Some of Tim's Stories S.E. Hinton, 2013-04-30 From the author of *The Outsiders*: "Immediate and gripping" tales of two boys whose lives diverge in dramatic ways after a shared childhood tragedy (School Library Journal). Terry and Mike were cousins who were as close as cousins could be—more like twin brothers, really. They thought they were invincible and that the happy times would last forever, until the day their fathers headed off for their annual deer-hunting trip. That was when everything started to change, and their paths went in very different directions. Years later, another fateful event will send one of them to prison—and the other to a bartending job in Oklahoma—while the prospect of an eventual reunion looms . . . From the award-winning author of *That Was Then, This Is Now* and *Rumble Fish*, "Some of Tim's Stories is a compact set of vignettes" full of "sharp, concise observation" (The New York Times).

Blame Michelle Huneven, 2009-09 Huneven's third book is a spellbinding novel of guilt and love, family and shame, sobriety and the lack of it, and the moral ambiguities that ensnare us all.

Kick Ass Carl Hiaasen, 2009-09-13 Readers who eagerly anticipate each new Carl Hiaasen novel will relish this selection of his Miami Herald columns, written with the same dark humor and satirical edge as *Tourist Season*, *Strip Tease*, *Stormy Weather*, and the rest of Hiaasen's brilliant and nationally acclaimed fiction. Known for evoking the disastrously flawed paradise of modern South Florida, Hiaasen proves in these columns that facts can indeed be stranger than the fiction they inspire. Beginning with *Welcome to South Florida*, a chapter introducing such everyday events as animal sacrifice, riots at the beach, and a shootout over limes at the supermarket, this collection organizes over 200 columns into 18 chapters, chronicling the events and defining the issues that have kept the South Florida melting pot bubbling throughout the '80s and '90s. An introductory essay provides an overview of Hiaasen's career and outlines his principal concerns as a journalist. Since its inception in 1985, Hiaasen's twice-weekly baseball-bat-to-the-forehead column has become enormously popular for its passionate conviction and willingness to confront powerful interests in pursuit of the public good. Amid the corruption and chaos of a city on the edge, Hiaasen's pointblank honesty and clear articulation of what's right have secured him wide respect across the community's many racial and ethnic divides as well as the admiration of his peers, who compare him to A. J. Leibling, I. F. Stone, and H. L. Mencken. In addition to South Florida color and world-class journalism, readers of *Kick Ass* will find one of Florida's staunchest defenders in action, and they'll take great pleasure in watching him work.

Pulp Writer Paul S. Powers, 2007-12-01 A master of driving pace, exotic setting, and complex plotting, Harold Lamb was one of Robert E. Howard's favorite writers. Here at last is every pulse-pounding, action-packed story of Lamb's greatest hero, Khlit the Cossack, the wolf of the steppes.

The Company Car C. J. Hribal, 2006 Both comically tragic and touching, this novel is a sweeping, generational saga about a family caught in the changing landscape of American life.

Presenting S.E. Hinton Jay Daly, 1989 Discusses the life and works of well-known author S.E. Hinton.

Excuse Me While I Disappear Joanna Scott, 2021-04-20 From a Pulitzer Prize finalist and greatly gifted and highly original artist comes a masterful

collection of stories about the timeless universal struggle to connect (New York Times). Joanna Scott, the critically acclaimed author of ten novels and two collections, turns her "incandescent imagination" (Publishers Weekly) back to the craft of the short story, with breathtaking results. Ranging across history from the distant past to the future, Scott tours the many forms our stories can take, from cave wall paintings to radio banter to digitized archives, and the far-reaching consequences of our communications. In Venice in the Late Middle Ages, a painter's apprentice finds a way to make his mark on canvases that will survive for centuries. In the near future, after the literary canon has been preserved only on the cloud and then lost, a scholar tries to piece together a little-known school of writers committed to using actual paper. In present day New England, a radio host invites his electrician to stay for dinner, opening up new narrative possibilities for both men. Written in prose so naturally elegant, smooth, and precise that it becomes invisible, *Excuse Me While I Disappear* asks what remains of our stories—as individuals and civilizations—after we are gone.

Star Island Carl Hiaasen, 2010 Twenty-two-year-old pop star Cherry Pye is attempting a comeback from her latest drug and alcohol disaster. Ann DeLusia is Cherry's "undercover stunt double," portraying Cherry whenever the singer is too wasted to go out in public. But, one night, Ann-as-Cherry is mistakenly kidnapped from a South Beach hotel by an obsessed paparazzo named Bang Abbott. Now the challenge for Cherry's handlers (her stage mother; horndog record producer; nipped-and-tucked twin publicists; weed-whacker-wielding bodyguard) is to rescue Ann while keeping her existence secret from the public—and from Cherry herself. A further complication: Ann has had a bewitching encounter with Skink, the unhinged former governor of Florida, and now he's heading for Miami to find her. Will Bang achieve his fantasy of a private photo session with Cherry? Will Cherry sober up in time to lip-synch her concert tour? Will Skink track down Ann before Cherry's posse does? All will be revealed in Carl Hiaasen's hilarious spin on life in the celebrity fast lane.

