C. S. Johnson

Venus Drive Sam Lipsyte, 2010-03-02 An intense, mordantly funny collection of short fiction from Sam Lipsyte, author of *Home Land* and *The Ask*. The Picador paperback edition includes an excerpt from *The Ask*. A man with an old soul finds himself at a Times Square peep show, looking for more than just a little action. A young man goes into some serious regression after finding his deceased mother's stash of morphine. A group of summer-camp sadists return to the scene of the crime. Lipsyte's brutally funny narratives tread morally ambiguous terrain, where desperate characters stumble over hope, or sometimes merely stumble. Written with ferocious wit and surprising empathy, *Venus Drive* is a potent collection of stories from a wickedly gifted writer (Robert Stone).

Behind the Book Chris Mackenzie Jones, 2018-03-23 Explores how eleven contemporary first-time authors, in genres ranging from post-apocalyptic fiction to young adult fantasy to travel memoir, navigated these pathways with their debut works. Based on extensive interviews with the authors, it covers the process of writing and publishing a book from beginning to end, including idea generation, developing a process, building a support network, revising the manuscript, finding the right approach to publication, building awareness, and ultimately moving on to the next project. It also includes insights from editors, agents, publishers, and others who helped to bring these projects to life.

The Book Review Companion David Wogahn, 2019-10-24 BOOK REVIEWS: STEP ONE ON THE ROAD TO BOOK SALES The Book Review Companion is a handy reference guide, loaded with feedback from authors and real-world experience. It includes step-by-step instructions for getting and using book reviews. - Proven review strategies applicable

to any book, and any author - The ten major sources for reviews, including sixty resources - Amazon review policies demystified and clarified - A complete guide to soliciting and using endorsements and blurbs - Detailed instructions and resources for contacting book bloggers - A special bonus section written specifically for new authors No matter where you are in your author journey—traditionally published or self-published—you'll find yourself returning to this guide again and again. Get The Book Review Companion today.

Mass Authorship and the Rise of Self-Publishing Timothy Laquintano, 2016-10-01

In the last two decades, digital technologies have made it possible for anyone with a computer and an Internet connection to rapidly and inexpensively self-publish a book. Once a stigmatized niche activity, self-publishing has grown explosively. Hobbyists and professionals alike have produced millions of books, circulating them through e-readers and the web. What does this new flood of books mean for publishing, authors, and readers? Some lament the rise of self-publishing because it tramples the gates and gatekeepers who once reserved publication for those who met professional standards. Others tout authors' new freedom from the narrow-minded exclusivity of traditional publishing. Critics mourn the death of the author; fans celebrate the democratization of authorship. Drawing on eight years of research and interviews with more than eighty self-published writers, *Mass Authorship* avoids the polemics, instead showing how writers are actually thinking about and dealing with this brave new world. Timothy Laquintano compares the experiences of self-publishing authors in three distinct genres—poker strategy guides, memoirs, and romance novels—as well as those of writers whose self-published works hit major bestseller lists. He finds that the significance of self-publishing

and the challenge it presents to traditional publishing depend on the aims of authors, the desires of their readers, the affordances of their platforms, and the business plans of the companies that provide those platforms. In drawing a nuanced portrait of self-publishing authors today, Laquintano answers some of the most pressing questions about what it means to publish in the twenty-first century: How do writers establish credibility in an environment with no editors to judge quality? How do authors police their copyrights online without recourse to the law? How do they experience Amazon as a publishing platform? And how do they find an audience when, it sometimes seems, there are more writers than readers?

Encyclopedia of Contemporary Writers and Their Work Geoff Hamilton, Brian Jones, 2015-04-22 Presents an alphabetical reference guide detailing the lives and works of authors associated with the English-language fiction of the twentieth and twenty-first centuries.

