The Undergraduate Kara Bryn,2017-03-29 Darren's chance encounter with Mrs Cooper, the mother of his childhood friend, takes an unexpected turn when he finds himself sitting in her kitchen one afternoon wrapped in nothing more than a small towel. Soon the towel too disappears and Darren begins to wonder whether the older woman is flirting with him, toying with him, or simply looking for company. For the whole week all I could think about was that precious few minutes I had spent naked with Mrs Cooper, my childhood crush. And also for the entire week, just like my teenage years, every time I masturbated it was Mrs Cooper I thought of. I found myself scouring the internet for pictures that bore as close a resemblance to her as possible, naked or otherwise; anything that helped me to relive last Sunday afternoon. *The Undergraduate* is a CFNM love story that will take you on an exciting emotional and sexual journey. With an intense focus on character development and the interaction between the lead pairing, and with prose full of teasing descriptions and erotic sensuality, this is the CFNM novel that you've been waiting for.

You'll Get Used to It Arthur H. Pemmington,2018-12-23 Steve felt he had hit the jackpot when he found out that he was going to be moving in with two beautiful female roommates, Alyssa and Megan, one of whom was a stripper! He thought his luck couldn't get any better when they agreed to a wager where they would draw lots and one of them would have to spend the entire month in the apartment naked. But after Steve ends up losing the bet and finds that he is going to have to be the one naked for the month with two beautiful fully dressed women his naturally shy nature is going to be tested to the extreme as the women keep thinking of new increasingly humiliating situations to put him in. Will he be able to get through the entire month without any clothing or will the humiliation become too much for him? Find out in this new novella of CFNM (clothed female, nude male).

The Boy Toy Nicola Marsh,2020-11-17 A woman ready to give up on love meets her match in a man she never expected to fall for in this heartwarming and steamy new romantic comedy by USA Today bestselling author Nicola Marsh. For almost a decade, successful 37-year-old Samira Broderick has used her bustling LA practice as an excuse to avoid a trip home to Australia. She still resents her meddling Indian mother for arranging her marriage to a man who didn't stick around when the going got tough, but now with a new job Down Under, she's finally ready to reconnect with her. And while she's there, a hot

international fling might be just what she needs to get out of her recent funk. Aussie stuntman, Rory Radcliffe, has been hiding his stutter for years by avoiding speaking roles. When a job he can't refuse comes up as a reality show host, he knows he'll need some help for the audition: a dialect coach. But he finds himself at a loss for words when he discovers it's the same sexy woman with whom he just had a mind-blowing one-night stand... Samira can think of many reasons why Rory is completely wrong for her: he's ten years her junior, for one, and he's not Indian--something Samira's mother would never approve of. Even if things were to get serious, there's no reason to tell her mother...is there?

The CFNM Party Ava Paulson,2021-01-07 When Ava, Jenny, and Melissa decide to throw a CFNM party, they go big. What the men don't know, is that stripping naked for a party filled with beautiful women is only the first thing that will be required of them. And with CFNM, SPH, CBT, and BDSM on the menu, they are in for an unforgettable party. Ava would never, nor would she attempt to, forget that party. It was the summer after college, and she had moved into a house with Mel and Jenny, and it wasn't long before she realized that the summer was going to be crazy. The drinks, the parties, the boys wearing nothing or next to nothing became the norm. It had begun on one particularly raucous night, after a few drinks, that Mel blurted out, I want to see boys naked! I want to tear off their fucking clothes and make them naked! I want to fill the house with naked men! And with that, the CFNM party was born. And when Ava moved in, she had begun to get an idea of what may be in store, but it wasn't until the Sunday afternoon at the coffee shop that she fully understood how serious her roommates were in their commitment to debauchery. And, with their large and diverse circle of friends, and a good bit of coercing and cajoling, they created exactly what they had intended to. They threw an enormous, and unforgettable party, the kind that everyone knew could not be missed. The affair grew a sort of mystique that acted powerfully upon a wide-ranging social network, compelling attendance for what would be a fairly daunting arrangement. For the boys, at any rate. Upon entrance, all male participants are shown a changing room in which they were to leave their clothing. Or leave. And even though the boys had arrived prepared to be exposed, in this instance, exposed is an understatement.

A CFNM Carol K. C. Crozetti,2017-12-08 'A CFNM Carol' is an updated, erotic adaptation of Charles Dickens' immortal classic, 'A Christmas Carol'. Jeremiah Scrooge, a handsome middle-aged businessman, rebuffs his girlfriend's invitation to a Christmas Eve CFNM party, where clothed females are to be accompanied by naked men. That evening, Scrooge is visited by a trio of ghostly women who attempt to restore his enthusiasm for CFNM. The first of the three spirits, the Ghost of CFNM Past, is a glowing, ethereal angel who accompanies him back to his college years to relive key moments in his life that influenced his current bad attitude towards CFNM. The second spirit, the Ghost of CFNM Present, is a gorgeous, redheaded party girl who takes him on a whirlwind tour of various contemporary CFNM situations, showing him the fun he is missing. The last spirit, the Ghost of CFNM Yet to Come, is a frightening Phantom in the guise of a robed old woman. She shows him shadows of things that portend a bad future for Scrooge if he doesn't learn to love being nude around clothed women. The book includes 'Twas the Night Before CFNM', a short, humorous poem loosely based on Clement Moore's 'Twas the Night Before Christmas', that tells the tale of a young man who arrives a day early for a Christmas Eve CFNM party. As an added bonus, KC Crozetti has included a preview of the 'Coxworth Academy' series of erotic eBooks.

But after Eric can't save his own wife from dying, he finds himself at a loss -- the power of positive thinking is simply not enough to overcome his grief. Retreating to the home he and his wife shared on Martha's Vineyard, Eric, with his dog as his closest companion, attempts to distance himself from the teachings he has come to hate. But when a woman named Sam shows up at his door one night five years later, Eric must finally confront his heartache and reconcile his worldview with the pain he has suffered. At once a powerful love story, a stirring portrait of a soul laid bare by grief, and a celebration of

coincidence, connection, and the belief that true love never dies, *The Book of Why* explores the deep powers of the heart and mind to shape the world around us, blurring the lines between loss and love, fate and free will, despair and joy.
