Constructing the Self in a Digital World Cynthia Carter

Ching, Brian J. Foley, 2012-09-10 It has become popular in recent years to talk about 'identity' as an aspect of engagement with technology - in virtual environments, in games, in social media and in our increasingly digital world. But what do we mean by identity and how do our theories and assumptions about identity affect the kinds of questions we ask about its relationship to technology and learning? *Constructing the Self in a Digital World* takes up this question explicitly, bringing together authors working from different models of identity but all examining the role of technology in the learning and lives of children and youth.

Billy and the Terrible Storm Raquel Cruz Olivo, 2022-05-16

Billy is a rambunctious little lamb whose wondering curiosity often takes him onto many grand adventures. This time his wondering mind leads Billy into a terrible storm where he just might not make it home. *Billy the Adventure* is the first in a series of children's stories on life's lessons of adventure, trust, and self-content.

Dream First, Details Later Ellen Bennett, 2021-04-27 Ellen

Bennett is the platonic form of a go-getter who inspires go-getter after go-getter to become a better go-getter.—Zoey Deschanel,

actor and musician You'll never know where to start...until you start. This gutsy guidebook will help anyone who's procrastinating on a goal, career change, or business idea stop the obsessive worrying and leap into action. As a 24-year-old line cook, Ellen Marie Bennett couldn't stand the kitchen staff's poorly designed, cheaply made aprons. So when her head chef announced he was ordering a new batch, she blurted out, "Chef, I have an apron company"—even though she had no company, no business plan—just a glimmer of a design idea and a business license. Through hustle and a willingness to leap into the unknown, time and time again, she built that first order into a multi-million-dollar company called Hedley & Bennett, making aprons and kitchen gear worn by many of the world's best chefs and home cooks everywhere. Dream First, Details Later shares Ellen's journey and her forged-in-the-fire personal playbook for starting before you stop yourself. If you've ever imagined doing something and immediately thought, that's impossible, or I wouldn't even know where to start, or I'm not qualified to do that, in these pages, you'll learn how to shove aside your inner worrier and launch into action. This honest and bold illustrated book will be like having Ellen—your personal hype woman—there with you, all the while yelling, Don't stop! You

got this! She'll share hard-won advice on:

- Squashing doubts and reservations about venturing outside your comfort zone. (These doubts masquerade as rational, but they're more likely coming from a place of fear.)
- Saying screw it to the perfect plan and using creative problem-solving—and heart and guts—to conquer the shit storms as they come.
- Eventually transitioning from the flying by the seat of your pants stage to the well-oiled machine stage. You don't need to have all the answers to make your dream a reality. You just need to start before you're ready.

The Absolutely True Diary of a Part-Time Indian Sherman Alexie, 2016-09-15 An all-new edition of the tragicomic smash hit which stormed the New York Times bestseller charts, now featuring an introduction from Markus Zusak. In his first book for young adults, Sherman Alexie tells the story of Junior, a budding cartoonist who leaves his school on the Spokane Indian Reservation to attend an all-white high school. This heartbreaking, funny, and beautifully written tale, featuring poignant drawings that reflect the character's art, is based on the author's own experiences. It chronicles contemporary adolescence as seen through the eyes of one Native American boy. 'Excellent in every way' Neil Gaiman Illustrated in a contemporary cartoon style by

Ellen Forney.

Welcome to the Club Raquel D'Apice, 2016-09-20 From an Emmy Award–winning comedy writer: “An absolute must for every parent who needs to laugh so they don’t cry.” —Bunmi Laditan, author of *Confessions of a Domestic Failure* From the comedian behind the popular parenting blog *The Ugly Volvo* comes a refreshing spin on the baby milestone book. Instead of a place to lovingly capture the first time baby sleeps through the night, this book commemorates baby’s first poop explosion; first time baby says a word you didn’t want her to say; and first time you forget the details of childbirth enough to consider having a second kid. Accompanied by distinctive illustrations, these one hundred rarely documented but all-too-realistic milestones provide comfort, solidarity, and comic relief for exhausted and terrified new parents.

