Wilfred Whiteley

Borrowed Goods Nell Christianson, 2014-11-03 An exploration of spiritual growth and untapped potential blending personal history, heartfelt insights, biblical analysis, and a great deal of humor. In this inspirational work, Nell Christianson reminds us that everything we possess—our strengths, our intelligence, and our worldly goods—comes directly from God, and if we utilize our talents, our lives will have eternal purpose. She builds much of her discussion around Matthew 25: 14-30, the Parable of the Talents, and challenges us to make good choices and use our gifts and talents wisely. The book speaks of reward and responsibility. *Borrowed Goods* takes you on a prodigal's journey aboard a cruise ship called "Earth." As a passenger you arrive at your final destination to meet a loving God who wants a personal relationship with you. And God, a righteous Judge, requires accountability when you dock on the other shore. "Read this to your benefit. Learn to deal with life without casting blame or excuses. In these pages, you will find yourself on every page—and be pointed to the only One who can get you through, the Lord Jesus Christ."—Dr. Jimmy & Carol Ann Draper, president emeritus of LifeWay & his wife "One of the best books I have ever read . . . I believe *Borrowed Goods* will touch the heart of every reader. It will be a wonderful Bible study for small groups. Reading it gave me a new vision for prayer in my life."—Sandy Weeks, president, Stuffing Strut, Inc.

Computer Music: a Directory to Current Work ,1976

The Swahili Derek Nurse, Thomas Spear, 2017-06-10 As an introduction to how the history of an African society can be reconstructed from largely nonliterate sources, and to the Swahili in particular, . . . a model work.—*International Journal of African Historical Studies*

African Language Literatures Albert S. Gérard, 1981

Swahili Poetry Lyndon Harries, 1962

Swahili Wilfred Whiteley, 2023-12-20 Originally published in 1969, this book examines the factors which at different historical periods led people to use one language (Swahili) rather than another, or within a given period, to use a particular language in one set of circumstances. The national language of Tanzania and much of East Africa, Swahili is unique among African languages in its verse literature, which dates back to the 18th Century and was written in the Arabic script. This book traces the remarkable expansion of Swahili, which was linked with the expansion of trade, missionary activities and the establishment of Colonial administrations and the development of education.

Swahili Culture Jan Knappert, 2005 This two-volume book is a series of essays on the culture of the people who live on the east coast of Africa between the border of Somalia in the north and the Mozambique border in the south. The term 'culture' is to be taken in the widest sense. It includes ways of earning a livelihood, pastimes, sailing and other occupations as well as religion. Obviously not all aspects of culture could be represented in this work, which is the fruit of a lifetime of study. Every chapter in this work is the fruit of the author's own investigation of the East African coastal culture. Students of African Studies and advanced anthropology who read these essays will benefit from this work

Immerse yourself in the artistry of words with *Crafted by is expressive creation*, **Authortwang** . This ebook, presented in a PDF format (*), is a

masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge. Download now to let the beauty of literature and artistry envelop your mind in a unique and expressive way.
