Representing the Nation Pamela Erskine-Loftus,Mariam Ibrahim Al-Mulla,Victoria Hightower,2016-05-26 The 1970s saw the emergence and subsequent proliferation across the Arabian Peninsula of 'national museums', institutions aimed at creating social cohesion and affiliation to the state within a disparate population. Representing the Nation examines the wide-ranging use of exhibitionary forms of national identity projection via consideration of their motivations, implications (current and future), possible historical backgrounds, official and unofficial meanings, and meanings for both the user/visitor and the multiple creators. The book responds to, due to the importance placed on tradition, heritage and national identity across all the states of the Peninsula, and the growth of re-imagined and new museums, the need for far greater discussion and research in these areas.

Social Change in the Gulf Region Md Mizanur Rahman,Amr Al-Azm,2023-03-21 This open access book, comprising thirty-nine chapters divided into social, cultural, economic, and political spheres, offers a unique opportunity to dive into the complex, dynamic, and sometimes contradictory transformation of Gulf societies in the last few decades. Whilst the Gulf region has at times been seen as impervious to this natural phenomenon of transformation-timeless, never changing, deeply rooted in its ancient tribal customs and traditions and able to blend past and present seamlessly without suffering the wrenching trauma of change-this is clearly not the case, and the region is not immune to the inevitable forces of social change. There is no doubt today that the social change sweeping the Gulf has been profound, affecting almost every aspect of life in the Gulf societies. This volume has an encyclopedic value as the chapters collectively offer multifaceted and multidisciplinary perspectives to understand social change in the Gulf region. Through these chapters, the role of economic and educational transformation, and the impact of social media, migration, and urbanization have in driving social change in the Gulf societies is examined in detail with a focus on their directions, magnitudes, and relevant policy options. It also considers how COVID-19 is affecting the lives of the people in the Gulf. This book bridges gaps in the understanding of the rapid pace of social change in the Gulf, offering practical solutions for policy interventions. It is of interest to scholars and students in Middle Eastern studies, specifically, as well as sociology, media studies, migration studies, and educational policy.

In Morocco, adultery, abortion, homosexuality, prostitution, and sex outside of marriage are all punishable by law, and women have only two choices: They can be wives or virgins. *Sex and Lies* combines vivid, often harrowing testimonies with Slimani's passionate and intelligent commentary to make a galvanizing case for a sexual revolution in the Arab world.

It has everything, be it tragedy, heartbreak, courage, conviction, catharsis, humour or romance. The protagonist, Mariam, is living the retired life of an old woman in a quiet Vellore suburb. She teaches four women how to crochet and all of them recount their lives while crocheting. Their time together is refuge for them all. Of these four women, one is merely 15, already married and pregnant, but doesn't want the child. The second has been married for 3 years but hasn't conceived yet. The third is in love with someone who is not her husband and is scared to break free from the shackles of marriage. And the fourth is sick of managing her home, son and mother-in-law all by herself, while her husband lives and works in Dubai. All the stories blend seamlessly. The conceptualization is brilliant and the narrative is beautiful. This engrossing tale of the lives of four ordinary women will surely invoke myriad feelings in the reader.

Hijabistan Sabyn Javeri, 2019-02-25 A young kleptomaniac infuses thrill into her suffocating life by using her abaya to steal lipsticks and flash men. An office worker feels empowered through sex, shunning her inhibitions but not her hijab ... until she realizes that the real veil is drawn across her desires and not her body. A British-Asian Muslim girl finds herself drawn to the jihad in Syria only to realize the real fight is inside her. A young Pakistani bride in the West asserts her identity through the hijab in her new and unfamiliar surroundings, leading to unexpected consequences. The hijab constricts as it liberates. Not just a piece of garment, it is a worldview, an emblem of the assertion of a Muslim woman's identity, and equally a symbol of oppression. Set in Pakistan and the UK, this unusual and provocative collection of short stories explores the lives of women crushed under the weight of the all-encompassing veil and those who feel sheltered by it.

