The AuthorHouse Scam Robin Levin,2015-03-19 Four years after having published my book with Trafford, a subsidiary of AuthorHouse, I was still getting phone calls from their high-powered phone salespeople, known as marketing consultants, to persuade me to buy their expensive marketing gimmicks. I must admit that I had given in far too often in the past, and they were quite sure they could continue to milk my bank account. Almost immediately buyer's remorse set in with a vengeance. How could I do this! I know this is a scam, why am I so stupid? I'm supposed to be a reasonably intelligent woman! Nothing they've ever done on my behalf has had the slightest impact on book sales. Super expensive services with nothing to show for them. How could I have let them talk me into kicking Lucy's football again? Again! Am I the only fool? Have others had the same experiences with these people? I decided to look a bit more extensively into what I came to realize was the AuthorHouse Scam, and have written this book to share my experiences and findings with other authors and potential authors.

House of Darkness House of Light Andrea Perron,2014-08-11 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

House Tracy Kidder,1999-10-15 The Pulitzer Prize-winning author brings “clarity, intelligence and grace” to the tale of building a home in this New York Times Bestseller (The New York Times Book Review). It’s 1983 and Jonathan and Judith Souweine are ready to build their forever home on a four-acre lot just outside of Amherst, Massachusetts. A lawyer and a psychologist, neither has much experience with the process. In this New York Times bestseller, Tracy Kidder leads readers through the grand adventure of building the American dream. In his portrayal, constructing a staircase or applying a coat of paint becomes a riveting tale of conflicting wills, the strength and strain of relationships, and pride in craftsmanship. With drama, sensitivity, and insight, the Pulitzer Prize-winning author of The Soul of the New Machine takes us from blueprints to moving day. In the process, he sheds new light on objects usually taken for granted and creates a vivid cast of characters you will not soon forget. “Tracy Kidder has done it again. . . . What might seem like ordinary work takes on an extraordinary, unpredictable life of its own. The subject is fascinating, the book a remarkable piece of craftsmanship in itself.” —Chicago Tribune Book World “Kidder makes us feel with a splendid intensity the complex web of relationships and emotions that inevitably comes into play in the act of bringing a work of architecture to fruition.” —The New York Times Book Review

The Lantern House Erin Napier,2022-05-24 From the nationally beloved co-host of the #1 hit show Home Town comes the quintessential celebration of home. Imagine a house's early days as a home: A young family builds a picket fence and plants flowers in its yard, children climb the magnolia tree and play the piano in the living room, and there is music inside the house for many happy years. But what will happen when its windows grow dark, its paint starts to crumble, and its boards creak in the winter wind? The house dreams of a family who will love it again...and one day, a new story will emerge from within its walls. In this modern classic, Erin Napier’s lyrical prose and Adam Trest’s warm and comforting paintings deeply evoke the soul of a house cherishing the seasons of life and discovering the joy of rebirth.

Flames Don't Have Shadows Ikram Hales,2022-01-06 “How do you feel, Diana?” asked the young lady. “I dunno,” Diana mumbled under her breath, “I don’t know how to explain it.” The young lady gently rested her hand over Diana’s shoulder, “Try.” A voice inside Diana told her to stop. Diana looked at the young lady. Her hazel eyes glittering in the sunlight gave Diana some hope. “I-” Diana paused. She watched the breeze play with the young lady’s hair. “Mhm, go on,” she smiled as she scribbled red ink all over her paper. Diana gave a weak smile, “It’s a weird feeling. It’s like having a big smile with one toothache. It is difficult to smile with pain. No one can see it, but I can feel it. Diana took another pause as she listened to the voice inside her, telling her to stop. The young lady focused her eyes on Diana’s, “Go on you’re doing great,” Diana shook her head, “As soon as I get rid of that dreadful toothache, I feel much relief. It also feels weird not having a tooth in that place anymore, but it gives me a feeling of comfort and freedom. I broke the chains.”

House of Leaves Mark Z. Danielewski,2000-03-07 “A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.” —The New York Times Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

The Book of Help Megan Griswold,2020-05-19 LOS ANGELES TIMES BESTSELLER • WINNER OF THE NAUTILUS BOOK AWARD • “In a world full of spiritual seekers, Megan Griswold is an undisputed all-star. What a delightful journey!”—Elizabeth Gilbert, #1 New York Times bestselling author of Big Magic and Eat, Pray, Love The Book of Help traces one woman’s life-long quest for love, connection, and peace of mind. A heartbreakingly vulnerable and tragically funny memoir-in-remedies, Megan Griswold’s narrative spans four decades and six continents—from the glaciers of Patagonia and the psycho-tropics of Brazil, to academia, the Ivy League, and the study of Eastern medicine. Megan was born into a family who enthusiastically embraced the offerings of New Age California culture—at seven she asked Santa for her first mantra and by twelve she was taking weekend workshops on personal growth. But later, when her newly-wedded husband calls in the middle of the night to say he’s landed in jail, Megan must accept that her many certificates, degrees and licenses had not been the finish line she’d once imagined them to be, but instead the preliminary training for what would prove to be the wildest, most growth-insisting journey of her life.

Kublai Khan Tariq Hameed,2021-05-11 One night, the English Romantic poet Samuel Taylor Coleridge, was ill! So ingesting, opium based a medication; while reading a book on the Great Emperor, fell into a fitful sleep: and so dreamt about the legendary Khan. On awakening, he began writing his laced dream, Kubla Khan. Unfortunately, he penned only fifty-four lines, before he was brutally interrupted, by an unfortunate bell-toll. Later, his famous friend Lord Byron, urged Coleridge to share it with a larger audience; rather than just his intimates. The poem as such, was finally published in 1797. In a comprehensive study of the three-stanza poem, Tariq Hameed compares sections of Coleridge's verse with the life of the Mongol emperor of China and founder of the Yuan dynasty. Throughout his presentation, Tariq shares his unique perspectives of the original poem; a history of the Khan: his family, his wars, and his futuristic inspirations; and of his own poetic reflections. Finally, Tariq explores Khan's death and legacy: in his five added episodes! Kublai Khan is a unique study of the poem Kubla Khan and the life of the Chinese Emperor.

An Introduction to Enterprise Architecture Scott A. Bernard,2012-08-13 An Introduction to Enterprise Architecture is the culmination of several decades of experience that I have gained through work initially as an information technology manager and then as a consultant to executives in the public and private sectors. I wrote this book for three major reasons: (1) to help move business and technology planning from a systems and process-level view to a more strategy-driven enterprise-level view, (2) to promote and explain the emerging profession of EA, and (3) to provide the first textbook on the subject of EA, which is suitable for graduate and undergraduate levels of study. To date, other books on EA have been practitioner books not specifically oriented toward a student who may be learning the subject with little to no previous exposure. Therefore, this book contains references to related academic research and industry best practices, as well as my own observations about potential future practices and the direction of this emerging profession.
