Living in the remote town of Tierra del Sol is dangerous, especially in the criatura months, when powerful spirits roam the desert and threaten humankind. But Cecelia Rios has always believed there was more to the criaturas, much to her family's disapproval. After all, only brujas—humans who capture and control criaturas—consort with the spirits, and brujeria is a terrible crime. When her older sister, Juana, is kidnapped by El Sombrerón, a powerful dark criatura, Cece is determined to bring Juana back. To get into Devil's Alley, though, she'll have to become a bruja herself—while hiding her quest from her parents, her town, and the other brujas. Thankfully, the legendary criatura Coyote has a soft spot for humans and agrees to help her on her journey. With him at her side, Cece sets out to reunite her family—and maybe even change what it means to be a bruja along the way.

Cultura y Corazón Rosa D. Manzo, Lisceth Brazil-Cruz, Yvette G. Flores, Hector Rivera-Lopez, 2020-10-20 Cultura y Corazón is a research approach and practice that is rooted in the work of Latinx and Chicanx scholars and intellectuals. The book documents best practices for Community Based and Participatory Action Research (CBPAR), which is both culturally attuned and scientifically demonstrated. This methodology takes a decolonial approach to engaging community members in the research process and integrates critical feminist and indigenous epistemologies. Cultura y Corazón presents case studies from the authors' work within the fields of education and health. It offers key strategies to working in partnership with marginalized Latinx communities that are grounded in deep respect for the communities' cultures and lived experiences. This book is intended for students, researchers, and practitioners who want to work with vulnerable populations through a community-based approach that truly respects and integrates culture, values, and funds of knowledge.

Upsetting the Apple Cart Frederick Douglass Opie, 2014-12-02 Upsetting the Apple Cart surveys the history of black-Latino coalitions in New York City from 1959 to 1989. In those years, African American and Latino Progressives organized, mobilized, and transformed neighborhoods, workplaces, university campuses, and representative government in the nation's urban capital. Upsetting the Apple Cart makes new contributions to our understanding of protest movements and strikes in the 1960s and 1970s and reveals the little-known role of left-of-center organizations in New York City politics as well as the influence of Jesse Jackson's 1984 and 1988 presidential campaigns on city elections. Frederick Douglass Opie provides a social history of black and Latino working-class collaboration in shared living and work spaces and exposes racist suspicion and divisive jockeying among elites in political clubs and anti-poverty programs. He ultimately offers a different interpretation of the story of the labor, student, civil rights, and Black Power movements than has been traditionally told. His work highlights both the largely unknown agents of historic change in the city and the noted politicians, political strategists, and union leaders whose careers were built on this history. Also, as Napoleon said, An army marches on its stomach, and Opie's history equally delves into the role that food plays in social movements, with representative recipes from the American South and the Caribbean included throughout.

The Dandelion Insurrection Rivera Sun, 2013-08-09 In a time that looms around the corner of today, under a gathering storm of tyranny, Zadie Byrd Gray whirls into the life of small town reporter Charlie Rider and asks him to become the voice of the Dandelion Insurrection. With the rallying cry of life, liberty, and love, Zadie and Charlie fly across America leaving a wake of revolution in their path. Passion erupts. Danger abounds. The lives of millions hang by a thin thread of courage. Betrayal and intrigue abound, but in the midst of the madness, the golden soul of humanity blossoms . . . and miracles start to unfold! Author Rivera Sun creates mythic characters from everyday people. She infuses the story of our times with practical solutions and visionary perspectives, drawing the reader into a world both terrifying and inspiring . . . a world that could be our own!

New and Selected Stories Cristina Rivera Garza, 2022-04-12 A story collection drawn from across her career brings into English for the first time the extraordinary stylistic and thematic range of the Mexican writer and MacArthur "genius" Cristina Rivera Garza. "One of Mexico's greatest living writers," wrote Jonathan Lethem in 2018 about Cristina Rivera Garza, "we are just barely beginning to catch up to what she has to offer." In the years since, Rivera Garza's work has received widespread recognition: She was awarded a MacArthur Genius Grant for fiction that "interrogates culturally constructed notions of language, memory, and gender from a transnational perspective," and was a finalist for the 2020 National Book Critics Circle Award for Criticism. Yet we have still only started to discover the full range of a writer who is at once an incisive voice on migration, borders, and violence against women, as well as a high stylist in the manner of Lispector or Duras. New and Selected Stories now brings together in English translation stories from across Rivera Garza's career, drawing from three collections spanning over 30 years and including new writing not yet published in Spanish. It is a unique and remarkable body of work, and a window into the ever-evolving stylistic and thematic development of one of the boldest, most original and affecting writers in the world today.

Cece Rios and the King of Fears Kaela Rivera, 2022-09-27 In this thrilling sequel to the "spellbinding" (Booklist starred review) and "mesmerizing" (Publishers Weekly starred review) middle grade fantasy adventure Cece Rios and the Desert of Souls, Cece and her sister Juana must journey into the stronghold of Devil's Alley to challenge the criatura king El Cucuy. Cece Rios thought saving her sister would be the end of her adventures in the world of criaturas. But part of Juana's soul is still trapped in Devil's Alley. As Cece tries to find a way to get it back using her new curandera abilities, Juana takes her fate in her own hands and sets off alone, intent on restoring her soul and getting revenge on El Sombrerón. But then they discover that El Cucuy, king of the criaturas, is hunting for Cece, craving her powers for his own dark purposes. Can the Rios sisters—along with Coyote, Little Lion, and their other criatura allies—uncover his secrets and reclaim Juana's soul? Or will the sinister forces of Devil's Alley overcome them all? This award-winning series is perfect for fans of Aru Shah and the End of Time and Amari and the Night Brothers.