Ash Wednesday Ethan Hawke, 2003-06-10 From the actor, director, and writer Ethan Hawke: a piercing novel of love, marriage, and renewal. Jimmy is AWOL from the army, but—with characteristic fierceness and terror—he's about to embark on the biggest commitment of his life. Christy is pregnant with Jimmy's child, and she's determined to head home, with or without Jimmy, to face up to her past and prepare for the future. Somehow, barreling across America from Albany to New Orleans to Ohio and Texas in a souped-up Chevy Nova, Christy and Jimmy are transformed from passionate but conflicted lovers into a young family on a magnificent journey. *Ash Wednesday* is a novel of blazing emotion and remarkable grace, a tale that captures the intensity—the excitement, fear, and joy—of being on the threshold of the mysterious country of marriage and parenthood. Powerful, assured, large of heart, and punctuated by moments of tremendous humor, it represents, for Hawke the novelist, a major leap forward.

A Hustla's Life Author Laz,

Speed Mark Harris, 1998-12-01 *Speed* is a first-person novel about two brothers growing up half a century ago--the story of the narrator and his brother Speed, a magnificent boy in every respect, except one. And Speed's one defect leads him to a mad act of nihilism that is remembered by his brother for a lifetime.

The Beetle Leg John Hawkes, 1951 After years of underground existence, this brilliant novel is emerging as a classic of visionary writing and still remains Hawkes's only work devoted solely to American life.

Running the Bulls Cathie Pelletier, 2014-08-05 2006 Paterson Prize for Fiction That master juggler of literary tears and laughter is at it again: Cathie Pelletier's *Running the Bulls* is a ribald, ruminating, and redemptive read.—Wally Lamb, author of *She's Come Undone* In small-town Maine, unhappily retired Howard Woods is shaken awake one morning by his wife, who confesses to a devastating affair. Unable to forgive his wife, Howard sets out on a journey in hope of finding life after tragedy. Determined to follow in the footsteps of Hemmingway, Howard travels to Pamplona, Spain to join the running of the bulls. His life promptly descends into chaos. But how does a middle-aged homebody, who has never even done his own laundry, salvage his manhood and pride and learn how to rebuild his life on his own? At once funny, insightful, and heartbreaking, *Running the Bulls* is perfect fans of Olive Kitteridge (Elizabeth Strout), *The Language of Flowers* (Vanessa Diffenbaugh), and *The Good House* (Ann Leary) who will be transfixed by this coming-of-age story of a late-middle-aged man. Also from Cathie Pelletier, *The Mattagash Series: The Funeral Makers* (Book 1): Welcome to Mattagash, Maine where everyone's personal lives are as entwined as their family trees. *A Wedding on the Banks* (Book 2): Amy Joy Lawler just announced her engagement—to an outsider! *The Weight of Winter* (Book 3): Surviving the winter will be hard; dealing with each other is another story. *The One-Way Bridge* (Book 4): Return to Mattagash—the anything but tranquil town where a mysterious dead body has just been found in the woods. What readers are saying about *Running the Bulls* *Running the Bulls* is filled with humor, and frailty, and heroism, and is so very human. Cathie Pelletier has once again given us a gift from the heart to both tickle and break our hearts. What reviewers are saying about *Running the Bulls* Masterful work...subversive, humorous, and heartbreaking.—Publishers Weekly Nobody walks the knife-edge of hilarity and heartbreak more confidently than Cathie Pelletier. In *Running the Bulls* she's at her skillful, sure-footed best. —Richard Russo, Pulitzer Prize-winning author of *Empire Falls* What people are saying about Cathie Pelletier Cathie Pelletier generates the sort of excitement that only writers at the very top of their form can provide.—Stephen King It is Pelletier's gift to be able to coax the drama from stony ground without artifice or sentimentality.—Boston Globe An ambitious, fearless novelist.—The Washington Post Cathie does a wonderful job of capturing [her characters'] moods and loves and losses, and yearnings...Her writing is lovely and so descriptive—Annie Philbrick, Bank Square Books, Mystic, CT Sharp stuff...Her sentences are powerful and unique as snowflakes.—New York Times

The Junior Book of Authors Stanley Kunitz, Howard Haycraft, 1951 An introduction to the lives of writers and illustrators up to 1934.

