**Grand Ambition** G. Bruce Knecht, 2013-03-05 G. Bruce Knecht, former reporter for The Wall Street Journal and author of *The Proving Ground and Hooked*, describes the creation of an outsized yacht in a sweeping narrative centered on the men and women who made it happen. Doug Von Allmen, a self-made man who grew up in a landlocked state dreaming of the ocean, was poised to build a 187-foot yacht that would cost \$40 million. Lady Linda would not be among the very largest of the burgeoning fleet of oceangoing palaces, but Von Allmen vowed that it would be the best one ever made in the United States. Nothing would be ordinary. The interior walls would be made from rare species of burl wood, the floors paved with onyx and exotic types of marble, the furniture custom made, and the art specially commissioned. But the 2008 economic crisis changed everything. Von Allmen's lifestyle suddenly became unaffordable. Then it got worse: desperate to reverse his losses, he fell for an audacious Ponzi scheme. Would Von Allmen be able to complete Lady Linda? Would the shipyard and its one thousand employees survive the financial meltdown? The divide between the very rich and everyone else had never been greater, yet the livelihoods of the workers, some of them illegal immigrants, and the yacht owners were inextricably intertwined. In a sweeping, high-stakes narrative, the critically acclaimed author of *The Proving Ground and Hooked* weaves Von Allmen's story together with those of the men and women who are building his yacht. As the pursuit of opulence collides with the reality of economic decline, everyone involved in the massive project is forced to rethink the meaning of the American Dream.

**Hinckley Yachts** Nick Voulgaris III, 2014-04-29 Celebrating more than eighty-five years of the prestigious yacht company, Hinckley Yachts traverses decades, oceans, and seas, capturing the joy, excitement, and serenity of the ultimate boating experience. A highly respected name in the yachting world, Hinckley sets the standard for high quality, performance, and lasting beauty. This book showcases the rich history, classic design, and legendary work of the handcrafted Hinckley yachts from 1928 to today. With historic and contemporary photographs and drawings from Hinckley's extensive archive—featuring the incredible craftsmanship and technical innovations of both its sailing yachts and jet boats—this is the first book to celebrate Hinckley's rich history. Chronicling the company's early years, which includes boats used for World War II, to its integral role in the fiberglass revolution and the evolution of today's modern yacht, it offers an in-depth look at some of the most legendary and renowned boats in the world. *Hinckley Yachts: An American Icon* is a must for any boating, yachting, or sailing enthusiast, as well as those interested in classic design and craftsmanship.

**Caught by the Sea** Gary Paulsen, 2007-12-18 Another such wave could easily be the end of us. I had to do something, fix something, save the boat, save myself. But what? Gary Paulsen takes readers along on his maiden voyage, proving that ignorance can be bliss. Also really stupid and incredibly dangerous. He tells of boats that have owned him—good, bad, and beloved—and how they got him through terrifying storms that he survived by sheer luck. His spare prose conjures up shark surprises and killer waves as well as moonlight on the sea, and makes readers feel what it's like to sail under the stars or to lie at anchor in a tropical lagoon where dolphins leap, bathed in silver. Falling in love with the ocean set Gary Paulsen on a lifelong learning curve and readers will understand why his passion has lasted to this day.

**The Sailboat** Christopher R. German, 2021-09-29 Phillip Winters is a computer guy with a dream to set sail. His lawyer wife Lucy only half shares his vision but begrudgingly follows Phillip to their first sailing class in the sailing capital of America, Annapolis, MD. She excels, while he falls behind. Setting out to find the perfect boat, whether his wife approves or not, Phillip finds a storm-ravaged boat and gets in over his head, much to his wife's disapproval. They move to Beaufort, NC, and fix up the derelict vessel without having the first clue of how to fix a boat or even how to sail for that matter. They quickly realize that it is a task they are ill-equipped to handle, and one which they lack the experience or know-how to tackle. Thankfully, like so many who have gone before them, they have the financial means to push forward, even if they should run away. A brief stay in a town that resembles a third-world banana republic and a run-in with what all Southerners affectionately call "water bugs", they manage to launch their dream boat and set sail after a rum-soaked christening in Oriental, the sailing capital of North Carolina. Bumping down the coast to Florida, hopping from port to port, the couple experiences the highs and lows of the live-aboard lifestyle, including surprise expenses, sweaty nights on the high seas, and morally questionable port adventures with fellow boat owners. *The Sailboat* is a cautionary tale about boat ownership and relationships and demonstrates to those who are dreaming of ditching their COVID cocoon by heading out on the high seas that the live-aboard life is rarely smooth sailing.