Sia Martinez and the Moonlit Beginning of Everything Raquel Vasquez Gilliland, 2020-08-11 “In a world where we are so often dividing ourselves into us and them, this book feels like a kind of magic, celebrating all beliefs, ethnicities, and unknowns.” —The New York Times Book Review *Aristotle & Dante Discover the Secrets of the Universe* meets *Roswell* by way of Laurie R. King in this astonishing, genre-bending novel about a Mexican

American teen who discovers profound connections between immigration, folklore, and alien life. It's been three years since ICE raids and phone calls from Mexico and an ill-fated walk across the Sonoran. Three years since Sia Martinez's mom disappeared. Sia wants to move on, but it's hard in her tiny Arizona town where people refer to her mom's deportation as "an unfortunate incident." Sia knows that her mom must be dead, but every new moon Sia drives into the desert and lights San Anthony and la Guadalupe candles to guide her mom home. Then one night, under a million stars, Sia's life and the world as we know it cracks wide open. Because a blue-lit spacecraft crashes in front of Sia's car...and it's carrying her mom, who's very much alive. As Sia races to save her mom from armed-quite-possibly-alien soldiers, she uncovers secrets as profound as they are dangerous in this stunning and inventive exploration of first love, family, immigration, and our vast, limitless universe.

Vicki and a Summer of Change! ¡Vicki Y Un Verano de Cambio!

Raquel M. Ortiz, Iris Morales, 2021-12 Inspired by actual events in 1969, this beautifully illustrated book tells the story of how people in East Harlem, New York united with the Young Lords Organization to spark positive neighborhood changes. Vicki and A

Summer of Change! ¡Vicki y un verano de cambio! follows Vicki and Valentina, her older sister, who live in East Harlem/El Barrio. The streets are overrun with rotting garbage because sanitation trucks rarely pick up trash in the neighborhood. Children and adults are getting sick. Members of the Young Lords Organization, Puerto Ricans, Latinx, and African Americans, start sweeping the streets. Valentina encourages Vicki to take part saying, You're never too young to make a difference! The sisters eagerly join their neighbors and discover that they can help change the world.

The Ogress and the Orphans Kelly Barnhill, 2022-03-08 A National Book Award finalist and instant fantasy classic about the power of community, generosity, books, and baked goods, from the author of the beloved Newbery Medal winner *The Girl Who Drank the Moon*. Stone-in-the-Glen, once a lovely town, has fallen on hard times. Fires, floods, and other calamities have caused the people to lose their library, their school, their park, and even their neighborliness. The people put their faith in the Mayor, a dazzling fellow who promises he alone can help. After all, he is a famous dragon slayer. (At least, no one has seen a dragon in his presence.) Only the clever children of the Orphan House and the kindly Ogress at the edge of town can see how dire the town's

problems are. Then one day a child goes missing from the Orphan House. At the Mayor's suggestion, all eyes turn to the Ogress. The Orphans know this can't be: the Ogress, along with a flock of excellent crows, secretly delivers gifts to the people of Stone-in-the-Glen. But how can the Orphans tell the story of the Ogress's goodness to people who refuse to listen? And how can they make their deluded neighbors see the real villain in their midst?

How Moon Fuentez Fell in Love with the Universe Raquel

Vasquez Gilliland,2022-08-02 When her twin sister reaches social media stardom, Moon Fuentez accepts her fate to be nothing more than her sister's camerawoman. Then Moon takes a summer job as the merch girl on a tour bus full of beautiful influencers and her fate begins to shift in the best way possible. Most notable is her bunkmate and new nemesis, Santiago Phillips, who is grumpy, combative, and also the hottest guy Moon has ever seen. As chance, destiny, and proximity bring the two of them in each other's perpetual paths, Moon starts to question her destiny as the unnoticed, unloved wallflower she always thought she was. --

Seen and Unseen Marc Lamont Hill, Todd Brewster, 2022-05-03

A riveting exploration of how visual media has shifted the narrative on race and reignited the push towards justice by the author of the “worthy and necessary” (The New York Times) Nobody Marc Lamont Hill and the bestselling author and acclaimed journalist Todd Brewster. With his signature “clear and courageous” (Cornel West) voice Marc Lamont Hill and New York Times bestselling author Todd Brewster weave four recent pivotal moments in America’s racial divide into their disturbing historical context—starting with the killing of George Floyd. *Seen and Unseen* reveals the connections between our current news headlines and social media feeds and the country’s long struggle against racism. Drawing on the powerful role of technology as a driver of history, identity, and racial consciousness, *Seen and Unseen* asks why, after so much video confirmation of police violence on people of color, it took the footage of George Floyd to trigger an overwhelming response of sympathy and outrage. In the vein of *The New Jim Crow* and *Caste*, *Seen and Unseen* incisively explores what connects our moment to the history of race in America but also what makes today different from the civil rights movements of the past and what it will ultimately take to push

social justice forward.