Car Trouble Robert Rorke, 2018-09-11 From a bright new talent, a witty, moving, and inspirational coming-of-age debut novel set in 1970s Brooklyn about a teenager and his abusive father whose obsession with broken down vintage cars careens wildly out of control. “Such a pleasure to read.... This is a coming of age story, but it is also so much more than that.”—Dominic Smith, New York Times bestselling author of *The Last Painting of Sara de Vos* Nicky Flynn is coming-of-age in 1970s Brooklyn, riding into his sophomore year at St. Michaels, the last hurrah of the Diocesan school system. A

budding young actor, Nicky is at once sensitive, resilient, exasperated, and keenly observant—especially when it comes to his father, Patrick. Undeniably enigmatic, and coasting on vanity, charm, and desperation, “Himself” as Nicky calls his father, is given to picking up old car junkers, for cheap at NYPD auctions—each sputtering, tail-finned treasure subsidized by poker games. To Patrick, these chrome glamour tanks are his obsessions, repairable reminders of the past when he was young, and everything seemed new and gleaming and possible—before he had a family. For Nicky, each one is a milestone. Whether it’s a harrowing joy ride or a driving lesson, they’re unforgettable markers on his path toward an unpredictable future. But as Patrick’s compulsions slide into alcoholism and abuse, Nicky, his mother, and sisters brace themselves for an inevitable sharp turn in their addled lives. Narrated with humor and a rueful awareness, *Car Trouble* is an exhilarating novel about acceptance, regret, compassion, and finding your authentic adult self amid the rubble and rumble of growing up.

The Boy Who Wanted to Be a Man Paul Bouchard, 2010-08 Little Roger, an eleven-year-old boy growing up in northern Maine near the Canadian border, must write a history paper about his small town of Frenchville. As his mother is telling him about growing up in nearby New Brunswick, Canada, she tells him that Where I’m from, a boy is not a man until he kills a deer. At that point Little Roger sets a new goal for himself, not only does he want to get an A on his history paper about Frenchville but now he also wants to kill a deer and become a man! He knows what he must do but it is something very new to him and he must find a way to reconcile the task with the outcome. With only a couple of days left in the hunting season, will Little Roger kill a deer and become a man?

House Fires Connor Franta, 2021-10-19 The New York Times bestselling author of *A Work in Progress* and *Note to Self* moves fully into adulthood with his illuminating, soulful, bleeding collection of narrative, poetry, and original film photography. Humanitarian, entrepreneur, and content creator Connor Franta first captivated readers with *A Work In Progress*, ruminating on his Midwestern roots to his early start as a visionary and online thought-leader. He continued his soul-searching-through-a-broken-heart with *Note to Self*, challenging readers—and himself—to ponder the spectrum of humanity and their place within it. Now as Franta approaches thirty, life is no less confusing, but he finds this journey endlessly fascinating. Writing about confusion and clarity, loneliness and whirlwind romances, despair and elation—and everything in between—Franta invites readers back into the intimacy of his mind. *House Fires* magnifies a young man’s emotional warfare with his past, the daze of wandering through modern times in search of purpose, and the electricity flying from tomorrow’s potential.

Wheels Arthur Hailey, 2014-05-13 Master storyteller Arthur Hailey’s #1 New York Times bestseller is a turbocharged thriller about America’s automobile industry, from the bottom up Ford. Chrysler. General Motors. They were the Big Three, accused by critics of greed, monopoly, and abusing the public trust. In the shadows of these towering giants is American Motors, blazing its own path to greatness. Adam Trenton, the fiercely ambitious executive in charge of project development, wants to take the company into the future with the new, cutting-edge car he’s developing, but his single-minded dedication has his neglected wife seeking dangerous thrills, making Adam vulnerable to a growing web of deceit, blackmail, and organized crime. From Detroit’s inner

city to its affluent suburbs, from the executive suites and secret design studios to the assembly line jungle and the maximum security testing grounds, Wheels is a breakneck ride full of human drama through one of America's most complex and competitive industries.

Parnassus on Wheels Christopher Morley, 2016-08-17 Parnassus on Wheels is Morley's first novel, about a fictional traveling book-selling business. The original owner of the business, Roger Mifflin, sells it to 39-year-old Helen McGill, who is tired of taking care of her older brother, Andrew. Andrew is a former businessman turned farmer, turned author. As an author, he begins using the farm as his Muse rather than a livelihood. When Mifflin shows up with his traveling bookstore, Helen buys it--partly to prevent Andrew from buying it--and partly to treat herself to a long-overdue adventure of her own. The first of two novels to be written from a woman's perspective, as well as the prequel to a later novel (The Haunted Bookshop), Parnassus on Wheels was inspired by David Grayson's novel, The Friendly Road, and starts with an open letter to Grayson, taking him to task for not concerning himself (except in passing) with his sister's opinion of and reaction to his adventure. Christopher Morley (5 May 1890 - 28 March 1957) was an American journalist, novelist, essayist and poet. He also produced stage productions for a few years and gave college lectures.

The Author of Beltraffio James Henry, 2017-04 The Author of Beltraffio is a short story by Henry James, first published in the English Illustrated Magazine in 1884. This macabre account of desperate family infighting eventually leads to a tragic conclusion. Although the father in the story is a novelist, the tale concentrates far more on his family relationships than on his special concerns as a writer, though some of those concerns affect the outcome. The narrator of the story, a somewhat naive American admirer of English novelist Mark Ambient, visits the writer at his home in Surrey. The narrator is very enthusiastic about Ambient's work, especially his latest novel Beltraffio.
