Authorized Mark Ward,2018 The King James Version has shaped the church, our worship, and our mother tongue for over 400 years. But what should we do with it today? The KJV beautifully rendered the Scriptures into the language of turn-of-the-seventeenth-century England. Even today the King James is the most widely read Bible in the United States. The rich cadence of its Elizabethan English is recognized even by non-Christians. But English has changed a great deal over the last 400 years—and in subtle ways that very few modern readers will recognize. In *Authorized* Mark L. Ward, Jr. shows what exclusive readers of the KJV are missing as they read God's word. In their introduction to the King James Bible, the translators tell us that Christians must heare CHRIST speaking unto them in their mother tongue. In *Authorized* Mark Ward builds a case for the KJV translators' view that English Bible translations should be readable by what they called the very vulgar—and what we would call the man on the street.

Nelson Mandela The Nelson Mandela Foundation, Umlando Wezithombe, 2009-06-23 The fantastic, heroic life of Nelson Mandela, brought to life in this landmark graphic work. Nelson Mandela's memoir, *Long Road to Freedom*, electrified the world in 1994 with the story of a solitary man who, despite unbelievable hardships, brought down one of the most-despised regimes in the world. Fifteen years after the publication of that classic work comes this fully authorized graphic biography, which relays in picture form the life story of the world's greatest moral and political hero—from his boyhood in a small South African village to his growing political activism with the ANC, his twenty-seven-year incarceration as prisoner 46664 on Robben Island, his dramatic release, and his triumphant years as president of South Africa. With new interviews, firsthand accounts, and archival material that has only recently been uncovered, this visually dramatic biography promises to introduce Mandela's gripping story to a whole new generation of readers.
