Feline Philosophy John Gray, 2020-11-24 The author of *Straw Dogs*, famous for his provocative critiques of scientific hubris and the delusions of progress and humanism, turns his attention to cats—and what they reveal about humans' torturous relationship to the world and to themselves. The history of philosophy has been a predictably tragic or comical succession of palliatives for human disquiet. Thinkers from Spinoza to Berdyaev have pursued the perennial questions of how to be happy, how to be good, how to be loved, and how to live in a world of change and loss. But perhaps we can learn more from cats—the animal that has most captured our imagination—than from the great thinkers of the world. In *Feline Philosophy*, the philosopher John Gray discovers in cats a way of living that is unburdened by anxiety and self-consciousness, showing how they embody answers to the big questions of love and attachment, mortality, morality, and the Self: Montaigne's house cat,

whose un-examined life may have been the one worth living; Meo, the Vietnam War survivor with an unshakable capacity for fearless joy; and Colette's Saha, the feline heroine of her subversive short story *The Cat*, a parable about the pitfalls of human jealousy. Exploring the nature of cats, and what we can learn from it, Gray offers a profound, thought-provoking meditation on the follies of human exceptionalism and our fundamentally vulnerable and lonely condition. He charts a path toward a life without illusions and delusions, revealing how we can endure both crisis and transformation, and adapt to a changed scene, as cats have always done.

My Favorite Band Does Not Exist Robert T. Jeschonek, 2011-07-11 Sixteen-year-old genius Idea Deity believes that he exists only in the pages of a novel written by a malevolent, omnipotent author . . . and that he will die in chapter 64. Meanwhile, an older teen named Reacher Mirage sings lead vocals for the undercover rock band Youforia . . . a band that exists in Idea's world only as an Internet hoax that Idea himself perpetuated. Then there's beautiful and mysterious Eunice Truant, who links their destinies. When Idea and Reacher plunge into the reality of Fireskull's Revenant, the twisted epic fantasy novel they've both been reading, chapter 64 bears down on them like a speeding freight train on an unstoppable collision course. Being trapped in a bad book can be a nightmare. Just ask Idea Deity.
