The Scent Keeper Erica Bauermeister, 2019-05-21 Erica Bauermeister, the national bestselling author of *The School of Essential Ingredients*, presents a moving and evocative coming-of-age novel about childhood stories, families lost and found, and how a fragrance conjures memories capable of shaping the course of our lives. Emmeline lives an enchanted childhood on a remote island with her father, who teaches her about the natural world through her senses. What he won't explain are the mysterious scents stored in the drawers that line the walls of their cabin, or the origin of the machine that creates them. As Emmeline grows, however, so too does her curiosity, until one day the unforeseen happens, and Emmeline is vaulted out into the real world--a place of love, betrayal, ambition, and revenge. To understand her past, Emmeline must unlock the clues to her identity, a quest that challenges the limits of her heart and imagination. Lyrical and immersive, *The Scent Keeper* explores the provocative beauty of scent, the way it can reveal hidden truths, lead us to the person we seek, and even help us find our way back home.

Group Christie Tate, 2020-10-27 A REESE'S BOOK CLUB PICK * NEW YORK TIMES BESTSELLER The refreshingly original and "startlingly hopeful" (Lisa Taddeo) debut memoir of an over-achieving young lawyer who reluctantly agrees to group therapy and gets psychologically and emotionally naked in a room of six complete strangers—and finds human connection, and herself. Christie Tate had just been named the top student in her law school class and finally had her eating disorder under control. Why then was she driving through Chicago fantasizing about her own death? Why was she envisioning putting an end to the isolation and sadness that still plagued her despite her achievements? Enter Dr.

Rosen, a therapist who calmly assures her that if she joins one of his psychotherapy groups, he can transform her life. All she has to do is show up and be honest. About everything—her eating habits, childhood, sexual history, etc. Christie is skeptical, insisting that she is defective, beyond cure. But Dr. Rosen issues a nine-word prescription that will change everything: “You don’t need a cure. You need a witness.” So begins her entry into the strange, terrifying, and ultimately life-changing world of group therapy. Christie is initially put off by Dr. Rosen’s outlandish directives, but as her defenses break down and she comes to trust Dr. Rosen and to depend on the sessions and the prescribed nightly phone calls with various group members, she begins to understand what it means to connect. “Often hilarious, and ultimately very touching” (People), Group is “a wild ride” (The Boston Globe), and with Christie as our guide, we are given a front row seat to the daring, exhilarating, painful, and hilarious journey that is group therapy—an under-explored process that breaks you down, and then reassembles you so that all the pieces finally fit.

The Sky Above Us Natalie Lund, 2021-04-13 A compelling, well-voiced look at how teenagers deal with tragedy. -- School Library Journal Powerfully crafted and captivating. --Midwest Book Review From the author of *We Speak in Storms* comes a compelling mystery about three friends searching for the truth in the aftermath of a plane crash. The morning after their senior year beach party, Izzy, Cass, and Janie are woken by a thundering overhead. Then they and their classmates watch in shock as a plane crashes into the water. When the passengers are finally recovered, they are identified as Izzy's twin brother, Israel, Cass's ex-boyfriend, Shane, and Janie's best friend, Nate. But Izzy can feel when her brother is in pain, and she knows he's not really dead. So she, Cass, and Janie set out to discover what actually happened that day--and why the boys were on the plane. Told in alternating timelines and points of view, this powerful and captivating novel follows the three boys in the weeks

leading up to that fateful flight, and the girls they left behind as they try to piece together the truth about the boys they loved and thought they knew. A spellbinding story about the ripple effects of tragedy, the questions we leave unanswered, and the enduring power of friendship. Praise for *The Sky Above Us*: Aching human with hints of magic, this tale of loss in its many forms builds a compelling mystery. --Booklist
Lund proves adept at smoothly navigating a complicated plot, building and holding suspense, and creating easily relatable, multidimensional characters. --Publishers Weekly
A bruising look at loss from many angles. --BCCB
A deftly written and simply spellbinding story about the ripple effects of tragedy, the questions we leave unanswered, and the enduring power of friendship. --Midwest Book Review

The Momma's Boy Blake Thornton. voted the sexiest man alive for three years in a row, is living the life of fame, and fortune, with women from coast to coast at his beck and call. Then he realizes that fame and fortune do not equal happiness. A child star turned adult heartthrob brings its own set of problems. His overbearing mother is willing to take out anyone—anyone who threatens to intervene in her control of her son, especially if their last name happens to be Lassiter. The Conundrum The past is threatening to interfere with the future when a dance between Blake and Jade exposes an attraction, they were fighting for ten years. The two open their hearts, their bodies, and their souls to each other. When Blake's mother finds the two together all hell breaks loose. Several attempts made on Jade's life cause Blake to think his mother has gone too far. Can the chemistry between Blake and Jade turn into something more...something that is strong enough to save both of their lives?

