Five Days at Memorial Sheri Fink, 2016-01-26 NEW YORK TIMES BESTSELLER • The award-winning book that inspired an Apple Original series from Apple TV+ • A landmark investigation of patient deaths at a New Orleans hospital ravaged by Hurricane Katrina—and the suspenseful portrayal of the quest for truth and justice—from a Pulitzer Prize-winning physician and reporter “An amazing tale, as inexorable as a Greek tragedy and as gripping as a whodunit.”—Dallas Morning News After Hurricane Katrina struck and power failed, amid rising floodwaters and heat, exhausted staff at Memorial Medical Center designated certain patients last for rescue. Months later, a doctor and two nurses were arrested and accused of injecting some of those patients with life-ending drugs. Five Days at Memorial, the culmination of six years of reporting by Pulitzer Prize winner Sheri Fink, unspools the mystery, bringing us inside a hospital fighting for its life and into the most charged questions in health care: which patients should be prioritized, and can health care professionals ever be excused for hastening death? Transforming our understanding of human nature in crisis, Five Days at Memorial exposes the hidden dilemmas of end-of-life care and reveals how ill-prepared we are for large-scale disasters—and how we can do better. ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times Book Review • ONE OF THE BEST BOOKS OF THE YEAR: Chicago Tribune, Seattle Times, Entertainment Weekly, Christian Science Monitor, Kansas City Star WINNER: National Book Critics Circle Award, J. Anthony Lukas Book Prize, PEN/John Kenneth Galbraith Award, Los Angeles Times Book Prize, Ridenhour Book Prize, American Medical Writers Association Medical Book Award, National Association of Science Writers Science in Society Award

Field Requiem Sheri Benning, 2021-09-30 Shortlisted for the Saskatchewan Book Award (Poetry Book) 2023 Shortlisted for the Saskatchewan Book Award (City of Saskatoon) 2023 Shortlisted for the Derek Walcott Prize for Poetry 2022 Shortlisted for the Pat Lowther Memorial Award 2022 Field Requiem bears witness to the violence inherent in the shift to industrialised farming in prairie Canada. Sheri Benning's poems chart the ways in which a way of life collapses, the world of the family farm, even as the speaker suffers, too. The first poem in the collection, 'Winter Sleep', is a fever dream: the borders between past and present, between the unconscious and the real, break down. The poem reckons with the devastating social and environmental impacts of the agribusiness industry. The long elegy, 'Let Them Rest', takes its cue from the Dies Irae and the Latin liturgy of the Requiem mass to mourn Saskatchewan's many ruined farmsteads and razed communities. Throughout, the poems trace the still luminous contours of love – for family, for the land – in rendering the horrors of loss. The incantatory voice rises from dream into dark vision. The book also includes lyric poems that give voice to the affective consequences of loss brought on by climate change and factory farming and renew a sense of locality in the teeth of corporate farming practices. Benning has worked with her sister Heather Benning, who constructs large-scale, site specific installations which explore and extend these themes.

Zayde Comes to Live Sheri Sinykin, 2012-10-02 In this touching, simple story, a young Jewish girl named Rachel tries to make peace with the impending death of her grandfather. Rachel's grandfather, her Zayde, has come to live with her family. Though no one has told her, Rachel knows it is because he is dying, and she worries what will happen to him. Her friends' religions offer her no solace, and although she gets some answers from her Rabbi about where Zayde may go, Rachel still can't imagine her own life without her grandfather in it. It is only when she realizes that Zayde will live on in the love and memories they share that she finally begins to find peace. Author Sheri Sinykin's understated text and illustrator Kristina Swarner's beautiful illustrations combine to create a moving story about truth, love, and loss.

The Loners Lex Thomas, 2012-07-01 It was just another ordinary day at McKinley High—until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher convulsed and died right in front of him. And that was just the beginning. A year later, McKinley has descended into chaos. All the students are infected with a virus that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you're as good as dead. And David has no gang. It's just him and his little brother, Will, against the whole school. In this frighteningly dark and captivating novel, Lex Thomas locks readers inside a school where kids don't fight to be popular, they fight to stay alive.

The Beautiful No Sheri Salata, 2019-06-04 “Thursday morning. One hundred pounds overweight, no man in sight, and rounding the bend to 57 years old—a full-blown catastrophe.” What happens when you realize you’ve had the career of your dreams, but you don’t have the life of your dreams? This was the stark reality facing Sheri Salata when she left her twenty-year stint at The Oprah Winfrey Show, Harpo Studios and the OWN network. She had dedicated decades to her dream job, and loved (almost) every minute of it, but had left the rest of her life gathering dust on the shelf. After years of telling other people’s makeover stories, Sheri decided to “produce” her own life transformation. And this meant revisiting her past, excavating its lessons, and boldly reimagining her future. In these pages, she invites readers along for the ride—detoxing in the desert, braving humiliation at Hollywood’s favorite fitness studio, grappling with losses, reinventing friendships, baring her soul in sex therapy, and more. Part cautionary tale, part middle-of-life rallying cry, Sheri’s stories offer profound inspiration for personal renewal.

The Tender Grave Sheri Reynolds, 2021-03-16 Independent Publisher Books Awards (IPPY) Gold Medalist in Mid-Atlantic-Best Regional Fiction From the author of the New York Times #1 bestseller, The Rapture of Canaan, and steeped in the rich tradition of Southern writers like Carson McCullers and Sue Monk Kidd, The Tender Grave is the gripping story of two estranged sisters who find their unlikely way toward forgiveness—and each other—through a disturbing set of circumstances. Dori, at age 17, participates in a hate crime against a gay boy from her school and runs away to escape prosecution—and her own harrowing childhood. In her pocket, she carries the address of an older, half-sister she’s never met. She has no idea that her sister Teresa is married to another woman. When Dori and Teresa finally meet, they’re forced to confront that, while they don’t like or really even understand one another, they are inextricably bound together in ways that transcend their differences. Together, the sisters discover that shifting currents of family and connection can sometimes run deeper than the prevailing tides of abandonment and estrangement. In The Tender Grave, Sheri Reynolds weaves complex themes of parenting, forgiveness, guilt, and accountability into a lyrical and lushly-woven tapestry that chronicles our enduring search for heart, home, and healing.
