Authorized Mark Ward,2018 The King James Version has shaped the church, our worship, and our mother tongue for over 400 years. But what should we do with it today? The KJV beautifully rendered the Scriptures into the language of turn-of-the-seventeenth-century England. Even today the King James is the most widely read Bible in the United States. The rich cadence of its Elizabethan English is recognized even by non-Christians. But English has changed a great deal over the last 400 years—and in subtle ways that very few modern readers will recognize. In Authorized Mark L. Ward, Jr. shows what exclusive readers of the KJV are missing as they read God's word. In their introduction to the King James Bible, the translators tell us that Christians must heare CHRIST speaking unto them in their mother tongue. In Authorized Mark Ward builds a case for the KJV translators' view that English Bible translations should be readable by what they called the very vulgar—and what we would call the man on the street.

Stephen Spender John Sutherland,2005-01-06 One of the leading poets and cultural icons of the 20th century, Stephen Spender was a prominent writer, literary critic, and social commentator--and close friend of some of the best-know creative talents of his day. Now, in this penetrating biography, John Sutherland paints a vivid portrait of Spender and of the glittering literary world of which he was a part, drawing on exclusive access to Spender's private papers. This briskly paced, compelling narrative illuminates the vast range of Spender's literary, political, and artistic interests. We follow Spender from childhood to his days at Oxford (where he first became friends with W.H. Auden, Christopher Isherwood, and Isaiah Berlin); to his meteoric rise as poet in the 1930s, while still in his twenties; to his later years as cultural statesman, at home in both Britain and America. We witness many of the century's defining moments through Spender's eyes: the Spanish Civil War, World War II, the Cold War, the 1960s sexual revolution, and the rise of America as a cultural force. And along the way, we are introduced to many of Spender's accomplished friends, including Dylan Thomas, Sylvia Plath, Cecil Day-Lewis, Joseph Brodsky, Lucian Freud, George Orwell, Virginia Woolf, and T.S. Eliot. Perhaps most important, Sutherland has been granted exclusive access to Spender's private papers by his wife Natasha Spender. Thus he is able to provide a far more intimate look at the poet's personal life than has appeared in previous biographies. Featuring 36 unpublished photographs, Stephen Spender: A Literary Life throws light not only on this supremely gifted writer, but also on the literary and social history of the twentieth century.

Nelson Mandela The Nelson Mandela Foundation,Umlando Wezithombe,2009-06-23 The fantastic, heroic life of Nelson Mandela, brought to life in this landmark graphic work. Nelson Mandela's memoir, Long Road to Freedom, electrified the world in 1994 with the story of a solitary man who, despite unbelievable hardships, brought down one of the most-despised regimes in the world. Fifteen years after the publication of that classic work comes this fully authorized graphic biography, which relays in picture form the life story of the world's greatest moral and political hero—from his boyhood in a small South African village to his growing political activism with the ANC, his twenty-seven-year incarceration as prisoner 46664 on Robben Island, his dramatic release, and his triumphant years as president of South Africa. With new interviews, firsthand accounts, and archival material that has only recently been uncovered, this visually dramatic biography promises to introduce Mandela's gripping story to a whole new generation of readers.

