The Old Man and the Gun David Grann, 2018-09-04 From the #1 New York Times bestselling author of Killers of the Flower Moon, a mesmerizing collection of true-crime stories that includes The Old Man and the Gun—the inspiration for the movie starring Robert Redford and Sissy Spacek, along with two other riveting tales. The Old Man and the Gun is the incredible story of a bank robber and prison escape artist who modeled himself after figures like Pretty Boy Floyd and who, even in his seventies, refuses to retire. True Crime follows the twisting investigation of a Polish detective who suspects that a novelist planted clues in his fiction to an actual murder. And The Chameleon recounts how a French imposter assumes the identity of a missing boy from Texas and infiltrates the boy's family, only to soon wonder whether he is the one being conned. In this mesmerizing collection, David Grann shows why he has been called a worthy heir to Truman Capote and simply the best narrative nonfiction writer working today, as he takes the reader on a journey through some of the most intriguing and gripping real-life tales from around the world. Look for David Grann's latest bestselling book, The Wager!

Red Sky at Morning Richard Bradford, 2014-02-18 "Red Sky at Morning is a minor marvel: it is a novel of paradox, of identity, of an overwhelming YES to life that embraces with wonder what we are pleased to call the human condition. In short, a work of art." — Harper Lee Hailed by the Washington

Post Book World as “a sort of *Catcher in the Rye* out West,” Richard Bradford’s *Red Sky at Morning* is the classic coming-of-age story set during World War II about the enduring spirit of youth and the values in life that count. In the summer of 1944, Frank Arnold, a wealthy shipbuilder in Mobile, Alabama, receives his volunteer commission in the U.S. Navy and moves his wife, Ann, and seventeen-year-old son, Josh, to the family’s summer home in the village of Corazon Sagrado, high in the New Mexico mountains. A true daughter of the Confederacy, Ann finds it impossible to cope with the quality of life in the largely Hispanic village and, in the company of Jimbob Buel—an insufferable, South-proud, professional houseguest—takes to bridge and sherry. Josh, on the other hand, becomes an integral member of the Sagrado community, forging friendships with his new classmates, with the town’s disreputable resident artist, and with Amadeo and Excilda Montoya, the couple hired by his father to care for their house. Josh narrates the story of his fateful year in Sagrado and, with irresistibly deadpan, irreverent humor, describes the events and people who influence his progress to maturity. Unhindered by his mother’s disdain for these tacky, dusty little Westerners, Josh comes into his own and into a young man’s finely formed understanding of duty, responsibility, and love.

The Old Man Thomas Perry, 2017-01-03 Now an original series from FX starring Jeff Bridges, John Lithgow, and Amy Brenneman: a retired intelligence officer living off the grid is caught in “[a] harrowing hunt-and-hide adventure” (The New York Times). To all appearances, Dan Chase is a harmless retiree in Vermont with two big mutts and a grown daughter he keeps in touch with by phone. But most sixty-year-old widowers don’t have multiple driver’s licenses, savings stockpiled in banks across the country, or two Beretta Nanos stashed in the spare bedroom closet. Most have not spent decades on the run. Thirty-five years ago, as a young army intelligence hotshot, Chase was sent to Libya to covertly assist a rebel army. When the plan turned sour, Chase acted according to his conscience—and triggered consequences he never could have anticipated. To this day, someone still wants him dead. And just when he thought he was finally safe, Chase is confronted with the history he spent much of his life trying to escape. Edgar Award-winning author Thomas Perry writes thrillers that move “almost faster than a speeding bullet” (Wall Street Journal). *The Old Man* is his latest whip-smart standalone novel, and has been adapted into a critically acclaimed television series starring Jeff Bridges as retired CIA Agent Dan Chase. “Perry drives deep into Jack Reacher territory in this stand-alone [novel] . . . Swift, unsentimental, and deeply satisfying.” —Kirkus Reviews

Fata Morgana Steven R. Boyett, Ken Mitchroney, 2017-06-13 An epic novel of love and duty at war across the reach of time. At the height of the air war in Europe, Captain Joe Farley and the baseball-loving, wisecracking crew of the B-17 Flying Fortress *Fata Morgana* are in the middle of a harrowing bombing mission over eastern Germany when everything goes sideways. The bombs are still falling and flak is still exploding all around the 20-ton bomber as

it is knocked like a bathtub duck into another world. Suddenly stranded with the final outcasts of a desolated world, Captain Farley navigates a maze of treachery and wonder—and finds a love seemingly decreed by fate—as his bomber becomes a pawn in a centuries-old conflict between remnants of advanced but decaying civilizations. Caught among these bitter enemies, a vast power that has brought them here for its own purposes, and a terrifying living weapon bent on their destruction, the crew must use every bit of their formidable inventiveness and courage to survive. *Fata Morgana*—the epic novel of love and duty at war across the reach of time.

