The Evening Hero Marie Myung-Ok Lee, 2023-05-16 A “moving and captivating” (Cathy Park Hong, New York Times bestselling author of *Minor Feelings*) novel following a Korean immigrant pursuing the American dream who must confront the secrets of the past or risk watching the world he’s worked so hard to build come crumbling down. Dr. Yungman Kwak is in the twilight of his life. Every day for the last fifty years, he has brushed his teeth, slipped on his shoes, and headed to Horse Breath’s General Hospital, where, as an obstetrician, he treats the women and babies of the small rural Minnesota town he chose to call home. This was the life he longed for. The so-called American dream. He immigrated from Korea after the Korean War, forced to leave his family, ancestors, village, and all that he knew behind. But his life is built on a lie. And one day, a letter arrives that threatens to expose it. Yungman’s life is thrown into chaos—the hospital abruptly closes, his wife refuses to spend time with him, and his son is busy investing in a struggling health start-up. Yungman faces a choice—he must choose to hide his secret from his family and friends or confess and potentially lose

all he's built. He begins to question the very assumptions on which his life is built—the so-called American dream, with the abject failure of its healthcare system, patients and neighbors who perpetuate racism, a town flawed with infrastructure, and a history that doesn't see him in it. Toggling between the past and the present, Korea and America, *Evening Hero* is a “soulful, melodic, rhapsodic novel” (The New York Times) about a man looking back at his life and asking big questions about what is lost and what is gained when immigrants leave home for new shores.

*My Brilliant Life* Ae-ran Kim, 2021-01-26 A BEST OF THE MONTH SELECTION BY OPRAH MAGAZINE AN NPR BEST BOOK OF 2021 “An eminent South Korean talent makes her American début in this poignant watercolor of a novel . . . Kim is a writer on the move.” —O, The Oprah Magazine Ae-ran Kim's *My Brilliant Life* explores family bonds and out-of-the-ordinary friendships, interweaving the past and present of a tight-knit family, finding joy and happiness in even the most difficult times. Areum lives life to its fullest, vicariously through the stories of his parents, conversations with Little Grandpa Jang—his sixty-year-old neighbor and best friend—and through the books he reads

to visit the places he would otherwise never see. For several months, Areum has been working on a manuscript, piecing together his parents' often embellished stories about his family and childhood. He hopes to present it on his birthday, as a final gift to his mom and dad; their own falling-in-love story. Through it all, Areum and his family will have you laughing and crying, for all the right reasons. "This novel snuck up on me and captured my heart." —Margarita Montimore, USA Today bestselling author of *Oona Out of Order* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**HOW MUCH IS YOUTH WORTH?** Rosie Nguyen, *HOW MUCH IS YOUTH WORTH?* Part 1: How did I learn? IF I WAS TWENTY The good habits we form as a child do not make a small difference, rather, they make all the difference. (Aristotle) I do not know how many times I hear young people

around him grieving, bored, tell no know what to do. And then do not know what to do, we kill the time with the little pleasures, Rong played through the month, sleeping lazy or immersed in love. But when I went through the end of the Twenties, I was in the thirty threshold, looking back I was sorry. Seeing now life has so many opportunities, many things to do, many things to learn, I don't have enough time for you. Thinking if I know these things when I go to school, when I was young, surely my life would be different, I would be less of a lot of things. Who has gone through the old and the little children know how much. The one-off time is not returning. The most valuable thing that young age has is time, but a lot of young people do not know what is useful with their time. In fact, there are many things to do, when people are young.

The Apology Jimin Han, 2023-08-01 This “sweeping intergenerational saga tells the story of a

pampered and defiant South Korean matriarch thrust into the afterlife from which she seeks a second chance to make amends (Kirstin Chen)—and fights off a tragic curse that could devastate generations to come. In South Korea, a 105-year-old woman receives a letter. Ten days later, she has been thrust into the afterlife, fighting to head off a curse that will otherwise devastate generations to come. Hak Jeonga has always shouldered the burden of upholding the family name. When she sent her daughter-in-law to America to cover up an illegitimate birth, she was simply doing what was needed to preserve the reputations of her loved ones. How could she have known that decades later, this decision would return to haunt her—threatening to tear apart her bond with her beloved son, her relationship with her infuriatingly insolent sisters, and the future of the family she has worked so hard to protect? Part ghost story and part family epic, *The Apology* is an incisive tale of sisterhood and diaspora, reaching back to the days of Japanese colonialism and the Korean War, and told through the singular voice of a defiant, funny, and unforgettable centenarian. The nightmares began for William Manchester 23 years after WW II. In his dreams he lived with the recurring image of a battle-weary youth (himself), angrily demanding to know what had happened to the three decades since he had laid down his arms. To find out, Manchester visited those places in the Pacific where as a young Marine he fought the Japanese, and in this book examines his experiences in the line with his fellow soldiers (his brothers). He gives us an

honest and unabashedly emotional account of his part in the war in the Pacific. The most moving memoir of combat on WW II that I have ever read. A testimony to the fortitude of man...a gripping, haunting, book. --William L. Shirer

*Selling Suffrage* Margaret Mary Finnegan, 1999 Margaret Finnegan's pathbreaking study of woman suffrage from the 1850s to the Nineteenth Amendment in 1920 reveals how activists came to identify with consumer culture and employ its methods of publicity to win popular support through carefully crafted images of enfranchised women as personable, likable, and modern. Drawing on organization records, suffragists' papers and memoirs, and newspapers and magazines, Finnegan shows how women found it in their political interest to ally themselves with the rise of consumer culture--but the cost of this alliance was a concession of possibilities for social reform. When manufacturers and department stores made consumption central to middle-class life, suffragists made an argument for the ballot by comparing good voters to prudent comparison shoppers. Through suffrage commodities such as newspapers, sunflower badges, Kewpie dolls, and Womanalls (overalls for the modern woman), as

well as pantomimes staged on the steps of the federal Treasury building, fashionable window displays, and other devices, Votes for Women entered public space and the marketplace. Together these activities and commodities helped suffragists claim legitimacy in a consumer capitalist society. Imaginatively interweaving cultural and political history, *Selling Suffrage* is a revealing look at how the growth of consumerism influenced women's self-identity.