The Authorized Roy Orbison Alex Orbison,Roy Orbison Jr.,Wesley Orbison,2017-10-17 For the first time, legendary performer Roy Orbison's story as one of the most beloved rock legends will be revealed through family accounts and records. Roy Orbison is a rock and roll icon almost without peer. He came of age as an artist on the venerable Sun Records label; toured with The Beatles; had massive hits in the 1960s, 1970s, and 1980s; invented the black-clad, sunglasses-wearing image of the rock star; and reinvented the art of songwriting many times over. He is a member of the Rock & Roll and Songwriters Halls of Fame, a recipient of the Musicians Hall of Fame's inaugural Iconic Riff Award, and the winner of multiple GRAMMY® awards. He is known the world over for hits like Blue Bayou, You Got It, and Oh, Pretty Woman and was a member of the band that inspired the term supergroup—the Traveling Wilburys, with Bob Dylan, George Harrison, Jeff Lynne, and Tom Petty. Despite these and countless other accolades, the story of Roy Orbison's life is virtually unknown to his millions of fans around the world. Now, for the first time ever, the Orbison Estate, headed by Roy's sons, Wesley, Roy Jr., and Alex Orbison, has set out to set the record straight. The Authorized Roy Orbison tells the epic tale of a West Texas boy, drawn to the guitar at age six, whose monumental global career successes were matched at nearly every turn by extraordinary personal tragedies, including the loss of his first wife in a motorcycle accident and his two oldest sons in a fire. It's a story of the intense highs and severe lows that make up the mountain range of Roy Orbison's career; one that touched four decades and ended abruptly at perhaps its highest peak, when he passed away at the age of fifty-two on December 6, 1988. Filled with hundreds of photographs, many never before seen, gathered from across the globe and uncovered from deep within the Orbison Vault, The Authorized Roy Orbison shows Roy Orbison as a young child and follows him all the way through to the peak of his stardom and up to his tragic end. Wesley, Roy Jr., and Alex Orbison-Roy's Boys-have left no stone unturned in order to illustrate the people, places, things, and events that forged their father, the man behind those famous sunglasses.

It was quite evident to every re ecting person that a strong prejudice would be sure to show itself, as time went on, against any changes actually made in the particular form of the English Scriptures which had gathered around it so many precious associations. One of the Revisers themselves, writing twenty years ago upon the possibility of such a work being undertaken, used the following expressions, in justification of some English renderings of his own from the Greek Testament. No one will imagine that the bald and stiff translations prefixed to these Lectures are offered as substitutes for the graceful and idiomatic sentences which correspond to them in the Authorized Version. To supplement is not to supersede. Christo and Jeanne-Claude Burt Chernow,Wolfgang Volz,2005 For their sheer scale and breathtaking audacity, their works have made them among the most celebrated and controversial artists in the world. Valley Curtain stretched 1,250 feet across a valley in Rifle, Colorado; Wrapped Coast covered a mile and a half of Australian coastline with a million square feet of fabric; The Umbrellas deployed 3,100 umbrellas set in Japan and California, each nearly twenty feet tall; Surrounded Islands encircled eleven islands in Biscayne Bay, Florida with six and a half million square feet of bright pink fabric; and Wrapped Reichstag enveloped the entire German parliament in shimmering silver fabric. For more than forty years, these and many other works by Christo and Jeanne-Claude have reconceived the art of the possible, turned natural and human monuments-streets, bridges, hills, trees, buildings, parks, and islands-into sculptures and paintings, and created dazzling new landscapes and startling new vistas. Often requiring years, even decades, of preparation and planning, these works-not merely feats of aesthetic daring but engineering and organizational marvels-exist for only a few weeks or less. Yet what makes these transient creations linger forever in the mind is their overwhelming and magisterial beauty. They are, in every sense, transformative, and, for the millions who have experienced them in person, unforgettable. Christo and Jeanne-Claude have been the frequent subjects of films, videos, catalogues, cartoons, monographs, exhibitions, and editorials. Until this biography by Burt Chernow, however, written with the full cooperation of the artists, nothing has connected the intimate details of their lives and the spectacular dimensions of their projects. Christo, the penniless Bulgarian refugee who made his way to Paris during the 1950s, and Jeanne-Claude, the socialite daughter of a prominent French general, seemed an unlikely couple, yet together they forged one of the most enduring partnerships in contemporary art. When they arrived in New York in 1964, Christo was already becoming well known in avant-garde circles for his wrappings of everyday objects; Jeanne-Claude acted as manager, dealer, and accountant. Over time, as Chernow reveals, the fusion of their prodigious gifts-his drawings and her ability to draw things together-produced the works for which today they are known the world over. Chernow recounts their rise from relative obscurity to international renown, revealing both the sources of their art and the heights to which it has quite literally aspired. An epilogue by Wolfgang Volz, a longtime and close collaborator of the artists, as well as their exclusive photographer, provides a fascinating insider's view of what it is like to work, and dream, with them. Christo and Jeanne-Claude is an indelible portrait of the artists and their work, and a moving account of an extraordinary couple.
