines, literary journals, and the internet, the editors selected the best Florida fiction of the century's last decades. What these stories have in common, of course, is a Florida setting--but a Florida so strongly evoked that it is more character than place. In these stories Florida is sinister, full of alligators, creeping plants, heavy clouds, noir cops and con artists; it is the surreal spread of theme parks, condominiums, and strip malls; and it is a paradise--lost, regained, and remembered--of sea, sun, hammock, forest, and glade. 100% Pure Florida Fiction is the perfect literary companion for Florida travels, armchair and actual, from the Panhandle to Key West and a dozen places in between. And it is proof that Florida is the stuff good stories are made of. Susan Hubbard is associate professor of English at the University of Central Florida in Orlando and the author of two collections of short fiction: *Blue Money* (1999) and *Walking on Ice* (1990). Robley Wilson, professor of English at the University of Northern Iowa, has been editor of the *North American Review* since 1969. He has published a novel, four books of short fiction, and three books of poetry, including *Everything Paid For* (UPF, 1999). Adversities Katherine Garcia, 2021-10-20 Adversities By: Katherine Garcia ADVERSITIES follows the story of Baily Johnson, the daughter of Cuban immigrants, as she navigates life in Southern Florida and the hardships and setbacks that seem to constantly befall her. However, Baily refuses to see these troubled times as failures but rather as motivation towards finding success and true love. This is a story of survival and triumph, as told through the eyes of a woman who refuses to give up on her dreams.

South Moon Under Marjorie Kinnan Rawlings, 2011-05-01 Joys and hardships of pioneer-like life of Florida scrub-dwellers.

South Moon Under Marjorie Kinnan Rawlings, 2014-09-24 Joys and hardships of pioneer-like life of Florida scrub-dwellers.

Ask Me Again Florida Ann Town, 2017-05-05 Sahira's story is a tale of two friends, Sahira and Christie, who live next door to each other and became as close as sisters. Both are only children. Christie is part of a single-parent family, with her dad as her only parent. Sahira is the child of immigrants. The differences between the two seem unimportant at first, but as the girls reach their late teens, there are stark reminders of the cultural differences between the two families. Sahira's father expects—and demands—instant obedience. Christie's father is a more typical, laid-back North American dad. Christie is shocked when Sahira announces that her father has arranged a marriage for her to a man she has never met, a situation Christie denounces as impossible and plots to help Sahira

escape her father's domination. Can her plan succeed? The reader will have to wait until the last page to find out.

Wakulla: a Story of Adventure in Florida Kirk Munroe, 2018 Wakulla: a story of adventure in Florida by Kirk Munroe is a rare manuscript, the original residing in some of the great libraries of the world. This book is a reproduction of that original, typed out and formatted to perfection, allowing new generations to enjoy the work. Publishers of the Valley's mission is to bring long out of print manuscripts back to life.

Sunshine State Samba , 2015-10-20 Sunshine State Samba is the first in a series of eclectic novellas that looks at life from a slightly misguided, completely unpredictable, over fifty, point of view. It's the, not to be missed, read of the season with more ups and downs than a Florida theme park. Come along with Jilly as she dances her way through an early retirement that is anything but restful. Experience the criminals and crazies of mythical Viacarra Beach, where mobile home living is at its very best and prescription drugs are as normal as sunny days. Do the Sunshine State Samba and you will never want to travel North again. Jilly Illg has lived in the sunshine state for as long as she can remember. She is an avid swimmer, a certified Life Coach, and a graduate of Daytona Beach State College. This is her first published work of fiction and according to her, her most enjoyable. Her first published book was self help instructional in how to find a husband. She lives happily with her seventh husband in Port St Lucie, Florida and is planning a series of fictional novellas, all taking place in the Sunshine State.

When the Whipoorwill Marjorie Kinnan Rawlings, 2021-08-30 Immerse yourself in the tales of Florida's heart and soul in 'When the Whipoorwill'. Marjorie Kinnan Rawlings masterfully weaves a collection of short stories that will leave you enchanted, from the poignant and unforgettable 'The

Yearling' to the evocative 'South Moon Under'. Each story showcases Rawlings' profound empathy, keen observation, and deep love for the Sunshine State. As you journey through these tales, you'll be transported to the vibrant landscapes, rich history, and diverse flora and fauna of Florida.

