The Knackered Mother's Wine Guide Helen

McGinn,2013-02-14 'Love love love this book. It doesn't just simplify wine, it simplifies life. Essential reading.' - India Knight

Do you frequently panic in the wine aisle and end up reaching for the same old thing. Every. Single. Time? Have you found yourself picking the bottle with the nicest-looking label? Do you automatically pick the second-cheapest wine on the list? Are you looking to extend your wine horizons beyond Pinot Grigio? You need The Knackered Mother's Wine Guide. Come and explore the wonderful world of wine with drinks expert Helen McGinn. With tips on how to make the right wine choices for every occasion, from children's parties (because adults need something fizzy too) to planning a wedding or matching wine with food, this book will help you to choose with confidence. Learn what to look for in the discount deals and discover the can't-go-wrong crowd-pleasers, perfect reds to go with your Sunday roast, the best wine to drink with chocolate, plus some unexpected suggestions for your next night in. Wine is about far more than just what's in the glass (although that's important too); it brings us together and helps us to find a moment to stop, connect and share stories. This crash-course guide will help you know what to look for in fridge-door whites, store cupboard reds so that you can make the most of time spent together to raise a glass for a special occasion, or wind-down when the kids have finally gone to bed. Because life's too short to drink bad wine.

The Grass Arena John Healy,2008-07-31 John Healy, the son of poor Irish immigrants in London, grows up hardened by violence and soon finds himself overwhelmed by alcoholism. He ends up in the grass arena: the parks and streets of the inner city, where beggars, thieves, prostitutes and killers fight for survival and each day brings the question of where to find the next drink. In his searing autobiography Healy describes with unflinching honesty his experiences of addiction, his escape through learning

to play chess in prison, and his ongoing search for peace of mind.

Thrive Aly Martinez, 2017-11-03 When I was nineteen years old, I was faced with a choice that changed my life. Keep the safety of what I already knew or risk losing everything with the young, hotheaded soldier who stole my heart. I chose the wrong man, and for seventeen years, I paid in tears, blood, and shattered dreams for that decision. Now, there's a man in my house, holding a gun to my head on the order of my ex-husband, given from his prison cell. That hotheaded soldier I was so afraid to choose? He's now a six-foot-three wall of muscle who works at the country's most premier bodyguard agency. I've always wanted him, but now, I've never needed him more. It's the call I'm terrified to make. I'm sure he still hates me. Even though I've never stopped loving him.

Free to Believe Luke Goodrich, 2019-10-22 A leading religious freedom attorney, the veteran of several Supreme Court battles, helps people of faith understand religious liberty in our rapidly changing culture—why it matters, how it is threatened, and how to respond with confidence and grace. WINNER OF THE CHRISTIAN BOOK AWARD® • THE GOSPEL COALITION'S BEST BOOK OF THE YEAR, PUBLIC THEOLOGY & CURRENT EVENTS • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY WORLD MAGAZINE Many Americans feel like their religious freedom is under attack. They see the culture changing around them, and they fear that their beliefs will soon be punished as a form of bigotry. Others think these fears are overblown and say Christians should stop complaining about imaginary persecution. In *Free to Believe* leading religious freedom attorney Luke Goodrich challenges both sides of this debate, offering a fresh perspective on the most controversial religious freedom conflicts today. With penetrating insights on gay rights, abortion rights, Islam, and the public square, Goodrich argues that threats to religious freedom are real—but they might not be quite what you think. As a lawyer at the Becket Fund for Religious Liberty, Goodrich has won several historic Supreme Court victories for clients such as the Little Sisters of the Poor and Hobby Lobby. Combining frontline experience with faithful attention to Scripture, Goodrich shows why religious freedom matters, how it is threatened, and how to protect it. The result is a

groundbreaking book full of clear insight, practical wisdom, and refreshing hope for all people of faith.
