Tommy Rattigan

There There Tommy Orange, 2018-06-05 PULITZER PRIZE FINALIST • NATIONAL BESTSELLER

• A wondrous and shattering award-winning novel that follows twelve characters from Native communities: all traveling to the Big Oakland Powwow, all connected to one another in ways they may not yet realize. A contemporary classic, this “astonishing literary debut” (Margaret Atwood, bestselling author of *The Handmaid’s Tale*) “places Native American voices front and center” (NPR/Fresh Air). One of *The Atlantic’s* Great American Novels of the Past 100 Years Among them is Jacquie Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle’s death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. They converge and collide on one fateful day at the Big Oakland Powwow and together this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism A book with “so much jangling energy and brings so much news from a distinct corner of American life that it’s a revelation” (*The New York Times*). It is fierce, funny, suspenseful, and impossible to put down--full of poetry and rage, exploding onto the page with urgency and force. *There There* is at once poignant and unflinching, utterly contemporary and truly unforgettable. Don't miss Tommy Orange's new book, *Wandering Stars*!

The Death and Life of the Great Lakes Dan Egan, 2017-03-07 New York Times Bestseller Winner of the Los Angeles Times Book Prize Winner of the J. Anthony Lukas Award Nimble splices together history, science, reporting and personal experiences into a taut and cautiously hopeful narrative.... Egan’s book is bursting with life (and yes, death). —Robert Moor, *New York Times Book Review* The Great Lakes—Erie, Huron, Michigan, Ontario, and Superior—hold 20 percent of the world’s supply of surface fresh water and provide sustenance, work, and recreation for tens of millions of Americans. But they are under threat as never before, and their problems are spreading across the continent. *The Death and Life of the Great Lakes* is prize-winning reporter Dan Egan’s compulsively readable portrait of an ecological catastrophe happening right before our eyes, blending the epic story of the lakes with an examination of the perils they face and the ways we can restore and preserve them for generations to come.

Tommy Tommy George Thompson, Doug Moe, 2018 A reflective and entertaining memoir by a master of politics. Thompson, a four-time Wisconsin governor and a cabinet secretary, speaks candidly of his achievements and regrets, including his involvement with welfare reform, school choice, land conservancy, prisons, health insurance, and stem cell research.

The Elephant in the Room Tommy Tomlinson, 2020-01-14 ONE OF NPR’S BEST BOOKS OF 2019 A “warm and funny and honest...genuinely unputdownable” (Curtis Sittenfeld) memoir chronicling what it’s like to live in today’s world as a fat man, from acclaimed journalist Tommy Tomlinson, who, as he neared the age of fifty, weighed 460 pounds and decided he had to change his life. When he was almost fifty years old, Tommy Tomlinson weighed an astonishing—and dangerous—460 pounds, at risk for heart disease, diabetes, and stroke, unable to climb a flight of stairs without having to catch his breath, or travel on an airplane without buying two seats. Raised in a family that loved food, he had been aware of the problem for years, seeing doctors and trying diets from the time he was a preteen. But nothing worked, and every time he tried to make a change, it didn’t go the way he planned—in fact, he wasn’t sure that he really wanted to change. In *The Elephant in the Room*, Tomlinson chronicles his lifelong battle with weight in a voice that combines the urgency of Roxane Gay’s *Hunger* with the intimacy of Rick Bragg’s *All Over but the Shoutin’*. He also hits the road to meet other members of the plus-sized tribe in an attempt to

understand how, as a nation, we got to this point. From buying a Fitbit and setting exercise goals to contemplating the Heart Attack Grill in Las Vegas, America's "capital of food porn," and modifying his own diet, Tomlinson brings us along on a candid and sometimes brutal look at the everyday experience of being constantly aware of your size. Over the course of the book, he confronts these issues head-on and chronicles the practical steps he has to take to lose weight by the end. "What could have been a wallow in memoir self-pity is raised to art by Tomlinson's wit and prose" (Rolling Stone). Affecting and searingly honest, *The Elephant in the Room* is an "inspirational" (The New York Times) memoir that will resonate with anyone who has grappled with addiction, shame, or self-consciousness. "Add this to your reading list ASAP" (Charlotte Magazine).

