Deadline Jennifer Blackstream,2018-01-01

Wobegon Boy Garrison Keillor,1998 A tale of self-discovery, featuring John Tollefson, and contrasting his pleasant and affluent lifestyle in upstate New York with the rustic grace and particular charm of his ancestors back on the shores of Lake Wobegon.

Becoming Glenn Rolfe,2017-01-02 Something ancient has wormed its way up from the earth.... A change has come today. After Michele Cote's best friend disappears, no one believes her story about the thing responsible for his abduction. Forced to figure out the mystery for herself, Michele encounters terror she has never known, and witnesses the impossible. When other members of the community begin to change or vanish, Sheriff Shane Davis must look beyond reason in order to stop the evil seeping into this small town. With help from an unlikely source, Sheriff Davis will come face-to-face with the truth. You can't destroy what you don't understand. For the small town of Avalon, Maine, the future is about change...for better or worse. *Becoming* is the next horrifying novel from author, Glenn Rolfe.

Prove Me Wrong Jeff Beck,2017-11-12 *Prove Me Wrong* is a fun adventure and an interesting look inside the world of writing books. In the follow up to his debut book, *Outside Service*, author Jeff Beck explores a topic lighter than murder and blackmail - how to write a book that the author doesn't want to write. *Prove Me Wrong* gives an inside look into Tim Dixon's writing career. Dix, as his friends call him, has published four books - and every one has fizzled out. To make amends to his friends, he gets pressed into writing something that he has no interest in writing - a paranormal romance novel. Convinced that he can snap his fingers and produce something worthwhile, his friends are insistent that he could enter the genre and make his mark. He accepts the challenge, to keep his spot in their collective inherited trust, and to prove all of his friends wrong. After all, it can't be just that easy, can it? Before he knows it, Dix's book becomes an overnight sensation, and the literary world is dying to know just who Trace Winston, his anonymous pen name, really is. Filled with memorable characters and touching moments, *Prove Me Wrong* takes readers along for a ride as Dix and his friends realize that getting everything you want, but not in the way you want it, isn't always a good thing.

Gone Deborah Bladon,2014-12-22 The first part of *GONE*, a three-part series from New York Times and USA Today bestselling author, Deborah Bladon. Sending a half-naked picture to a stranger she met online, seems innocent and fun to Lilly Randall. After spending the past four years working towards an honors degree, she needs a distraction and flirting with a man she doesn't know can't hurt, right? Clive Parker is the one man who holds all of Lilly's dreams in the palm of his hand. He's the CEO of one of the world's largest technology firms. When her picture ends up in his pocket, her future will never be the same again. She wants him to see her potential. He questions her motives. Neither can deny the unexpected attraction that exists between them. When Clive's doubts begin to push them apart, Lilly is forced to face the reality that nothing in life is guaranteed and in the blink of an eye, everything you value can be gone. Note: This ends in a cliffhanger.

Wobegon Boy Garrison Keillor, 1998-11-01 John Tollefson, a son of Lake Wobegon, has moved East to manage a radio station at a college for academically challenged children of financially gifted parents in upstate New York. Having achieved this pleasant perch, John has a brilliant idea for a restaurant specializing in fresh sweet corn. And he falls in love with an historian named Alida Freeman, hard at work on a book about a nineteenth-century Norwegian naturopath, an acquaintance of Lincoln, Thoreau, Whitman, and Susan B. Anthony.