Adipose Tissue , 2019-11-06 Adipose tissue, a kind of connective tissue, plays different and significant roles in the human body. Its function includes protection against environmental factors, storage of lipids and

triacylglycerol, and the process of thermogenesis. It is also involved in the secretion of highly active biomolecules such as steroid hormones, prostaglandins, as well as proteins called "adipokines." On the other hand, disturbances in functions of adipose tissue may cause several pathologies such as obesity and insulin resistance. Obesity is a worldwide health problem, whereas diabetes mellitus due to insulin resistance is defined by the World Health Organization as "a progressive worldwide epidemic." Especially dangerous is visceral accumulation of adipose tissue. This book describes a series of up-to-date topics about physiological and pathological processes in adipose tissue.

SHAMELESS Taslima Nasreen, 2020-04-14 'The textual tension between the real and the imaginary nourishes and complicates the narrative ... Shameless exposes the hypocrisies of Kolkata, the distrust and hatred that exists between the [Hindu and Muslim] communities.' -- Ashutosh Bhardwaj, award-winning writer and journalist 'Shameless is a far more marinated novel than its predecessor ... The emotional seesaw between the creator and her creations gives the plot a cerebral intensity ... Nasreen distils hard-hitting truth through her lived experiences, transforming her individual predicament to strike a universal chord through her deft storytelling.' -- Somak Ghoshal, Livemint 'My name is Suranjan. You don't recognize me? You wrote a novel about me. It was called Lajja.' One day in Calcutta, Taslima suddenly finds herself face to face with Suranjan, the principal character from her controversial novel Lajja. Persecuted in their native Bangladesh, Suranjan and his family have, like Taslima, moved to the city across the border. But is life for a Hindu family from an Islamic nation any better in a country where a majority of the population happens to be Hindu? Leading poor, unmoored lives, exploited and frustrated at every step of the way, and always carrying with them the memories of a scarred communal history, Suranjan and so many others like him seem to lead incomplete lives in their so-called 'safe haven'. Shameless, the explosive sequel to Lajja, is an uncompromising, heart-breaking look at ordinary people's lives in our troubled times.

Drawing together a unique combination of authors that have researched the Gulf Cooperation Council (GCC) in general, and the state of Qatar specifically, each author provides an in-depth empirical analysis of Qatar's current social, political, and economic landscape against a historically informed backdrop. Cognizant of its rapid state of flux, the contributors collectively provide a comprehensive overview of the intersection of these respective areas, delving into the historical creation of Qatar as a state, its politics and systems of governance, its economic strata and reliance on natural resources, its society and national identity, its new and thriving sports culture, and, most topically, matters of diplomacy, the 2017 blockade, and its armed forces. Owing to the contributors' invaluable firsthand experience and knowledge of Qatar, this book provides valuable insights into this nation, at once old and new, and its intertwined trajectories in its socio-political and economic positionality within the region. This book is an invaluable resource for students and scholars researching the Middle East generally, and the Gulf, specifically, with interests in topics such as politics and international relations, political economy and foreign policy,

development, sources of social change, societal activism, popular culture, and the various elements of identity. Consumer Psychology in Tourism and Hospitality Ying Qu,Xingyang Lv,Ganghua Chen,Guanghui Qiao,Shuangyu Xu,2023-06-30

Jasmine and Fire Salma Abdelnour,2012-06-05 As Beirut exploded with the bombs and violence of a ruthless civil war in the '80s, a nine-year-old Salma Abdelnour and her family fled Lebanon to start a new life in the States. Ever since then—even as she built a thriving career as a food and travel writer in New York City—Salma has had a hunch that Beirut was still her home. She kept dreaming of moving back—and finally decided to do it. But could she resume her life in Beirut, so many years after her family moved away? Could she, or anyone for that matter, ever really go home again? *Jasmine and Fire* is Salma’s poignant and humorous journey of trying to resettle in Beirut and fumbling through the new realities of life in one of the world’s most complex, legendary, ever-vibrant, ever-troubled cities. What’s more, in a year of roiling changes around the Middle East and the rise of the Arab Spring, Salma found herself in the midst of the turmoil. As she comes to grips with all the changes in her life—a love left behind in New York and new relationships blossoming in Beirut—Salma takes comfort in some of Lebanon’s enduring traditions, particularly its extraordinary food culture. Through the sights, sounds, and flavors of a city full of beauty, tragedy, despair, and hope, Salma slowly begins to reconnect with the place she’s longed for her entire life.