We All Looked Up Tommy Wallach, 2015-03-24 The lives of four high school seniors intersect weeks before a meteor is set to pass through Earth's orbit, with a 66.6% chance of striking and destroying all life on the planet. Simultaneous eBook.

Thanks for the Trouble Tommy Wallach, 2016-02-23 A unique story about first—and last—loves from the celebrated and bestselling author of *We All Looked Up*. Parker Santé hasn't spoken a word in five years. While his classmates plan for bright futures, he skips school to hang out in hotels, killing time by watching the guests. But when he meets a silver-haired girl named Zelda Toth, a girl who claims to be quite a bit older than she looks, he'll discover there just might be a few things left worth living for.

Tommy's Last Stand Nancy Krulik, Thompson Bros, 1999 When Tommy's parents decide the family needs to move to a bigger house, Tommy and his friends formulate plans to keep the Pickles' home from being sold.

Let the Great World Spin Colum McCann, 2009-06-23 NATIONAL BOOK AWARD WINNER • Colum McCann's beloved novel inspired by Philippe Petit's daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become extraordinary in bestselling novelist Colum McCann's stunningly intricate portrait of a city and its people. *Let the Great World Spin* is the critically acclaimed author's most ambitious novel yet: a dazzlingly rich vision of the pain, loveliness, mystery, and promise of New York City in the 1970s. Corrigan, a radical young Irish monk, struggles with his own demons as he lives among the prostitutes in the middle of the burning Bronx. A group of mothers gather in a Park Avenue apartment to mourn their sons who died in Vietnam, only to discover just how much divides them even in grief. A young artist finds herself at the scene of a hit-and-run that sends her own life careening sideways. Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenage daughter, determined not only to take care of her family but to prove her own worth. Elegantly weaving together these and other seemingly disparate lives, McCann's powerful allegory comes alive in the unforgettable voices of the city's people, unexpectedly drawn together by hope, beauty, and the "artistic crime of the century." A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a "fiercely original talent" (San Francisco Chronicle), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. **BONUS:** This edition includes an excerpt from Colum McCann's *TransAtlantic*. "This is a gorgeous book, multilayered and deeply felt, and it's a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. There's so much passion and humor

and pure life force on every page of *Let the Great World Spin* that you'll find yourself giddy, dizzy, overwhelmed."—Dave Eggers "Stunning . . . [an] elegiac glimpse of hope . . . It's a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it's a novel about families—the ones we're born into and the ones we make for ourselves."—USA Today

Tommy Can't Stop! Tim Federle, 2015-04-04 Tommy bounces, and he leaps. Tommy clomps, and he bulldozes. Nothing tires Tommy out, and his family can't keep up! But then his sister has an idea: could tap class be just right for Tommy? This exuberant picture book, written by Broadway dancer Tim Federle, with illustrations by Mark Fearing, stars one very energetic kid who finally finds his place in the spotlight. Follow along with word-for-word narration.

Tommyland Tommy Lee, 2009-10-13 I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

The Real Us Tommy Greenwald, 2017-08-08 Havoc ensues when the prettiest girl in school gets a pimple in this humorous and heartwarming novel about friendship and identity.

The Pleasure Was Mine Tommy Hays, 2007-04-01 Prate Marshbanks proposed to his future wife on a muggy July night at Pete's Drive-in back in '52. She said yes to me between bites of a slaw burger all-the-way. A college graduate and daughter of a prominent lawyer, Irene was an unlikely match for Prate, a high school dropout. He lived his married life aware of the question on people's minds: How in the world did a tall, thin, fair-skinned beauty and one of the most respected high school English teachers in all of Greenville County, in all of South Carolina for that matter, wind up married to a short, dark, fat-faced, jug-eared house painter? That their marriage not only survived for fifty years, but flourished, is a source of constant wonder to Prate. Now he faces a new challenge with Irene. From the author of *In The Family Way*, a novel the Atlanta Constitution called an instant classic and the Charlotte Observer praised as a lovely, moving book, comes a powerful story of hard-earned hope. *The Pleasure Was Mine* takes place during a critical summer in the life of Prate Marshbanks, when he retires to care for his wife, who is gradually slipping away. To complicate things, Prate's son, Newell, a recently widowed single father, asks Prate to keep nine-year-old Jackson for the summer. Though Prate is irritated by the presence of his

moody grandson, during the summer Jackson helps tend his grandmother, and grandfather and grandson form a bond. As Irene's memory fades, Prate, a hardworking man who has kept to himself most of his life, has little choice but to get to know his family. With elegance and skillful economy of language, Tommy Hays renders an unforgettable character in Prate Marshbanks. *The Pleasure Was Mine* is at once a quietly wrenching portrayal of grief, a magical and romantic story about the power of love, and an unexpectedly moving take on the resilience of family.