Ten Thousand Skies Above You Claudia Gray,2015-11-03 In this sequel to *A Thousand Pieces of You* by New York Times bestselling author Claudia Gray, Marguerite races through various dimensions to save the boy she loves. Ever since she used the Firebird, her parents' invention, to cross through to alternate dimensions, Marguerite has caught the attention of enemies who will do anything to force her into helping them dominate the multiverse—even hurt the people she loves. She resists until her boyfriend, Paul, is attacked, and his consciousness is scattered across multiple dimensions. The hunt for each splinter of Paul's soul sends Marguerite racing through a war-torn San Francisco, the criminal underworld of New York City, and a glittering Paris where another Marguerite hides a shocking secret. Each dimension brings Marguerite one step closer to rescuing Paul. But with every trial she faces, she begins to question the one constant she's found between the worlds: their love for each other.

Good Night Captain Mama Graciela Tiscareño-Sato,2013-07-04 This ground-breaking bilingual book was written by a Latina military officer and former aviator. It's the first bilingual children's book, in English and Spanish, about why mommies wear

military uniforms and serve in the armed forces. Synopsis: A little boy named Marco is walking to his bedroom in pajamas carrying his stuffed puppy dog when he notices his mommy in an olive-green military flight suit. His curiosity about the colorful patches on her uniform evolves into a sweet, reassuring bedtime conversation between a military mother and her child about why she serves and what she does in the unusual KC-135R aerial refueling airplane. He drifts off to sleep with thoughts of his mommy in the airplane and the special surprise she gave him stuck to his fleece pajamas. The book includes an art activity for parents and teachers to enjoy with children. It's the first in a planned aviation adventure series.

Sticks and Stones Emily Bazelon, 2013-02-19 NATIONAL BESTSELLER Being a teenager has never been easy, but in recent years, with the rise of the Internet and social media, it has become exponentially more challenging. Bullying, once thought of as the province of queen bees and goons, has taken on new, complex, and insidious forms, as parents and educators know all too well. No writer is better poised to explore this territory than Emily Bazelon, who has established herself as a leading voice on the social and legal aspects of teenage drama. In *Sticks and Stones*, she brings readers on a deeply researched, clear-eyed

journey into the ever-shifting landscape of teenage meanness and its sometimes devastating consequences. The result is an indispensable book that takes us from school cafeterias to courtrooms to the offices of Facebook, the website where so much teenage life, good and bad, now unfolds. Along the way, Bazelon defines what bullying is and, just as important, what it is not. She explores when intervention is essential and when kids should be given the freedom to fend for themselves. She also dispels persistent myths: that girls bully more than boys, that online and in-person bullying are entirely distinct, that bullying is a common cause of suicide, and that harsh criminal penalties are an effective deterrent. Above all, she believes that to deal with the problem, we must first understand it. Blending keen journalistic and narrative skills, Bazelon explores different facets of bullying through the stories of three young people who found themselves caught in the thick of it. Thirteen-year-old Monique endured months of harassment and exclusion before her mother finally pulled her out of school. Jacob was threatened and physically attacked over his sexuality in eighth grade—and then sued to protect himself and change the culture of his school. Flannery was one of six teens who faced criminal charges after a fellow student's suicide was

blamed on bullying and made international headlines. With grace and authority, Bazelon chronicles how these kids' predicaments escalated, to no one's benefit, into community-wide wars. Cutting through the noise, misinformation, and sensationalism, she takes us into schools that have succeeded in reducing bullying and examines their successful strategies. The result is a groundbreaking book that will help parents, educators, and teens themselves better understand what kids are going through today and what can be done to help them through it. Contains a new discussion guide for classroom use and book groups.

Bell & Howell Newspaper Index to the San Francisco Chronicle

Bell & Howell Co. Indexing Center, 1984

A Tale of Two Omars Omar Sharif, 2022-10-11 A powerful and essential memoir of self-discovery . . . Brimming with beautiful remembrances of his grandfather and terrifying stories of abuse and homophobia, this is an essential book that shines a much-needed light on the intersection of Arab and queer identity. —Abdi Nazemian, Lambda Literary Award-winning author of *Like a Love Story*, a Stonewall Honor Book The grandson of Hollywood royalty on his father's side and Holocaust survivors on his mother's, Omar Sharif Jr. learned early on how to move between worlds, from the

Montreal suburbs to the glamorous orbit of his grandparents' Cairo. His famous name always protected him wherever he went. When, in the wake of the Arab Spring, he made the difficult decision to come out in the pages of *The Advocate*, he knew his life would forever change. What he didn't expect was the backlash that followed. From bullying, to illness, attempted suicide, becoming a victim of sex trafficking, death threats by the thousands, revolution and never being able to return to a country he once called home, Omar Sharif Jr. has overcome more challenges than one might imagine. Drawing on the lessons he learned from both sides of his family, *A Tale of Two Omars* charts the course of an iconoclastic life, revealing in the process the struggles and successes that attend a public journey of self-acceptance and a life dedicated in service to others.

