Tim Meyer, Chad Scanlon, Pete Draper

Wormwood Chad Lutzke, Tim Meyer, 2020-12-16 For some kids, Long Lake, Georgia is home. But for fourteen-year-old Baker Gray, it's just another stop, another town in another state. Because of his mother's nomadic lifestyle, he's never had a best friend, never kissed a girl, and he's certainly never met anyone like Cassandra Larsson—the enigmatic, older girl whose idea of fun blurs the line between right and wrong. Being hopelessly led by emotions he's never felt, Baker finds himself plodding along dark paths paved by the girl he thinks he may love—a road to self-destruction, where vigilante justice is encouraged and bloodshed is an art form.

Dead Daughters Tim Meyer, 2022-04-18 Drew Lowery is living the American Dream. He has the perfect family, a stable job, and a beautiful home in the suburbs of central New Jersey. Things can't get much better. But what seems like the ideal life is suddenly upended when he receives a blank envelope in the mail. Inside lies a picture of his daughter, a photograph of her violent murder. Only it can't be her. He just tucked her in and kissed her goodnight ten minutes ago. But the mysterious Polaroid is only the beginning. There's the van following his daughter to school. The man she sees outside her window late at night. The fact someone entered her room while the Lowerys slept peacefully. Local authorities are clueless. No leads, no clues, and ultimately—no answers. Drew launches his own investigation, falling into a hole of lies and deceit, a truth he never saw coming. *Dead Daughters* is the new twisted thriller

from Tim Meyer, author of *The Switch House* and *Kill Hill Carnage*.

Limbs: A Love Story Tim Meyer, 2019-02-08 I am not a monster. Ray Bridges, a professional electronics salesman, is looking for love in all the strange places. He spends most nights sneaking into support group meetings for the disabled in order to satisfy his deepest, darkest desires—to hook up with unfortunate, down-on-their-luck women who've recently lost a limb. There's a name for Ray's preference; it's called acrotomophilia, a paraphilia involving amputees. Conflicted, Ray wishes he could change. But he can't. His body won't let him. Nor will his mind. He's destined to live this life, forever. That is . . . until he meets the perfect girl. Falls in love with her. Only problem: her arms and legs are attached. Unable to find her attractive, Ray embarks on a dark, twisted journey of self-discovery, one that will force him to make an impossible choice: abandon his pursuit of true love or find a way to make it work, even if that means getting the girl of his dreams to shed an appendage. Weird, comedic, and often raunchy, *Limbs* is the craziest love story ever told.

Lords of the Deep Tim Meyer, Patrick Lacey, 2019-03-21 Welcome to historic Lea Bay, home of maritime lore and the region's most popular pirate festival. the death of her husband, Daphne Jordan is thrust into a series of bizarre events leading up to the big celebration. Lea Bay locals have been reporting strange incidents. Green mist. Joined by her brother-in-law and a local police officer, Daphne must solve the mystery before whatever is swimming beneath the shore surfaces for all eternity. Before the Lords of the Deep resurrect their long-dormant leader upon the Bay-and the world.

Alpha Lance Isaac Stone, Sean-Michael Argo, 2021-02-17 Heroic pilots must rely on their psychic gifts, archaic swordsmanship, and advanced combat training to survive deep space dogfights and bloody close quarters melee. They step up to defend the universe, and then come back to a harem

of beautiful women, if they survive. Pretty good deal for a couple of top gun starfighter jocks. Corwin and Tank are fighter pilots who serve the United Democracies Federation aboard the battleship Hard Rain. They are among the few pilots in the UDF who possess the physical stamina and psychic talent required to fly missions in the deadly three hundred and sixty degree battlefield of deep space. The Hard Rain is one of several battleships that are brought on as part of task force Alpha Lance. Their mission is to push back against the Roka, a militarized political insurrection, that has infested one of the UDF systems. Corwin and Tank have to give it their all as they shoot down enemy starfighters, bed beautiful women, and cross swords with fanatics in this rough and tumble intergalactic adventure.

Jedi Summer with the Magnetic Kid John Boden, 2020-07-23 John Boden's highly-praised coming-of-age novella returns!

Wolf Mountain Isaac Stone, Timothy Mayer, 2017-05 Indiana Jones meets Ready Player One Vince is a down and out millennial with an advanced degree in Archaeology and an endless parade of dead end jobs. Crushed by student loan debt and bills he is barely making ends meet, and his one source of

relief is gaming. Vince gets a mysterious job offer from a gaming company to be a beta tester for their new full immersion virtual reality system. He doesn't understand why they chose him over literally anyone else on the planet, and is suspicious that he got the offer on the same day he got fired, but he's flat broke. Besides, who wouldn't want to get paid to play? Soon Vince finds himself taking the role of a treasure hunter immersed in a 1920's pulp adventure filled with deadly bootleggers, spooky caves, lost airships, and a beautiful spear hurling girl who was raised by wolves. It doesn't take long for Vince to realize something fishy is going on, and there's more to this game than meets the eye. He must make his way from plot cache to plot cache as he searches for lost jewels, the truth about the game, and enough ammunition to keep the tommy gun barking.