**The Golden Age of Yachting** L. Francis Herreshoff, 2022-06-15 *The Golden Age of Yachting* presents a panoramic view of yachting, providing an insightful introduction to the pleasures, craft, and history of the sport, with emphasis on the era of the great steam yachts. It is a meticulous account based on accurate knowledge and detailed research. Most yachting histories have been so much influenced by the nationality of the author that the British and American versions are quite different, but L. Francis Herreshoff was equally familiar with both sides. He has given a much more factual account of the international races than can be found in other writings. This book will appeal to the large group of amateur and professional seamen who strive to keep alive the traditions and lore of sail. The book was first published by Sheridan House in 1963 under the title *An Introduction to Yachting* and reprinted in 1980. The title of this new paperback edition, *The Golden Age of Yachting*, more accurately reflects the treasures found in this magnificent volume.

**Heart of Glass** Daniel Spurr, 2000 The editor of *Practical Sailor* newsletter offers a highly readable and affectionate account of the fiberglass boat, from its earliest incarnation in World War II to the present day. 310 illustrations.

**Hemingway's Boat** Paul Hendrickson, 2012-07-24 National Book Critics Circle Award Finalist A brilliantly conceived and illuminating reconsideration of a key period in the life of Ernest Hemingway that will forever change the way he is perceived and understood. Focusing on the years 1934 to 1961—from Hemingway's pinnacle as the reigning monarch of American letters until his suicide—Paul Hendrickson traces the writer's exultations and despair around the one constant in his life during this time: his beloved boat, *Pilar*. Drawing on previously unpublished material, including interviews with Hemingway's sons, Hendrickson shows that for all the writer's boorishness, depression and alcoholism, and despite his choleric anger, he was capable of remarkable generosity—to struggling writers, to lost souls, to the dying son of a friend. *Hemingway's Boat* is both stunningly original and deeply gripping, an invaluable contribution to our understanding of this great American writer, published fifty years after his death.

**Of Yachts and Men** William Atkin, 1997-06 The famed boat designer's warm, entertaining, and informative reminiscences of a lifetime enjoying boats. First published in 1949, this autobiography of William Atkin, America's foremost designer of small yachts, gained such a wide public audience that it was issued in several editions. Long out of print, it has become a much sought-after item.

**Sunk Without Trace** Paul Gelder, 2012-03-01 Gripping, real life stories of yachts lost at sea from the author of the bestselling *Total Loss*.

**Boats on the Bay** Jeanne Walker Harvey, 2023-04-04 A KidLitTV recommended book! A large-format picture book about a bunch of boats found on a busy bay, buoyed by simple, spare, and lyrical text. Inspired by the San Francisco Bay but with universal appeal, the book features a spectacular double-spread gatefold finale showing a boat parade and fireworks glowing against a city backdrop.

**Away All Boats** John N. Cole, 1994 Hard facts and opinions about the selection, refitting, maintenance, and use of small boats, combined with the author's stories of explorations as a bayman and fisherman in the waters of eastern Long Island, Maine, and the Florida Keys.

**Model Yachting** Vic Smeed, 1984

**The Insiders' Guide to Becoming a Yacht Stewardess 2nd Edition** Julie Perry, 2013-08-01 Since 2006, *The Insiders' Guide to Becoming a Yacht Stewardess* has been a must-read guide for hopeful, young travelers and those intrigued by a career path in the super-yacht

industry. Hundreds of yacht crew in the industry today used Julie’s book to get started---and succeed---working aboard yachts. Entertaining and educational, this book not only covers who owns luxury yachts, where they travel, and what taking care of their eccentric owners is like, but it describes the awe-inspiring benefits of the job, the skills required, and a clear-cut roadmap for how others can do it, too. If the terrific pay and benefits that come from accompanying celebrities and dignitaries on their private journeys around the world appeals to you, consider Julie Perry your new career coach. Let her guide you to the sea of opportunity that awaits young travelers in one of the world’s most adventurous and mind-boggling industries: LUXURY YACHTING.