Star Island Carl Hiaasen, 2011 Ann DeLuisa, body double for drug-addled pop star Cherry Pye, is kidnapped by an obsessed paparazzo, and Cherry's entourage must rescue her while keeping her existence a secret from Cherry's public--and from Cherry herself

Six Mornings on Sanibel Charles Sobczak, 1999-11 This engaging tale of the accidental meeting of two strangers on the Sanibel fishing pier has touched the hearts of thousands. Carl Johnson, a wise, retired fishing guide from Sanibel, and Richard Evans, a young, stressed-out divorce attorney from Peoria, share more than snook runs and cold Cokes during their six mornings together. They share tales of love, suicide and heroism. This story is about knowing when it's time to die and when it's time to start living again. It is about something rare in this hurried age: wisdom.--

Beyond Risk Connie Mann, 2019 Former Fish & Wildlife Officer Charlotte Charlee Tanner still carries the guilt of a tragic drowning accident that occurred on her watch. She hoped moving back home to the wilds of central Florida would provide a safe haven-until she learns the death was no accident, and she's the intended target. Tough and decisive, Lieutenant Hunter Boudreau loves his new job as a law enforcement officer with the Florida Fish & Wildlife Conservation Commission. Charlee is his best friend, so when she comes under fire, he's not letting her out of his sight until the killer is caught. But Charlee won't sit by and let anyone else die for her. As danger closes in and Charlee and Hunter's attraction threatens to consume them, Charlee has to decide if she can trust Hunter. And to save Charlee, Hunter will have to trust her, too.

Captiva Island Kathy Lee Sumner, 2009-10-15 Beneath the gingerbread roof of a cottage on South

Florida's Captiva Island, inside delicate pages of a decades-old manuscript, the truth longs to be set free.

Skinny Dip Carl Hiaasen, 2004 Chaz Perrone might be the only marine scientist in the world who doesn't know which way the Gulf Stream runs. But he's just found a way to make a fortune out of the Florida Everglades, and he's damned if anyone's going to stop him. So when he suspects that his wife, Joey, is going to get in his way, he takes her on an expensive anniversary cruise and pushes her overboard into the night-dark Atlantic. Unfortunately for Chaz, Joey survives the fall. Clinging to a bale of Jamaican pot, she manages to stay alive, and is plucked from the ocean by former cop, current loner, Mick Stranahan. But instead of rushing to the police and reporting her husband's crime, Joey decides to stay dead and (with Mick's help) screw with Chaz until he screws himself. As Joey haunts and taunts her homicidal husband: as Chaz's cold blooded cohorts in crime grow uneasy with his increasingly erratic behaviour; as Mick Stranahan discovers that six failed marriages have not killed his ability to fall in love all over again, Carl Hiaasen takes us on a hilarious, romantic, page-turning journey through the warped politics of southern Florida, and through the madness and mayhem created by the human heart.

Nature Girl Carl Hiaasen, 2007 A laugh-out-loud trip from Hell through Florida's Everglades by Carl Hiaasen, author of 'Skinny Dip'.

In My Heart Mackenzie Porter, 2020-03-10 A working mother reassures her child that even when they're apart, they're always in each other's hearts. This lovely board book is perfect for moms to share with their little ones. Though we're not together we're never truly apart, because you're always on my mind and you're always in my heart. This is what a mother tells her child as she leaves for work each day. This lovely board book perfectly captures the sentiment that many women feel about

being a working mom. The lyrical text takes us through a mother's day away, showing us that although she's working hard, her child is always on her mind and always in her heart.

Authormackenzie Florida Introduction

In the digital age, access to information has become easier

than ever before. The ability to download Authormackenzie Florida has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Authormackenzie Florida has opened up a world of possibilities. Downloading Authormackenzie Florida provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can

gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Authormackenzie Florida has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and

platforms where individuals can download Authormackenzie Florida. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Authormackenzie Florida. Some websites may

offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Authormackenzie Florida, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should

ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Authormackenzie Florida has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.