The Last Town on Earth Thomas Mullen, 2010-07-29 Set against the dual backdrop of World War I and the devastating 1918 influenza epidemic, 'The Last Town On Earth' is a brilliantly drawn tale of morality and patriotism in a time of upheaval.

1963 Tommy Rattigan, 2017 A raw and often funny snapshot of 7-year-old Tommy's brutal young life amid the derelict terraced houses of Manchester's Hulme. This is one boy's year of adventure, abuse, crippling poverty and encounters with the welfare officers, the nuns, the police - and The Moors Murderers.

The I Chong Tommy Chong, 2007-06-05 Comedian and cultural icon Chong's insightful personal memoir, inspired by his time in prison, reveals how his spiritual outlook on life and unique point of view helped him survive and emerge more determined.

Game Changer Tommy Greenwald, 2018-09-11 A mysterious football accident sends a high school reeling in this award-winning multimedia-format novel from Tommy Greenwald. Thirteen-year-old Teddy Youngblood is in a coma, fighting for his life after an unspecified football injury at training camp. His family and friends flock to his bedside to support his recovery—and to discuss the events leading up to the tragic accident. Was this the inevitable result of playing a violent sport, or did something more sinister happen on the field that day? Told in an innovative multimedia format combining dialogue, texts, newspaper articles, interview transcripts, an online forum, and Teddy's inner thoughts, *Game Changer* explores the joyous thrills and terrifying risks of America's most popular sport.

Little Failure Gary Shteyngart, 2014-01-07 NEW YORK TIMES BESTSELLER • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY MICHIKO KAKUTANI, THE NEW YORK TIMES • NAMED ONE OF THE TEN BEST NONFICTION BOOKS OF THE YEAR BY TIME NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MORE THAN 45 PUBLICATIONS, INCLUDING The New York Times Book Review • The Washington Post • NPR • The New Yorker • San Francisco Chronicle • The Economist • The Atlantic • Newsday • Salon • St. Louis Post-Dispatch • The Guardian • Esquire (UK) • GQ (UK) *Little Failure* is the all too true story of an immigrant family betting its future on America, as told by a lifelong misfit who finally finds a place for himself in the world through books and words. In 1979, a little boy dragging a ginormous fur hat and an overcoat made from the skin of some Soviet woodland creature steps off the plane at New York's JFK International Airport and into his new American life. His troubles are just beginning. For the former Igor Shteyngart, coming to the United States from the Soviet Union is like stumbling off a monochromatic cliff and landing in a pool of Technicolor. Careening between his Soviet home life and his American aspirations, he finds himself living in two contradictory worlds, wishing for a real home in one. He becomes so strange to his parents that his mother stops bickering with his father long enough to coin the phrase failurchka—"little failure"—which she applies to her once-promising son. With affection. Mostly. From the terrors of Hebrew School to a crash course in first love to a return visit to the homeland that is no longer home, Gary Shteyngart has crafted a ruthlessly brave and funny memoir of searching for every kind of love—family, romantic, and of the self. **BONUS:** This edition includes a reading group guide. Praise for

Little Failure “Hilarious and moving . . . The army of readers who love Gary Shteyngart is about to get bigger.”—The New York Times Book Review “A memoir for the ages . . . brilliant and unflinching.”—Mary Karr “Dazzling . . . a rich, nuanced memoir . . . It’s an immigrant story, a coming-of-age story, a becoming-a-writer story, and a becoming-a-mensch story, and in all these ways it is, unambivalently, a success.”—Meg Wolitzer, NPR “Literary gold . . . [a] bruisingly funny memoir.”—Vogue “A giant success.”—Entertainment Weekly