Old Man Country Thomas R. Cole, 2019 We live in a time of change, an era where old men can maintain health but find dignity in frailty. *Old Man Country* helps readers see and imagine this change for themselves. The book follows the journey of a writer in search of wisdom, as he narrates encounters with twelve distinguished American men over 80 -- including Paul Volcker, the former head of the Federal Reserve, and Denton Cooley, the world's most famous heart surgeon. In these and other intimate conversations, the book explores and honors the particular way that each man faces the challenges of living a good old age--

What We Talk About When We Talk About Anne Frank Nathan Englander, 2012-02-07 These eight new stories from the celebrated novelist and short-story writer Nathan Englander display a gifted young author grappling with the great questions of modern life, with a command of language and the imagination that place Englander at the very forefront of contemporary

American fiction. The title story, inspired by Raymond Carver's masterpiece, is a provocative portrait of two marriages in which the Holocaust is played out as a devastating parlor game. In the outlandishly dark "Camp Sundown" vigilante justice is undertaken by a group of geriatric campers in a bucolic summer enclave. "Free Fruit for Young Widows" is a small, sharp study in evil, lovingly told by a father to a son. "Sister Hills" chronicles the history of Israel's settlements from the eve of the Yom Kippur War through the present, a political fable constructed around the tale of two mothers who strike a terrible bargain to save a child. Marking a return to two of Englander's classic themes, "Peep Show" and "How We Avenged the Blums" wrestle with sexual longing and ingenuity in the face of adversity and peril. And "Everything I Know About My Family on My Mother's Side" is suffused with an intimacy and tenderness that break new ground for a writer who seems constantly to be expanding the parameters of what he can achieve in the short form. Beautiful and courageous, funny and achingly sad, Englander's work is a revelation.

Seeking the South Rob Newton,2019-10-01 A modern-day Southern cookbook that celebrates the region's growing diversity, from chef and restaurateur Rob Newton. There's no genre of American cuisine as storied as Southern, says Rob Newton. In his debut cookbook, Newton brings to life the regional distinctions and new influences that make up the changing face of Southern cuisine--a category of cooking as cutting-edge as any other in the world. As Southern regions' demographics shift and food cultures bump up against one another, Chef Newton reveals just how diverse Southern cuisine really is. As Newton explains, the pork and beans he grew up eating in the mountains of the Ozarks is very different from the shellfish-heavy food of the Lowcountry or the Cajun-influenced fare along the Gulf Coast. And though often overlooked, historically underrecognized populations have constantly reimaged what the Southern table looks like with their culinary contributions: Enslaved African cooks perfected fried chicken, Middle Eastern communities helped introduce spices such as sumac to the Mississippi Delta, and Korean and Mexican immigrants continue to reinvent the grilled meats and pickled vegetables that Southerners know and love. In *Seeking the South*, Newton brings his unique perspective to show readers there's much more to the food below the Mason-Dixon Line than meets the eye. Crisscrossing the South (the Upper and Deep South, Gulf Coast, Coastal Plains and Piedmont, and Lowcountry and Southeast Coast), Newton shares more than 125 recipes as old and familiar as Pork Hocks with Hominy, and as current as Okra with Sichuan Peppercorn and Black-Eyed

Pea Falafel. To Newton, Southern cuisine delights because it is delicious and, above all, endlessly dynamic. In this cookbook, he brings this exciting evolution of flavors to your table.

What Have They Done with Jesus? Ben Witherington III,2006-10-03 Strange theories about Jesus seem to ooze from our culture with increasing regularity. Ben Witherington, one of the top Jesus scholars, will have none of it. There were no secret Gnostic teachings in the first century. With leading scholars and popular purveyors of bad history in his crosshairs, Witherington reveals what we can—and cannot—claim to know about the real Jesus. The Bible, not outside sources, is still the most trustworthy historical record we have today. Utilizing a fresh personality profile approach, Witherington highlights core Christian claims by investigating the major figures in Jesus's inner circle of followers: Mary the mother of Jesus, Mary Magdalene, Thomas, Peter, James the brother of Jesus, Paul, and the mysterious beloved disciple. In each chapter Witherington satisfies our curiosities and answers the full range of questions about these key figures and what each of them can teach us about the historical Jesus. What Have They Done with Jesus? is a vigorous defense of traditional Christianity that offers a compelling portrait of Jesus's core message according to those who knew him best.

Old Man's Playing Ground Gabriel M. Yanicki, 2014-03-27 When Hudson's Bay Company surveyor Peter Fidler made contact with the Ktunaxa at the Gap of the Oldman River in the winter of 1792, his Piikáni guides brought him to the river's namesake. These were the playing grounds where Napi, or Old Man, taught the various nations how to play a game as a way of making peace. In

the centuries since, travellers, adventurers, and scholars have recorded several accounts of Old Man's Playing Ground and of the hoop-and-arrow game that was played there. Although it has been destroyed, much can be learned from an interdisciplinary study of Old Man's Playing Ground. Oral traditions of the Piikáni and other First Nations of the Northwest Plains and Interior Plateau, together with textual records spanning centuries, show it to be a place of enduring cultural significance irrespective of its physical remains. Knowledge of the site and the hoop-and-arrow game played there is widespread, in keeping with historic and ethnographic accounts of multiple groups meeting and gambling at the site. In this work, oral tradition, history, and ethnography are brought together with a geomorphic assessment of the playing ground's most probable location—a floodplain scoured and rebuilt by floodwaters of the Oldman—and the archaeology of adjacent prehistoric campsite D1Po-8. Taken together, the locale can be understood as a nexus for cultural interaction and trade, through the medium of gambling and games, on the natural frontier between peoples of the Interior Plateau and Northwest Plains.