The Club Ellery Lloyd, 2022-03-01 A REESE'S BOOK CLUB PICK INSTANT NEW YORK TIMES

BESTSELLER “Are you ready for the roller coaster ride that is *The Club*? . . . A beautifully written, densely plotted murder mystery that takes place at a private club off the coast of England. Read about a luxurious, celeb-only island during a weekend of partying and ultimately murder.” —Reese Witherspoon (Reese’s Book Club March ’22 Pick) From the author of *People Like Her* comes a smart and sinister murder mystery set in the secretive world of exclusive celebrity clubs. Everyone’s Dying to Join . . . The Home Group is a glamorous collection of celebrity members’ clubs dotted across the globe, where the rich and famous can party hard and then crash out in its five-star suites, far from the prying eyes of fans and the media. The most spectacular of all is Island Home—a closely-guarded, ultraluxurious resort, just off the English coast—and its three-day launch party is easily the most coveted A-list invite of the decade. But behind the scenes, tensions are at breaking point: the ambitious and expensive project has pushed the Home Group’s CEO and his long-suffering team to their absolute limits. All of them have something to hide—and that’s before the beautiful people with their own ugly secrets even set foot on the island. As tempers fray and behavior worsens, as things get more sinister by the hour and the body count piles up, some of Island Home’s members will begin to wish they’d never made the guest list. Because at this club, if your name’s on the list, you’re not getting out.

Futilitarianism Neil Vallely, 2021-11-16 A proposal for countering the futility of neoliberal existence to build an egalitarian, sustainable, and hopeful future. If maximizing utility leads to the greatest happiness of the greatest number of people, as utilitarianism has always proposed, then why is it that as many of us currently maximize our utility--by working endlessly, undertaking further education and training, relentlessly marketing and selling ourselves--we are met with the steady worsening of collective social and economic conditions? In Futilitarianism, social and political theorist

Neil Vallely eloquently tells the story of how neoliberalism transformed the relationship between utility maximization and the common good. Drawing on a vast array of contemporary examples, from self-help literature and marketing jargon to political speeches and governmental responses to the COVID-19 pandemic, Vallely coins several terms--including the futilitarian condition, homo futilitus, and semio-futility--to demonstrate that in the neoliberal decades, the practice of utility maximization traps us in useless and repetitive behaviors that foreclose the possibility of collective happiness. This urgent and provocative book chimes with the mood of the time by at once mapping the historical relationship between utilitarianism and capitalism, developing an original framework for understanding neoliberalism, and recounting the lived experience of uselessness in the early twenty-first century. At a time of epoch-defining disasters, from climate emergencies to deadly pandemics, countering the futility of neoliberal existence is essential to building an egalitarian, sustainable, and hopeful future.

Above World Jenn Reese, 2012-02-14 A suspenseful sci-fi escapade plucks two children out of the ocean for a thrilling adventure. Thirteen-year-old Aluna has lived her entire life under the ocean with the Coral Kampii in the City of Shifting Tides. But after centuries spent hidden from the Above World, her colony's survival is at risk. The Kampii's breathing necklaces are failing, but the elders are unwilling to venture above water to seek answers. Only headstrong Aluna and her friend Hoku are stubborn and bold enough to face the terrors of land to search for way to save their people. But can Aluna's fierce determination and fighting skills and Hoku's tech-savvy keep them safe? Set in a world where overcrowding has led humans to adapt - growing tails to live under the ocean or wings to live on mountains - here is a ride through a future where greed and cruelty have gone unchecked, but the loyalty of friends remains true.

Second Chance on Cypress Lane Reese Ryan, 2020-12-01 In this sweet tale of secrets, truths and the beauty of second chances (Woman's World), a woman starts over and discovers that, when it comes to finding love, there's no place like home. Rising-star reporter Dakota Jones is usually the one breaking the news—until an inadvertent scandal wrecks her career. The only place she can go to regroup is Holly Grove Island. But her small North Carolina hometown comes with a major catch: Dexter Roberts, the first man to break Dakota's heart, is her new boss. Working alongside Dexter,

who is more attractive than he has a right to be, shows Dakota what might have been . . . but she isn't giving him another chance to break her heart. Dexter has always regretted the way things ended between him and Dakota. Her return could be his opportunity to finally make amends. But the more time he spends with Dakota, the more he realizes his feelings for her never went away. Now he has just a few months to convince her to give their love a second chance. But for Dakota to agree to stay, Dexter will have to reveal the devastating truth about why he let Dakota go all those years ago. Includes the bonus novella Kiss Me at Sweetwater Springs by Annie Rains!