Missing Person Sarah Lotz, 2019-09-03 From acclaimed thriller writer Sarah Lotz, hailed by Stephen King as vastly entertaining, a new novel about a group of amateur detectives infiltrated by the sadistic killer whose crimes they're investigating. Reclusive bookseller Shaun Ryan has always believed that his uncle Teddy died in a car accident twenty years ago. Then he learns the truth: Teddy fled his home in Catholic, deeply conservative County Wicklow, Ireland, for New York and hasn't been heard from since. None of Shaun's relatives will reveal why they lied about his uncle's death or why they want Shaun to leave the whole affair alone. But Shaun has a burning need to find out the truth. His search is unsuccessful

until he's contacted by Chris Guzman, a woman who runs a website dedicated to matching missing-persons cases with unidentified bodies. Chris and her team of cold-case obsessives suspect that Shaun is looking for the Boy in the Dress, one victim in a series of gay men murdered by the same killer. But who are these internet fanatics really, and how do they know so much about a case that has stumped police for decades? Soon armchair sleuths and professional investigators are on a collision course with a sadistic serial killer who's gotten away with his crimes for far too long - and now they're in his sights.

The Stolen Ones Richard Montanari, 2014-02-25 In Richard Montanari's chilling new suspense novel, a sealed-off network of secret passages connects all of Philadelphia to the killer hidden within. Luther Wade grew up in Cold River, a warehouse for the criminally insane. Two decades ago the hospital closed its doors forever, but Luther never left. He wanders the catacombs beneath the city, channeling the violent dreams of Eduard Kross, Europe's most prolific serial killer of the 20th century. A two-year-old girl is found wandering the streets of Philadelphia in the middle of the night by detectives Kevin Byrne and Jessica Balzano. She does not speak, but she may hold the key to solving a string of murders committed in and around Priory Park. As the detectives investigate, more bodies are found at Priory Park, and they're drawn closer and closer to the doors of Luther's devious maze and the dark secrets of Cold River.

Out Behind the Barn Chad Lutzke, 2018-09-27 The boys crept to the window and watched as Miss Maggie carried the long bundle into the barn, the weight of it stooping her aging back. Rafter lights spilled from the barn doors and Davey saw an arm fall from the canvas-wrapped parcel. He smiled. She got someone! Both children grinned and settled in their beds, eyes fixed to the ceiling. This was family growth. Boden and Lutzke weave heartache and a backwoods tale as easily as telling a story around a campfire, delivered in an incredible voice. ~Robert Ford, author of *BORDERLANDS* Poetic, unnerving, and heartbreaking. The partnership between Boden and Lutzke yields the kind of story that leaves you aching and unsettled. Long after finishing, I couldn't stop thinking about Maggie, her boys, and what happens out behind the barn. ~ Kristi DeMeester, Author of *BENEATH* Lawdy mercy. This story was amazing. There's something magical and sad about it. I dig it a lot. ~ Michelle Garza (half of the Sisters of Slaughter) authors of *MAYAN BLUE & THOSE WHO FOLLOW*

Dead Inside Chandler Morrison, 2020-03-31 A young hospital security guard with a disturbingly unique taste in women. A maternity doctor with a horrifically unusual appetite. When the two of them meet, they embark on a journey of self-discovery while shattering societal norms and engaging in destructively aberrant behavior. As

they unwittingly help each other understand a world in which neither seems to belong, they begin to realize what it truly means to be alive...And that it might not always a good thing.

My Pretties Jeff Strand, 2019-06-06 A novel of terror from the Bram Stoker Award-nominated author of *PRESSURE*. A serial kidnapper is preying upon women. He abducts them, then locks them in one of the cages dangling from the ceiling in a soundproofed basement. There, he sits quietly and just watches them, returning night after night, hoping he'll be in the room at the moment his beautiful captives finally starve to death. Charlene and Gertie have become fast friends at the restaurant where they work. But Charlene is concerned when she hears how her co-worker spends her evenings: Gertie's cousin is one of the missing, and Gertie wanders the city streets where many of the abductions took place, using herself as bait with a high-voltage stun gun in her pocket. Charlene reluctantly offers to trail her in a car, just in case she does lure the kidnapper and things go wrong. Unfortunately, the women find themselves the source of unwanted fame. And now they're on the radar of a very, very dangerous man...