*Waterline* Joe Soucheray,2002 At least on the surface this is the story of the author's struggle to restore (properly) an aged and almost derelict 17 foot Chris Craft Deluxe utility motorboat. Examines the link between father and son, and between the men and their boats.

*Desirable and Undesirable Characteristics of Offshore Yachts* Cruising Club of America. Technical Committee,1987 Surveys trends in yacht design, discusses safety, modern construction techniques, spars, rigging, sails, and auxiliary equipment, and describes five good boats.

*Sailing in Circles, Goin' Somewhere* Finley Martin,2018-05-10 Not all dreams have happy endings. *Sailing in Circles, Goin' Somewhere* is the funny, bittersweet memoir of a Prince Edward Island man who, over seven years, builds a classic 1930s wooden sailboat and, in 2004, attempts to circumnavigate eastern North America. The author leaves a small fishing port on the Island and tracks along the rugged coast, up the St. Lawrence River, and through the Great Lakes. Alone, he encounters heavy fog, near-collisions with freighters, mechanical breakdowns, enormous seas, several brushes with disaster, and even a hostile reception at one French-speaking port. He meets odd and curious people. It all comes to an inglorious and mundane end when the author and his boat, the Arja D., are stuck in, of all places, Peoria, Illinois. Was it worth it? Maybe. Written by Finley Martin, a respected Island fiction writer, this finely crafted and humorous book will appeal to adventurers, sailors, and lovers of a good yarn.

*My Toast Isn't Buttered* Chris Henry,2018-12-04 My toast isn't Buttered, is based on a partly true story written by Chris Henry, a Chief Steward from London England who has traveled the globe working on board private mega yachts for the most influential and wealthiest yacht owners. The title of his book speaks for itself, Chris remembered being summoned on the bridge by the Captain early one morning and was given a written warning for not buttering the mistresses toast, as Chris explains in a statement before literally walking off the yacht in Milan Italy.But Captain, I had no idea that she wanted her toast buttered, this is outrageous, and I refuse to sign this document, I bloody quit Hours later, he was at the airport waiting for his scheduled flight back to Miami, Florida. That was the best decision he made, he became successful in the world of private yachting and now retired from the yachting business and lives in South Florida.

*Legendary Yachts* Gilles Martin-Raget,2000 Every summer, as international classic yacht regattas pass through Monaco, Porto Cervo, Cannes, and other harbors, the public imagination is seized by elegant wooden boats, majestic vessels of gleaming brass, honed teak decks, and brightly varnished hulls. Under their expansive canvas sails, the yachts evoke a vanished era when the waves were broken only by the power of the wind. Vibrantly illustrated in full color, *Legendary Yachts* offers a definitive exploration of the glorious age of sailing as well as a celebration of the modern enthusiasm for the classic yacht regatta. This handsome book features such renowned yachts as Pen Duick, Shenandoah, Avel, and Creole, admirably captured by exterior and interior photographs. Whether twisting furiously in the heat of a race, coasting serenely on the sea, or docked in a picturesque Mediterranean port, the yachts are displayed with astonishing clarity. The unique charm and personality of each yacht are readily apparent. With an engaging text that illuminates five different regattas and delves into the histories of over a dozen classic boats, *Legendary Yachts* recounts the lore and mystique of the regatta. It also details the rather recent phenomenon of restoring these wooden boats, some of which are over a century old! Indeed, yacht restoration is almost as great a passion as sailing. The book describes the care and craftsmanship that go into bringing the boats back to life and uses ninety precise drawings from a variety of perspectives to reveal the structure of each vessel. A tribute to the past of the wooden yacht as well as its current resurgence, *Legendary Yachts* will appeal to sailing enthusiasts, sports fans, sea lovers, and anyone with an interest in the world of classic yachts.

*Grand Ambition* G. Bruce Knecht,2013-03-05 Tells the story of Doug Von Allmen's plan to build an extraordinary yacht and the way that the 2008 financial crisis threatened the project and the livelihood of the one thousand employees of the shipyard where it was built.

*Superboats* Ian Graham,2008 Describes the specifications, safety equipment, and uses of a variety of fast, powerful, and luxurious powerboats, including ski-boats, motor yachts, one-person hydroplanes, and 2000-horsepower offshore racing powerboats.