Before You Go Tommy Butler, 2020-08-11 “Hats off to that brave soul daring to write what might be called speculative literary fiction, and willing to venture answers to questions beyond even those of life & death. Tommy Butler’s debut novel *Before You Go* has a big beating heart and a mind all its own.” — Joshua Ferris, author of *The Dinner Party* and *Then We Came to the End* A big, rich, life-affirming debut that explores the most perplexing questions of existence: purpose, the pain of loneliness, the desire for happiness, and the price we pay as we search for fulfillment. In the *Before*, humankind is created with a hole in its heart, the designers not realizing their mistake—if it was a mistake—until too late. Elliot Chance is just a boy, and knows nothing of this. All he knows is that he doesn’t feel at home in this world, and his desire for escape becomes more urgent as he grows into adulthood, where the turbulence of life seems to offer no cure for the emptiness. Desperate and lost, he stumbles upon a support group on the edge of Manhattan. There he meets two other drifting souls—Sasha, a young woman who leaves coded messages in the copy she writes for advertising campaigns, and Bannor, whose detailed depictions of the future make Elliot think he may have actually been there. With these two unlikely allies, Elliot launches into the business of life, determined to be happy in spite of himself. Yet the hole in the heart is not so easily filled. Profound yet playful, *Before You Go* is a beautiful, imaginative journey into the ache and wonder of being human, and the quest for a meaningful life.

Tommy Gun Bill Yenne, 2009-10-13 A military and cultural history of the infamous World War II firearm documents its notorious use by mobsters and NRA members as well as its ubiquitous presence in Hollywood films, charting its many names and role as a symbol of 20th-century culture.

Living in Color: What's Funny About Me Tommy Davidson, Tom Teicholz, 2020-01-28 In 1990, Tommy Davidson burst onto the scene in the Emmy Award-winning show *In Living Color*, a pioneering sketch comedy show, featuring a multi-racial cast of actors and dancers who spoke to an underrepresented new generation created by Hip Hop Nation. A story of black excellence, in this revealing memoir, Tommy shares his unique perspective on making it in Hollywood, being an integral part of television history, on fame and family, and on living a life that has never been black and white—just funny and true . . . Abandoned as an infant on the streets of Greenville, Mississippi, and rescued by a loving white family, Tommy Davidson spent most of his childhood unaware that he was different from his brother and sister. All that changed as he came of age in a society of racial barriers—ones that he was soon to help break. On a fledgling network, Tommy joined the cast of *In Living Color*, alongside other relative newcomers including Jim Carrey, Rosie Perez, Jamie Foxx and Jennifer Lopez—all united by an ingenious throng of Wayans siblings (Keenen, Damon, Kim, Shawn, and Marlon), poised to break new ground. Now Tommy gives readers the never-before-told behind-the-scenes story of the first show born of the Hip Hop Nation: from its incredible rise, to his own creation of such unforgettable characters as Sweet Tooth Jones and dead-on impressions of Sammy Davis, Jr., Michael Jackson, M.C. Hammer and Sugar Ray Leonard, and appearing in such classic sketches as “Homie The Clown,” the “Hey Mon, family,” and the unforgettable “Ugly Woman,” through guest-star skirmishes (and black eyes) to backstage tensions and the eventual fall of this pop-culture touchstone. He reveals his own nascent career on the stand-up circuit with Adam Sandler,

Jerry Seinfeld, Louie Anderson and performing with Eddie Murphy and Richard Pryor, as well as reflections on working with Spike Lee, Halle Berry, Sam Jackson, Chris Rock and Jada Pinkett Smith. And he also shares his very personal story of living with—and being inspired and empowered by—two distinct family histories. Told with humor and hard-won honesty by a singular voice whose family and friendships help him navigate a life of personal and professional highs and lows, *Living in Color* is a bracing, illuminating, and remarkable success story. An homage to the groundbreaking series *In Living Color* was featured in Bruno Mars's music video for his hit song *Finesse*, a remixed collaboration with Cardi B. It was a loving tribute that exemplified the sustained cultural impact of the show, and now 90s kids can dig into their nostalgia through this humorous memoir of one of its stars!

If you ally habit such a referred **Authortommmmy** books that will come up with the money for you worth, acquire the no question best seller from us currently from several preferred authors.