New York Ricans from the Hip Hop Zone R. Rivera, 2003-02-07 New York Puerto Ricans have been an integral part of hip hop culture since day one: from 1970s pioneers like Rock Steady Crew's Jo-Jo, to recent rap mega-stars Big Punisher (R.I.P.) and Angie Martinez. Yet, Puerto Rican participation and contributions to hip hop have often been downplayed and even completely ignored. And when their presence has been acknowledged, it has frequently been misinterpreted as a defection from Puerto Rican culture and identity, into the African American camp. But nothing could be further from the truth. Through hip hop, Puerto Ricans have simply stretched the boundaries of Puerto Ricanness and latinidad.

Flawed System/Flawed Self Ofer Sharone, 2013-10-16 Today 4.7 million Americans have been unemployed for more than six months. In France more than ten percent of the working population is without work. In Israel it's above seven percent. And in Greece and Spain, that number approaches thirty percent. Across the developed world, the experience of unemployment has become frighteningly common—and so are the seemingly endless tactics that job seekers employ in their quest for new work. *Flawed System/Flawed Self* delves beneath these staggering numbers to explore the world of job searching and unemployment across class and nation. Through in-depth interviews and observations at job-search support organizations, Ofer Sharone reveals how different labor-market institutions give rise to job-search games like Israel's résumé-based "spec games"—which are focused on presenting one's skills to fit the job—and the "chemistry games" more common in the United States in which job seekers concentrate on presenting the person behind the résumé. By closely examining the specific day-to-day activities and strategies of searching for a job, Sharone develops a theory of the mechanisms that connect objective social structures and subjective experiences in this challenging environment and shows how these different structures can lead to very different experiences of unemployment.

The Roots of Resistance Rivera Sun, 2018-03-10 In a style as magical as Tolkien and as authentic as Twain, you are in for an exciting ride as the outraged corporate oligarchy scrambles to take back power after the Dandelion Insurrection's successful nonviolent revolution.

The Searchers Tomàs Rivera, 1990-01-01 Tomàs Rivera's *The Searchers: Collected Poetry*, edited by Julià Olivares, contains the twenty-six poems the late author published and an equal number which the editor discovered among the author's literary papers. In *The Searchers*, in taut but impassioned lyrics, Tomàs Rivera celebrates the common experience of humanity and renews his search for the encounter of the self, community, the past and the continuity of the dead through the living. Tomàs Rivera is the author of the now classic Chicano novel *¿y no se lo tragó la tierra?* and the earth did not devour him and the short story collection *The Harvest*.

Skylandia Rivera Sun, 2015 In a collection of writings delightfully and aptly referred to as farm poetry, author Rivera Sun reveals an intimate portrait of her days growing up on an organic farm in Maine. With wry humor and lavish precision, the words of this volume evoke the essence of pine forests, summer fields, cold snow . . . and the authenticity of a farm girl in Maine.

The Iliac Crest Cristina Rivera Garza, 2017-10-16 On a dark and stormy night, two mysterious women invade an unnamed narrator's house, where they proceed to ruthlessly question their host's gender and identity. The increasingly frantic protagonist fails to defend his supposed masculinity and eventually finds himself in a sanatorium. A Gothic tale of destabilized male-female binaries and subverted literary tropes, this is the book's first English publication.

In the Event of Full Disclosure Cynthia Atkins, 2013 The family connections in Cynthia Atkins' *IN THE EVENT OF FULL DISCLOSURE* are intimate, both entwining and empowering the rich experience these poems convey. I've faked it and faked it well./ I hear our ancestors yelling / from the mental ward of hell, declares Cynthia Atkins near the start of *IN THE EVENT OF FULL DISCLOSURE*, a book that explores what it means when mental illness becomes close as blood. Family offers both comfort and disquiet. In these elegant, beautifully observed poems, Atkins considers the burden of being a daughter, a sibling, a mother, and-most of all-a poet charged with making sense of 'indecipherable lists, ' of wars domestic and national, and of the fact that all of us are 'born in a trick of love.'-Jehanne Dubrow I like the easy and big-hearted familiarity with the reader that Cynthia Atkins shows in her poetry. She doesn't keep us at arm's length. She invites us right in, an act that lends confidence and helps to break down the barriers between writer and reader. At those moments when the 'small feet / of silence conspire / in your ear' and 'the gibbous moon rises / like an old rubbed coin, ' we feel we are right there with her. What a pleasure it is to be in the presence of poetry that is so readable and companionable -Richard Tillinghast Rhapsodic, generous, and seriously witty, this poetry invites us to discover new routes through our dizzying contemporary situation. So much of wide-ranging experience is drawn into this startling poetry-and with such energy. Cynthia Atkins's speakers refuse to let their word-loving heads be pushed underwater by despair. They rise up, their propulsive language bringing to the surface the troubling signs of our time, all the while defying the risks we face, coining phrases (a character acts 'like a freak teapot'), and delivering us at last to intimations about 'the room beyond / the room of knowledge.'-Lee Upton Cynthia Atkins' extraordinary collection is a display of precious, vacuum-packed, uranium-heavy poems that still glow in the dark a long time after you have finished reading them, illuminating your heart and guts from the inside.--Seb Doubinsky