Good Writing is Like Good Sex: Sort of Sexy Thoughts on Writing C. S. Johnson, 2019-03-30 What makes a book sexy? I'm not talking about erotica, per say, but what is the difference between a book you eagerly devour and a book you slum your way through? While there are individual exceptions, the most objective difference between a good story and a downright terrible one is simple—it all comes down to the writing. It's either good writing, and we can forgive the technical flaws a little more easily, or it's bad writing, and bad writing is just bad. Good writing is more than just good writing. Good writing is sexy. If you're a fiction writer looking to improve your writing skills, this is the perfect, provocative read to encourage you to get down to business and write your story.

Inside Good Writing is Like Good Sex, you will find:

- A titillating perspective on the writing process
- The secret to why your story is special, and how you can make it sexier
- Tips on romancing your readers
- How to write irresistible characters
- Basic writing and story concepts with advanced insights ... and all in a non-gratuitous fashion with a lot of innuendos.

C. S. JOHNSON is the award-winning, genre-hopping author of several novels, including young adult sci-fi and fantasy adventures such as the Starlight Chronicles series, the Once Upon a Princess saga, and the Divine Space Pirates trilogy. She has written articles for The Rebelution, MTL Magazine, Hollywood in Toto, StudioJake, and more. With a gift for sarcasm and an apologetic heart, she currently lives in Atlanta with her family.

FROM THE BOOK: “So, what’s so special about your book?” It’s still a terrifying question, but the more you see it, the better you can prepare to answer it. It might be hard for you to realize that your book is special at all, especially if you are a new writer, or you’re one of those people who struggle with self-confidence (I can assure you from personal experience you are in good company). I know exactly how that feels. But your book will be special, because it’s yours. It is your words written down on paper, your story written for the world to see, and the book you were born to write. It’s yours. This is something that people tend to say about kids, and I like using this analogy here because kids can be the result of good sex, just as my “book babies” are the result of my writing. No one will love my real children the way I do. My kids are unlike everyone else’s children because they are mine. And no one will ever love my husband the way I do, because he is the one I chose and the one who chose me back. Your own love story will be special because it’s yours. Your book will be special too. But, let’s face it, “special” has its limits, especially

when it comes to the competitive writing market. Your unique outlook should be what tips the balance in your favor, and you do yourself a lot of favors if your tipping point doesn't have a lot of unattractive baggage dragging it down. This means you need to take care to make your book be its best. WHAT READERS ARE SAYING: An absolutely brilliant, cheeky, and fun guide to writing better. Great for anyone tired of bland writing guides. ~ Liliyana, Book Review Chock-full of useful writing advice, written by a woman who clearly knows what she's talking about. ~ Jessica, Author and Book Reviewer

Consider This Chuck Palahniuk, 2020-01-07 Renowned, bestselling novelist Chuck Palahniuk takes us behind the scenes of the writing life, with postcards from decades on the road and incredible examination of the power of fiction and the art of storytelling. In this spellbinding blend of memoir and insight, bestselling author Chuck Palahniuk shares stories and generous advice on what makes writing powerful and what makes for powerful writing. With advice grounded in years of careful study and a keenly observed life, Palahniuk combines practical advice and concrete examples from beloved classics, his own books, and a kitchen-table MFA culled from an evolving circle of beloved authors and artists, with anecdotes, postcards from the road, and much more. Clear-eyed, sensitive, illuminating, and knowledgeable, *Consider This* is Palahniuk's love letter to stories and storytellers, booksellers and books themselves. Consider it a classic in the making.

Bringing the Devil to His Knees Charles Baxter, Peter Turchi, 2001 Fiction writers share the secrets of their craft in essays geared for the serious writer

Up Ronald Sukenick, 1998 The author himself is the main character of this book, in which he glides undisturbed from present to future, from reality to fantasy. Sometimes

he's an adolescent Brooklynite, at other times a part-time English teacher, a struggling writer living in a Lower East Side tenement, or a fantasist deftly moving in and out of numerous alter egos. **Lightning Print On Demand Title

The Author's Craft Arnold Bennett, 2021-04-28 The author of *The Grand Babylon Hotel*, *How to Live on 24 Hours a Day*, *The Old Wives' Tale* and much more, English writer Arnold Bennett's fictional and non-fictional works have stood the test of time. Bennett also wrote for stage and screen. *The Author's Craft*, contains some of Bennett's essays on the art of writing, with his thoughts on applying the craft to both novel and play writing.

