*First in the Field* George Manville Fenn,2013-11 "I say, don't, Green: let the poor things alone!" "You mind your own business. Oh! bother the old thorns!" Brian Green snatched his hand out of the quickset hedge into which he had thrust it, to reach the rough outside of a nest built by a bird, evidently in the belief that the hawthorn leaves would hide it from sight, and while they were growing the thorns would protect it from mischievous hands. But the leaves opened out slowly that cold spring, and a party of boys from Dr Dunham's school, the Friary, Broadhurst, Kent, was not long in spying out the unlucky parents' attempt at house-building and nursery. Still, the thorns did their duty to some extent when Brian Green of the red head leaped across the big dry ditch, rudely crushing a great clump of primroses and forcing them down the slope, for when the freckled-faced lad thrust his hand in to grasp the nest a sharp prick made him withdraw it, while this action brought it in contact with a natural chevaux de frise, scarified the back, and made a long scratch on his thumb. "I wish you'd keep your tongue inside your teeth, Nic Braydon!" cried the boy fiercely. "You won't be happy till I've given you another licking. Look here what you've made me do!" "I didn't make you do it," said the first speaker. "Why don't you let the birds alone?" "Because, if you please, Miss Braydon," said the bigger lad mincingly, "I'm not so good as you are. Oh dear, no! I'm going to take that nest of young blackbirds because I want them to bring up and keep in a cage. I'm going to transport them to the shed in the playground." The first boy winced sharply at his companion's words, and the four lads present burst into a derisive laugh at his annoyance; but he smothered it down, and said quietly:—"Then you may as well leave them alone, for they're not blackbirds." "Yes, they are, stoopid." "No, they're not." "How do you know?" "Because I found the nest when it was first built, and saw the eggs and the old bird sitting." "Oh, that's it, is it? Oh, I say, isn't he a nice, good little boy? He doesn't want me to take the young birds because he wants to steal them himself."

**Wake of War** Zac Topping,2022-07-19 Zac Topping's breathtaking near-future thriller, *Wake of War*, is a timely account of the lengths those with power will go to preserve it, and the determination of those they exploit to win back their freedom. It's 2037, and the United States government is on the brink of collapse amid rebel uprisings and aggressive political maneuvering turning the country into an active war zone. In a nation where opportunity is sequestered behind doors open only to the privileged, joining the Army seemed like James Trent's best option. He just never thought he'd actually see combat. Now Trent finds himself on the front lines of a second American Civil War, fighting for a cause he's not sure he even believes in. The last thing he wanted was to spend his days breaking down doors and chasing after fellow Americans—rebels or not. Retribution is the only thing driving Sam Cross, and her sharpshooting skills have made her invaluable to the rebel efforts tearing their way across the Midwest. With every successful mission, she's reminded that she's enacting real change, but that hasn't made pulling the trigger any easier. And with each step she takes into the heart of the war effort, she can't help but wonder if there isn't another way. When these opposing forces clash, alliances are shattered, resolve is tested, and when the dust clears, the only certainty is that the country and its fighting forces will never be the same. **Waking Lions** Ayelet Gundar-Goshen,2017-02-28 WINNER OF THE JEWISH QUARTERLY WINGATE PRIZE 10 WOMEN TO WATCH IN 2017--BookPage A New York Times Notable Book of 2017 After one night's deadly mistake, a man will go to any lengths to save his family and his reputation. Neurosurgeon Eitan Green has the perfect life--married to a beautiful police officer and father of two young boys. Then, speeding along a deserted moonlit road after an exhausting hospital shift, he hits someone. Seeing that the man, an African migrant, is beyond help, he flees the scene. **Wake** Rebecca Hall,2021-06-01 A Best Book of 2021 by NPR and The Washington Post Part graphic novel, part memoir, *Wake* is an imaginative tour de force that tells the "powerful" (The New York Times Book Review) story of women-led slave revolts and chronicles scholar Rebecca Hall's efforts to uncover the truth about these women warriors who, until now, have been left out of the

historical record. Women warriors planned and led revolts on slave ships during the Middle Passage. They fought their enslavers throughout the Americas. And then they were erased from history. Wake tells the “riveting” (Angela Y. Davis) story of Dr. Rebecca Hall, a historian, granddaughter of slaves, and a woman haunted by the legacy of slavery. The accepted history of slave revolts has always told her that enslaved women took a back seat. But Rebecca decides to look deeper, and her journey takes her through old court records, slave ship captain’s logs, crumbling correspondence, and even the forensic evidence from the bones of enslaved women from the “negro burying ground” uncovered in Manhattan. She finds women warriors everywhere. Using a “remarkable blend of passion and fact, action and reflection” (NPR), Rebecca constructs the likely pasts of Adono and Alele, women rebels who fought for freedom during the Middle Passage, as well as the stories of women who led slave revolts in Colonial New York. We also follow Rebecca’s own story as the legacy of slavery shapes her life, both during her time as a successful attorney and later as a historian seeking the past that haunts her. Illustrated beautifully in black and white, Wake will take its place alongside classics of the graphic novel genre, like Marjane Satrapi’s *Persepolis* and Art Spiegelman’s *Maus*. This story of a personal and national legacy is a powerful reminder that while the past is gone, we still live in its wake.

**Women and Religion in the African Diaspora** R. Marie Griffith, Barbara Dianne

Savage, 2006-09-22 This landmark collection of newly commissioned essays explores how diverse women of African descent have practiced religion as part of the work of their ordinary and sometimes extraordinary lives. By examining women from North America, the Caribbean, Brazil, and Africa, the contributors identify the patterns that emerge as women, religion, and diaspora intersect, mapping fresh approaches to this emergent field of inquiry. The volume focuses on issues of history, tradition, and the authenticity of African-derived spiritual practices in a variety of contexts, including those where memories of suffering remain fresh and powerful. The contributors discuss matters of power and leadership and of religious expressions outside of institutional settings. The essays study women of Christian denominations, African and Afro-Caribbean traditions, and Islam, addressing their roles as spiritual leaders, artists and musicians, preachers, and participants in bible-study groups. This volume's transnational mixture, along with its use of creative analytical approaches, challenges existing paradigms and summons new models for studying women, religions, and diasporic shiftings across time and space.
