Blind Tiger Sandra Brown, 2021-08-03 With a "knack for romantic tension and page-turning suspense, this one is a winner." The year 1920 comes in with a roar in this rousing and suspenseful New York Times bestselling novel by Sandra Brown. Prohibition is the new law of the land, but murder, mayhem, lust, and greed are already institutions in the Moonshine Capitol of Texas (Booklist, starred review). Thatcher Hutton, a war-weary soldier on the way back to his cowboy life, jumps from a moving freight train to avoid trouble . . . and lands in more than he bargained for. On the day he arrives in Foley, Texas, a local woman goes missing. Thatcher, the only stranger in town, is suspected of her abduction, and worse. Standing between him and exoneration are a corrupt mayor, a crooked sheriff, a notorious cathouse madam, a sly bootlegger, feuding moonshiners . . . and a young widow whose soft features conceal an iron will. What was supposed to be a fresh start for Laurel Plummer turns to tragedy. Left destitute but determined to dictate her own future, Laurel plunges into the lucrative regional industry, much to the dislike of the good ol' boys, who have ruled supreme. Her success quickly makes her a target for cutthroat competitors, whose only code of law is reprisal. As violence erupts, Laurel and-now deputy-Thatcher find themselves on opposite sides of a moonshine war, where blood flows as freely as whiskey. Includes a Reading Group Guide.

More by Eye Than by Measure Sandra Dinsmore, 2019-11-17 What kind of boat models are so lifelike they move sailors to tears? The exquisite models crafted by Maine's own John P. Gardner have been known to do just that, especially among people who've sailed their full-size counterparts. In this biography/oral history of Gardner, Sandra Dinsmore brings his creative

process and artistic imagination to life, but she also conveys the struggles and setbacks that Gardner must overcome to work his magic. Readers will come away with an appreciation of the skill and persistence involved in building tiny models and of the exacting eye that's required. And, they'll learn about the surprising items Gardner uses in his models—from X-ray film to hypodermic needles. They'll also grasp how his maritime experience informs his models and sets them apart. Along the way, they'll learn about Gardner's extraordinary adventures at sea, on the Brooklyn, N.Y. waterfront and finally, in Castine, his beloved hometown on the Maine coast.

Riley's Pride Sandra R. Neeley, 2019-02-25
Riley's Pride, Book 1 There's a new Alpha in town. He's tried for too long to make a life in a place with more than its share of Alphas. His Panther has decided enough is enough. His Mate has renounced him as a result of a grave misunderstanding, and he's struck out on his own, forging a new future and a new Pride that will welcome all who have struggled to find their place. He will be their Alpha -- they will live by his rules. Together they will make a new life in the hills and mountains of Missouri. They'll build a life to be proud of, a life that will welcome all their Mates, if they are lucky enough to find them. A life his own estranged Mate will hopefully be drawn to. It will be dangerous because the shifters that have struggled to find a place are usually the most unpredictable, those that never fit anywhere else. But that's what makes life interesting isn't it -- danger, unpredictability and love? Welcome to Riley's Pride. Warning: Intended for mature audiences. This book contains some use of the F word and others, explicit violence, abuse both real and inferred, and sexual situations that may be disturbing for some

readers. If you are offended by these subjects, please do not buy this book.

A Good Death Sandra Martin, 2016-04-12 Having a good death is our final human right, argues Sandra Martin in this updated and expanded version of her bestselling and award-winning social history of the right to die movement in Canada and around the world. Winner of the BC National Award for Canadian Non-Fiction, finalist for both the Donner Prize in Public Policy and the Dafoe Prize for History, *A Good Death* has a new chapter on Canada's Medical Assistance in Dying Law. The law allows mentally competent adults, who are suffering grievously from incurable conditions, to ask for a doctor's help in ending their lives. Does the law go far enough? No, says Martin. She delivers compelling stories about the patients the law ignores: people with life-crushing diseases who are condemned to suffer because their natural deaths are not reasonably foreseeable. With a clear analytical eye, she exposes the law's shortcomings and outlines constitutional challenges, including the presumed right of publicly-funded faith-based institutions to deny suffering patients a legal medical service. Martin argues that Canada can set an example for the world if it can strike a balance between compassion for the suffering and protection of the vulnerable, between individual choice and social responsibility. *A Good Death* asks the tough question none of us can avoid: How do you want to die? The answer will change your life—and your death. "[An] excellent new book. . . .The timeliness is hard to overstate." —The Globe and Mail "What truly distinguishes this book is the reportage on individuals and families who have fought to arrange for a better death. . . . These first-hand experiences are the beating heart of a timely and powerful examination." —2017 BC National Award for Canadian Non-Fiction Jury