Biography of James Patterson (American Novelist, Writer of the Alex Cross and Women's Murder Club Series) Tawnya T., 2012-03-02 This book is part of Hyperink's best little books series. This best little book is 3,100+ words of fast, entertaining information on a highly demanded topic. Based on reader feedback (including yours!), we may expand this book in the future. If we do so, we'll send a free copy to all previous buyers. ABOUT THE BOOK James Patterson is a tremendously successful American novelist who specializes in the thriller genre. He enjoys a huge fan base mainly due to his writing style, which is fast paced and packed full of interesting characters and plot twists that readers don't see coming. Patterson delivers his fast-paced material through witty dialogue, short paragraphs, and very short chapters. His physical descriptions of characters in the book accompanied by lengthy back stories and personality descriptions make readers feel like they personally know the characters. Patterson's first novel, *The Thomas Berryman Number*, was a mystery thriller that was turned down over thirty times before it was finally published. In its first publication, the

novel sold a modest 10,000 copies and was not considered a huge success. However, the novel went on to win the Edgar Allan Poe Award for Best New Novel. EXCERPT FROM THE BOOK When Patterson first chose to go to college, he had reservations about his career path. He first pursued an Education degree, and later decided to switch to an English literature graduate degree. He changed his mind again several times over the course of his college years, uncertain what career path he most wanted to embrace. During the summers between his semesters in college, Patterson took a temporary job at McLean Hospital as a medical aide. He did not pursue a career in the medical field, but the summer job was not a complete waste of the time, because it ended up being influential to Patterson's career in an unusual way. He spent a great deal of time leisurely reading books while he was working predominantly quiet night shifts at the hospital. It was during one of these night shifts that he was inspired by Robert Lowell, a fellow employee. Lowell loved poetry and shared his love of the written word with Patterson. In the short time they spent together, Patterson could not get enough of Lowell's opinions or suggestions. Patterson tried his own hand at writing and found he had a talent for the written word... Writers' Handbook 2022 J. Paul Dyson, 2021-11-17 The 2022 edition of firstwriter.com's bestselling directory for writers is the perfect book for anyone searching for literary agents, book publishers, or magazines. It contains over 2,500 listings, including revised and updated listings from the 2021 edition, and over 400 brand new entries. Finding the information you need is now quicker and easier than ever before, with

multiple tables and a detailed index, and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways, and includes a Table of Authors, which lists over 3,000 authors and tells you who represents them, or who publishes them, or both. The number of genres in the index has expanded to over 600. So, for example, while there was only one option for "Romance" in the previous edition, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural / Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance, or even Amish Romance. International markets become more accessible than ever, with listings that cover both the main publishing centres of New York and London, as well as markets in other English speaking countries. With more and more agents, publishers, and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials, and no obscure listings padding out hundreds of pages. By including only what's important to writers – contact details for literary agents, publishers, and magazines – this directory is able to provide more listings than its competitors, at a substantially lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2023. This means you can get free access to the firstwriter.com website, where you can find even more listings, and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions listings, searchable personal notes, and more. "I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that

provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now!" ~ Robin Wade; literary agent at the Wade & Doherty Literary Agency Ltd, and long-term firstwriter.com subscriber

Using ISBNs as an Indie Author Alliance of Independent Authors, 2024-01-18 ISBNs are unique product identifier codes that help distributors, wholesalers, retailers, and readers find your book and contrary to poor advice, yes, independent authors do need them. Understanding how ISBNs work, why they matter, and how to source and use them will help you distribute your self-published books efficiently and professionally. But there is a lot of misinformation out there. In this short guide from the AskALLi team of the Alliance of Independent Authors, you'll learn all the key facts to make informed decisions about ISBNs and be confident when publishing your own books.

