A sense of foreboding hangs in the humid July air. One of the locals, an investment banker, is waiting tables at the Rusty Anchor Bar and Grill. He seems a shell of the man he used to be a hollow man whose fortune and wife are gone. He's tight-lipped about how he came to be a guest in Rufus's little shack behind the bar. Something very sinister is going on—Jesse smells it. He's usually very good at rooting out the source of a problem, but is stumped this time. Until another tight-lipped hollow man shows up.

The Essential Wayne Dyer Collection Wayne W. Dyer, Dr., 2013-09-24 The #1 New York Times best-selling author Wayne Dyer has been inspiring people to change their lives for many years. Now three of his most fascinating books are collected in this single volume: • The Power of Intention details Wayne's research on intention as a force in the universe that allows the act of creation to take place. He explains that it is not something we do, but rather an energy we're a part of. This is the first book to look at intention as a field of energy that we can access to begin co-creating our lives. • Inspiration dissects feelings of emptiness, the idea that there must be something more, and trying to determine the meaning of life . . . all evidence of a yearning to reconnect with our soul space. This book explains

how we've chosen to enter this world of particles and form, and each chapter is filled with specifics for living an inspired life. From a very personal viewpoint, Wayne offers a blueprint through the world of Spirit to inspiration, our ultimate calling. • **Excuses Begone!** reveals how to change the self-defeating thinking patterns that have prevented us from living at the highest levels of success, happiness, and health. Wayne presents many of the conscious and subconscious crutches most of us employ, along with ways to cast them aside once and for all. The old, habituated ways of thinking will melt away as the absurdity of hanging on to them is exposed, and we ultimately come to realize that there are no excuses worth defending—ever. The Essential Wayne Dyer Collection is a must-read for those wanting to explore the power and potential of the human mind, as well as anyone who is finally ready to live the best life possible!

**Your Sacred Self** Wayne W. Dyer, 2009-10-13 The bestselling author of *Your Erroneous Zones*, *Pulling Your Own Strings*, and *Wisdom of the Ages* combines psychological insights and guidelines for achieving spiritual fulfillment to present a three-step program designed to help readers look inside themselves to find a new sense of self-awareness and spiritual joy. Developing the sacred self, Wayne Dyer explains, brings an understanding of our place in the world and a sense of satisfaction in ourselves and others. In *Your Sacred Self*, Dyer offers a program that helps listeners establish a spiritually-oriented, rather than an ego-oriented, approach to life. Step by step, Dyer shows us how to progress from emotional awareness to psychological insight to spiritual alternatives in order to change our experience of life from the need to acquire to a sense of abundance; from a sense of one's self as sinful and inferior to a sense of one's self as divine; from a need to achieve and acquire to an awareness that detachment and letting go bring freedom. *Your Sacred Self* is an inspiring, hopeful, illuminating guide that can help everyone live a happier, richer, more meaningful life.

**The Mystery of Right and Wrong** Wayne Johnston, 2023-05-16 NATIONAL BESTSELLER An absolutely unforgettable novel.—Ian Williams A masterwork from one of the country's most critically acclaimed and beloved writers that grapples with male violence, sexual abuse, and madness. Compulsively readable and heartstopping. Wade Jackson, a young man from a Newfoundland outpost, wants to be a writer. In the university library in St. John's, where he goes every day to absorb the great books of the world, he encounters the fascinating, South African-born Rachel van Hout, and soon they are lovers. Rachel is the youngest of four van Hout daughters, each in their own way a wounded soul. The oldest, Gloria, has a string of broken marriages behind her. Carmen is addicted to every drug her Afrikaner dealer husband can lay his hands on. Bethany, the most sardonic of the sisters, is fighting a losing battle with anorexia. And then there is Rachel, who reads *The Diary of Anne Frank* obsessively, and diarizes her days in a secret language of her own invention, writing to the point of breakdown and beyond—an obsession that has deeper and more disturbing roots than Wade could ever have imagined. Confronting the central mystery of his character Rachel's life—and his own—Wayne Johnston has created a brilliant and searing tour de force that pulls the reader toward a conclusion both inevitable and impossible to foresee.

**Everyday Wisdom** Wayne W. Dyer, Dr., 2005-03-01 Everyday wisdom—in the form of inspirational quotes and observations—from best-selling author Wayne W.

Dyer is just the thing to make your days more joyous and meaningful!

**Wisdom of the Ages** Wayne W. Dyer, 2009-03-17 National Bestseller This inspiring book by Wayne Dyer, author of the bestselling classics *Your Erroneous Zones* and *Pulling Your Own Strings*, delves into the teachings of intellectuals of our past to mine values and wisdom for the present. What do our ancestral scholars, whom we consider the wisest and most spiritually advanced, have to say to us today? asks Dyer. The answer lies in this powerful collection of writings, poems, and sayings by some of the greatest thinkers of the past twenty-five centuries. In succinct original essays, Dyer sets out to explain the meaning and context of each piece of wisdom, and, most important, to explain how we can actively apply these teachings to our modern lives. From sixty ancestral masters – Buddha, Michelangelo, Rumi, Whitman, Jesus, Emily Dickinson, and Emerson, among others – here are treasured passages on a variety of subjects, including solitude, time, and passion. Among the contributions are words on inspiration from Pantanjali, author of the Hindu classic *Yoga Sutras*; teachings about the power of prayer from 13th-century monk St. Francis of Assisi; and thoughts about the importance of action written by Mother Teresa. The voices collected here cut across a wide range of historical eras and cultures, yet they communicate universal truths about the human experience. *Wisdom of the Ages* provides us with a marvelous dual opportunity: to receive guidance from our great ancestors and to recognize our own potential for greatness

