TOO LATE TO RIGHT A WRONG? Throughout Southern
India, eighty-six villages are set to completely
submerge due to a government-sanctioned dam across
the Krishna river. One such village, Nilgi, has so
far avoided the illegal iron-ore mining and floods
that have ravaged the district for decades,
believing itself to be indestructible and
incorruptible despite warnings of impending doom.
With whole mountains disappearing from the mining
around Nilgi over time, the threat of a flood
submerging the entire village is imminent. One
night, Reshma, a young orphan girl, appears alone
in the village. The villagers take her to Raj
Nayak—the patriarch of Nilgi’s leading family who
has been spearheading anti-dam movements. For
years he’s been lobbying the corrupt government
for fair compensation to the people who will lose
their livelihoods and property to the mines and
the flood. But Reshma’s presence, and the mystery
of her origins, sets off a chain of events
threatening the protests, the family, and Nilgi
itself. Soon, secrets and corruption flood the
village along with the waters.

Abundance, A Novel of Marie Antoinette Sena Jeter Naslund, 2006-10-03 From the author of *Ahab's Wife* and *Four Spirits* comes her most astonishing work yet--a portrait of a young queen called Marie Antoinette.

Adam & Eve Sena Jeter Naslund, 2010-09-28 "This thriller is rich in brilliant discourses on religion, fanaticism, the meaning of ancient cave art, the speculative future, and love." —Library Journal Sena Jeter Naslund, the New York Times bestselling author of *Ahab's Wife*, *Four Spirits*,

and Abundance explores both the dark nature of fundamentalism and the brightness of true faith in her dazzling novel, *Adam & Eve*. A provocative, eloquent, and deeply compelling story of a woman caught between two warring worlds—science and religion—*Adam & Eve* raises timely questions about identity, innocence, and sin, and represents a new literary high-water mark for New York Times Notable author and Harper Lee Award-winner Naslund.

The Dashing Ladies of Shiv Sena Tarini Bedi, 2016-03-23 Explores the activities and political personas of women activists in Shiv Sena, a militant Indian political party. Rich in detail, this book tells the stories of women of Shiv Sena (Shivaji's Army), a militant political party in Western India. It provides insight into the political networks powered by lower-level women politicians in postcolonial, globalizing cities and on their margins. Based on more than ten years of in-depth ethnographic fieldwork with the women of Shiv Sena, the work shows how women political activists in urbanizing India conjure

political authority through the inventive, dangerous, and transgressive political personas known as "dashing ladies." Tarini Bedi develops a feminist theory of brokerage politics, arguing that political grids where women employ political, symbolic, and material resources through the political system may be seen as channels of what can be termed "political matronage." Tarini Bedi is Assistant Professor of Anthropology at the University of Illinois at Chicago.

Inspired by a brief passage in Moby-Dick, Sena Jeter Naslund has created an enthralling and compellingly readable saga, spanning a rich, eventful, and dramatic life. At once a family drama, a romantic adventure, and a portrait of a real and loving marriage, Ahab's Wife gives new perspective on the American experience. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

Parasite Eve Hideaki Sena, 2016-02-02 When Dr. Nagashima loses his wife in a mysterious car crash, he is overwhelmed with grief but also an eerie sense of purpose; he becomes obsessed with reincarnating his dead wife. Her donated kidney is transplanted into a young girl with a debilitating disorder, but the doctor also feels compelled to keep a small sample of her liver in his laboratory. When these cells start mutating

rapidly, a consciousness bent on determining its own fate awakens, bent on becoming the new dominant species on earth. Parasite Eve was the basis of the hugely popular videogame of the same name in the U.S. and has been cinematized in Japan.

Four Spirits Sena Jeter Naslund, 2009-03-17 Weaving together the lives of blacks and whites, racists and civil rights advocates, and the events of peaceful protest and violent repression, Sena Jeter Naslund creates a tapestry of American social transformation at once intimate and epic. In Birmingham, Alabama, twenty-year-old Stella Silver, an idealistic white college student, is sent reeling off her measured path by events of 1963. Combining political activism with single parenting and night-school teaching, African American Christine Taylor discovers she must heal her own bruised heart to actualize meaningful social change. Inspired by the courage and commitment of the civil rights movement, the child Edmund Powers embodies hope for future change. In this novel of maturation and growth, Naslund makes vital the intersection of spiritual, political, and moral forces that have redefined America.

Fountain of St. James Court; or, Portrait of the Artist as an Old Woman The Sena Jeter

Naslund, 2013-09-17 New York Times bestselling author Sena Jeter Naslund explores the artistic processes and lives of creative women in her groundbreaking literary opus *The Fountain of St. James Court; or Portrait of the Artist as an Old Woman*. Sena Jeter Naslund's inspiring novel-within-a-novel depicts the lives of both a fictional contemporary writer and a historic painter whose works now hang in the great museums of Europe and America. The story opens at midnight beside a beautifully illumined fountain of Venus Rising from the Sea. Kathryn Callaghan has just finished her novel about painter Élisabeth Vigée-LeBrun, a survivor of the French Revolution hated for her sympathetic portraits of Marie Antoinette. Though still haunted by the story she has written, Kathryn must leave the eighteenth-century European world she has researched and made vivid in order to return to her own life as an American in 2012. Naslund's spellbinding new novel presents the reader with an alternate version of *The Artist*: a woman of age who has created for herself, against enormous odds, a fulfilling life of thoroughly realized achievement.

The Heart And The Fist Eric Greitens, 2011-03-18
THE HEART AND THE FIST shares one man's story of extraordinary leadership and service as both a humanitarian and a warrior. In a life lived at the raw edges of the human experience, Greitens has seen what can be accomplished when compassion and courage come together in meaningful service. As a Rhodes Scholar and Navy SEAL, Greitens worked

alongside volunteers who taught art to street children in Bolivia and led US Marines who hunted terrorists in Iraq. He's learned from nuns who fed the destitute in one of Mother Teresa's homes for the dying in India, from aid workers who healed orphaned children in Rwanda, and from Navy SEALs who fought in Afghanistan. He excelled at the hardest military training in the world, and today he works with severely wounded and disabled veterans who are rebuilding their lives as community leaders at home. Greitens offers each of us a new way of thinking about living a meaningful life. We learn that to win any war, even those we wage against ourselves; to create and obtain lasting peace; to save a life; and even, simply to live with purpose requires us—every one of us—to be both good and strong.

Sherlock in Love Sena Jeter Naslund, 2001-05-08
How did Sherlock Holmes come into possession of a true Stardivarius? Who was the one true love of the great detective's life? And what shattering disappointment left the detective with feelings of overwhelming melancholy? As Holme's great friend, Dr. Watson, sets out to answer these questions and recount the thrilling lost adventure of Holmes's attempt to rescue the love of his life from a mad King Ludwig of Bavaria, his own life is threatened by a figure in a familiar Inverness coat and deerstalker cap. In this extraordinary novel, Sena Jeter Naslund, author of the critically acclaimed national bestseller Ahab's Wife, brilliantly reweaves the colorfully cryptic, fog-enshrouded world of Sherlock in Love is at once a rewarding entertainment and a remarkable homage to the

greatest sleuth in literature.