Digital Ink Bonnie Hearn Hill, Christopher Allan Poe, 2012-07-22 From protagonists and antagonists, to dialogue and conflict, DIGITAL INK is a powerful, succinct, and entertaining book that will dramatically improve any writer's work. Suddenly it's a cinch to publish -- pop your manuscript up online via Amazon's KDP, INscribe, Smashwords, or Pubit! and voilá, you've got an e-book. The number of authors, self-published and otherwise, is exploding. But what everybody seems to be talking about is marketing. They're overlooking the actual writing. There's a lot of talk about the sizzle, and yet scant attention to the steak. This book says hold on a minute! It's not just marketing; it has to be a great book. You have to know how to write. Funny and fast, as a book must be in the digital age, DIGITAL INK takes you through all the basics: dialogue, plot, character development, POV, and more. DIGITAL INK will transform your writing. Digital Ink is a

MUST READ for unpublished authors, as well as those of us who wish to review our craft. Tried and true techniques that work in any market.--New York Times bestselling author, Kat Martin This book is packed with clear information, advice, and examples that will transform your novel. Before you publish, read this book!--Jen Calonita, bestselling author of SECRETS OF MY HOLLYWOOD LIFE, SLEEPAWAY GIRLS, and the new series for Young Adults, BELLES

Building Fiction Jesse Lee Kercheval, 2003 No one looks at structure like Jesse Lee Kercheval. She builds a work of fiction just as an architect would design a house--with an eye for details and how all parts of a story or novel interconnect. Even with the most dynamic language, images, and characters, no piece of fiction will work without a strong infrastructure. Kercheval shows how to build that structure using such tools as point of view, characterization, pacing, and flashbacks. Building Fiction will help you envision the landscape of your fiction and build great stories there.

The Destiny Thief Richard Russo, 2019-06-04 "I've written a lot about destiny in my fiction," admits Richard Russo, "not because I understand it, but because I'd like to." In the first of these eleven remarkable essays, Russo shares the story of his onetime fiction workshop classmate who, of the two of them, was considered the class star, bound for literary glory. Yet it was Russo who emerged as a major writer. How, he wonders, did he manage to steal his classmate's destiny? What twists of talent and fate determine a would-be writer's path? In each of the pieces collected here, Russo considers the unexpected turns of the creative life. From his grandfather's years cutting gloves to his own teenage dreams of rock stardom; from his first college teaching jobs to his dazzling reads of

Dickens and Twain; from the roots of his famous novels to his journey accompanying a dear friend—the writer Jennifer Finney Boylan—as she pursued gender reassignment surgery, *The Destiny Thief* powerfully reveals the inner workings of one of America’s most beloved authors. With Two New Essays

How to Write a Damn Good Novel, II James N. Frey, 1994-03-15 More advanced techniques such as how to make characters not just dynamic but memorable, how to heighten the reader's sympathy and identification with characters, how to intensify suspense, how to avoid the fiction writer's seven deadly mistakes, and how to write with passion.

The Key James N. Frey, 2002-08-03 Offers aspiring authors of novels and screenplays advice on using the classic themes of universal folklore and mythology to structure their works, and provides examples from well-known fiction and films.

Writing the Novel from Plot to Print Lawrence Sanders, 1985 Offers aspiring novelists guidelines for developing plot ideas, characters, and the story line as well as rewriting the manuscript, finding a literary agent, and getting works published.

Authory0xecg8 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we

consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Authory0xecg8 PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its

commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases,

making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Authory0xecg8 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often

operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Authory0xecg8 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Authory0xecg8 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure

proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Authory0xecg8 is one of the best book in our library for free trial. We provide copy of Authory0xecg8 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Authory0xecg8. Where to download Authory0xecg8 online for free? Are you looking for Authory0xecg8 PDF? This is definitely going to save you time and cash in something you should think about.