Umami Bomb Raquel Pelzel, 2019-09-03 One of Food52's Best Cookbooks of Fall 2019 One of Epicurious' 12 Best Gift Ideas for the Vegetarian in Your Life "Umami Bomb is your go-to guide for infusing every meal with deliciousness....Thanks to Raquel's clever ideas and the abundant flavor in her smart, streamlined recipes, this book is set to become a kitchen classic." —Lindsay Maitland Hunt, author of *Healthyish* and *Help Yourself Ingeniously* built

around the use of eight umami-rich ingredients—aged cheese, tomatoes, mushrooms, soy sauce, miso, caramelized onions, smoke, and nutritional yeast—Umami Bomb's 75 recipes are bursting with the sublime, savory fifth taste—and they're vegetarian! Turn mushrooms into “lardons” for a bold take on Southern black-eyed peas and greens. Caramelize onions to use in the best grilled cheese ever. Add a secret spoonful of soy sauce to the frosting of your next chocolate cake—the soy taste disappears but leaves behind an unexpected depth of flavor. Part of the brilliance of Umami Bomb is how the recipes layer these key ingredients to amplify their effect—like adding miso to an already cheesy cacio e pepe sauce for pasta so savory and delicious you'll do a double take. Umami Bomb addresses the “depth” issue for vegetarian cooks with a love letter to umami... [Pelzel's] insanely next-level grilled cheese recipe deploys two umami bombs — miso and caramelized onions — and, dare I say, is as satisfyingly decadent as a burger. —Jenny Rosenstrach, *A Cup of Jo*

Breaking Breads Uri Scheft, 2016-10-18 Named one of the Best Cookbooks of the Year by Food & Wine, The Boston Globe, The Los Angeles Times, The New York Times, The San Francisco Chronicle, USA Today, The Washington Post, and more Israeli

baking encompasses the influences of so many regions—Morocco, Yemen, Germany, and Georgia, to name a few—and master baker Uri Scheft seamlessly marries all of these in his incredible baked goods at his Breads Bakery in New York City and Lehamim Bakery in Tel Aviv. Nutella-filled babkas, potato and shakshuka focaccia, and chocolate rugelach are pulled out of the ovens several times an hour for waiting crowds. In *Breaking Breads*, Scheft takes the combined influences of his Scandinavian heritage, his European pastry training, and his Israeli and New York City homes to provide sweet and savory baking recipes that cover European, Israeli, and Middle Eastern favorites. Scheft sheds new light on classics like challah, babka, and ciabatta—and provides his creative twists on them as well, showing how bakers can do the same at home—and introduces his take on Middle Eastern daily breads like kubaneh and jachnun. The instructions are detailed and the photos explanatory so that anyone can make Scheft's Poppy Seed Hamantaschen, Cheese Bourekas, and Jerusalem Bagels, among other recipes. With several key dough recipes and hundreds of Israeli-, Middle Eastern-, Eastern European-, Scandinavian-, and Mediterranean-influenced recipes, this is truly a global baking bible.

Bird of Paradise Raquel Cepeda, 2013 Chronicles the author's

quest to find out about her ancestry through DNA testing, sharing findings, stories, and the controversies around Latino identity.

Whispering the Techniques of Language: An Psychological Quest through **Authorraquel Wk**

In a digitally-driven earth wherever monitors reign supreme and immediate interaction drowns out the subtleties of language, the profound secrets and emotional nuances hidden within words usually go unheard. Yet, nestled within the pages of **Authorraquel Wk** a captivating literary value sporting with natural thoughts, lies an extraordinary quest waiting to be undertaken. Penned by a talented wordsmith, this charming opus attracts visitors on an introspective trip, softly unraveling the veiled truths and profound impact resonating within ab muscles material of each and every word. Within the emotional depths of this poignant review, we will embark upon a sincere exploration of the book is core styles, dissect its interesting writing style, and yield to the strong resonance it evokes strong within the recesses of readers hearts.