The Heavens Sandra Newman, 2019-02-12 "This electrifying novel of love, creativity and madness moves between Elizabethan England and 21st-century New York." —The Guardian A New York Times Notable Book of the Year New York, late summer, 2000. A party in a spacious Manhattan apartment, hosted by a wealthy young activist. Dozens of idealistic twenty-somethings have impassioned conversations over takeout dumplings and champagne. The evening shines with the heady optimism of a progressive new millennium. A young man, Ben, meets a young woman, Kate—and they begin to fall in love. Kate lives with her head in the clouds, so at first Ben isn't that concerned when she tells him about the recurring dream she's had since childhood. In the dream, she's transported to the past, where she lives a second life as Emilia, the mistress of a nobleman in Elizabethan England. But for Kate, the dream becomes increasingly real, to the point where it threatens to overwhelm her life. And soon she's waking from it to find the world changed—pictures on her wall she doesn't recognize, new buildings in the neighborhood that have sprung up overnight. As Kate tries to make sense of what's happening, Ben worries the woman he's fallen in love with is losing her grip on reality. Both intoxicating and thought-provoking, *The Heavens* is a powerful reminder of the consequences of our actions, a poignant testament to how the people we love are destined to change, and a masterful exploration of the power of dreams. "Headly and elegant." —The New York Times Book Review "A complex, unmissable work from a writer who deserves wide acclaim." —Kirkus Reviews (starred review)

Whiter Than Snow Sandra Dallas, 2011-03-01 From The New York Times bestselling author of Prayers for Sale comes the moving and powerful story of a small town after a devastating avalanche, and the life changing effects it has on the people who live there Whiter Than Snow opens in 1920, on a spring afternoon in Swandyke, a small town near Colorado's Tenmile Range. Just moments after four o'clock, a large split of snow separates from Jubilee Mountain high above the tiny hamlet and hurtles down the rocky slope, enveloping everything in its path including nine young children who are walking home from school. But only four children survive. Whiter Than Snow takes you into the lives of each of these families: There's Lucy and Dolly Patch—two sisters, long estranged by a shocking betrayal. Joe Cobb, Swandyke's only black resident, whose love for his daughter Jane forces him to flee Alabama. There's Grace Foote, who hides secrets and scandal that belies her genteel façade. And Minder Evans, a civil war veteran who considers his cowardice his greatest sin. Finally, there's Essie Snowball, born Esther Schnable to conservative Jewish parents, but who now works as a prostitute and hides her child's parentage from all the world. Ultimately, each story serves as an allegory to the greater theme of the novel by echoing that fate, chance, and perhaps even divine providence, are all woven into the fabric of everyday life. And it's through each character's defining moment in his or her past that the reader understands how each child has become its parent's purpose for living. In the end, it's a novel of forgiveness, redemption, survival, faith and family.

Arden Maxwell, the daughter of the man who disappeared all those years ago—presumably with the money, after murdering his accomplice—has never reconciled with her father's abandonment of her and her sister. After countless personal setbacks she decides to return to her family home near mysterious Caddo Lake, and finally get answers to the many questions that torment her. Little does she know, two of her father's co-conspirators—a war hero and a corrupt district attorney—are watching her every move. Ledge Burnet, a rebellious teen at the time of the heist, evaded his jail sentence by enlisting in the army. Now he's back in town to care for his ailing father—and to keep his eye on the county's corrupt district attorney, whom he suspects was the real murderer. Although the two are bound to silence because of the crime they committed together, each has spent years waiting and hoping that the other will make a fatal misstep. But the arrival of their elusive accomplice's daughter, Arden, who may know more about the missing money than she's telling, sets them both on red alert. She ignites Ledge's determination to expose the D.A.'s treachery . . . and sparks a desire he wishes to deny.

Seeing Red Sandra Brown, 2017-08-15 #1 New York Times bestselling author Sandra Brown delivers nonstop suspense and supercharged sexual tension in a thriller about tainted heroism and vengeance without mercy. Kerra Bailey is a TV journalist hot on the trail of a story guaranteed to skyrocket her career to new heights. Twenty-five years ago, Major Franklin Trapper became a national icon when he was photographed leading a handful of survivors to safety after the bombing of a Dallas hotel. For years, he gave frequent speeches and interviews but then suddenly dropped out of the public eye, shunning all media. Now Kerra is willing to use any means necessary to get an exclusive with the Major--even if she has to secure an introduction from his estranged son, former ATF agent John Trapper. Still seething over his break with both the ATF and his father, Trapper wants no association with the bombing or the Major. Yet Kerra's hints that there's more to the story rouse Trapper's interest despite himself. And when the interview goes catastrophically awry--with unknown assailants targeting not only the Major, but also Kerra--Trapper realizes he needs her under wraps if he's going to track down the gunmen . . . and finally discover who was responsible for the Dallas bombing. Kerra is wary of a man so charming one moment and dangerous the next, and she knows Trapper is withholding evidence from his ATF investigation into the bombing. But having no one else to trust and enemies lurking closer than they know, Kerra and Trapper join forces to expose a sinuous network of lies and conspiracy--and uncover who would want a national hero dead.