**Lost Charity** Wayne Stinnett, 2021-11-29 After a long hiatus, Charity Styles is itching to get back into the fray. She's had a succession of minor assignments, none of which provided her with the action she craves. After months of recharging and rethinking her position in the Armstrong organization, she's on the verge of walking away, returning to what could be a more normal life. But what's a normal life look like for a former covert assassin? Then she gets two assignments, which have nothing to do with each other. The first is to ferry a group of people out to a large mega-yacht. When it turns out that one of those people is the girl she thinks of as a niece and the mega-yacht is captained by an old friend, she sets her sails and is quickly underway. What the second assignment is, will not only test Charity's abilities as an undercover asset to the giant Armstrong Research conglomerate, but will also assess her ability to keep a lid on her emotions when faced with the type of people she most loathes. From the Cayman Islands to the Eastern Caribbean, the coast of Brazil, and finally, the U.S. Virgin Islands, her mental state is constantly being tested. Will she find the one person who is at the head of a vast sex trafficking operation? Or will she become just another victim to the traffickers? Will she even be able to restrain her inner demons when she encounters the worst of the worst of human society?

**Wayward Sons** Wayne Stinnett, Stewart Matthews, 2021-04-05 Where Jerry Snyder goes, trouble follows. Someone tried to kill him and his bride on their honeymoon in the Virgin Islands. And moving there permanently is proving to be anything but tranquil. First, he's working for the secretive Armstrong Organization—a group dedicated to hunting terrorists, drug smugglers, and the nastiest criminals since Blackbeard. Second, his partner is DJ Martin, a one-legged Airborne vet who has the temperament of a croc with a toothache. DJ has never met a nose he couldn't break, and he's tested plenty of them. When a body washes ashore at an island resort in Culebra, a family desperate for

help turns to Jerry and DJ. Sailing the Caribbean looking for answers, their course proves deadlier than either man bargained for. And when Jerry's past dealings appear on the horizon, the two men have to find common ground to overcome a cunning, powerful enemy with a desire more dangerous than murder.

*Paper Angels* Jimmy Wayne, 2014-11-04 When he picks the name of a teenager from the Salvation Army's Angel Tree program, businessman Kevin Morell, moved and intrigued by Thomas Reed's list, finally discovers the true meaning of Christmas through a random act of kindness.

**Merciless Charity** Wayne Stinnett, 2015-09-29 What can be done to stop madness from sweeping the world when political indecision is the norm? When the nation's leaders lack the backbone to stand up to them, what can stop an enemy that knows no rules? Charity. Charity Styles is a former Olympian and U.S. Army helicopter pilot. Captured and tortured by terrorists in Afghanistan after the opening blows of the War on Terror, Charity has a score to settle. Now working for the Department of Homeland Security, she is offered the opportunity to make a real difference. Critical memories of her ordeal are buried deep in Charity's subconscious. When the director of Homeland Security's vaunted Caribbean Counterterrorism Command, discovers the key to unlocking Charity's past, he unleashes a tempest, the fury of which no enemy can prepare for. Director Stockwell guides Charity, already a martial arts instructor and pilot, through training in marksmanship and spycraft, making her the most dangerous asset in America's covert arsenal. Charity then sets her sails, crossing the sea in an antique sloop. A single-minded, all-encompassing determination stays her course. To confront the enemy and play by their rules.

His gruff exterior hid secrets he wouldn't share, but that didn't stop Tamara from sharing herself or her bed with him in nights filled with mind-blowing passion. When Kyle Austin opened his home to lovely Tamara, he almost forgot his painful past. Even as he warmed to her intoxicating touch, he was working out a plan, because now Tamara was all that mattered.

*Fallen Pride* Wayne Stinnett, 2014-04 Retired Marine Jesse McDermitt faces an antagonist unlike none that he's faced before, post-traumatic stress. A friend's son, dishonorably discharged from the Corps, is suffering from nightmares, brought on by an incident that was the catalyst for his discharge. With Jesse's help he learns to cope with his demons and gets his discharge overturned, so that he may once again serve the country he loves. Meanwhile, another foe is out to get Jesse, Deuce, and anyone else who gets in the way, including a highly placed elected official. *Steady As She Goes* Wayne Stinnett, 2021-08-16 Jesse McDermitt is starting a new chapter in his life. As captain of the research vessel Ambrosia, his stated mission is to study the oceans and seafloor, searching for rich oil deposits. His unstated mission is to locate and eradicate the enemies of society on behalf of Armstrong Research, a secretive organization funded by some of the wealthiest people on the planet. When word gets out about a massive drug and human trafficking cartel moving tons of illegal drugs, along with hundreds of slave laborers, out of Venezuela, Jesse is tasked with finding them at all cost. But how can one man find the traffickers amid the thousands of ships coming and going from Venezuela's ports, moving hundreds of thousands of containers every year? Can Jesse close on and engage the traffickers?

*Prohibition Chicago* Wayne Klatt, 2023-04-03 The high times, the rubouts, the payoffs -- they're all here in Wayne Klatt's account of the Windy City's wildest years. The entire country -- the world -- was shocked and entertained by what went on in Chicago during Prohibition. Learn how it all happened, from a step-by-step speakeasy set-up to the White Sox scandal to the St. Valentine's Day Massacre. Pull back the gauzy curtains of the gaudy era when Al Capone contributed to Mayor William Thompson's campaign and Governor Len Small used gangsters to fix his embezzlement trial.
