How to Write a Children's Picture Book Volume I: Structure Eve Heidi Bine-Stock,2017-02-13 Recommended by writing instructors and award-winning authors. This volume emphasizes an aspect of children's picture books that has not yet been thoroughly investigated: structure. Both concept books and picture storybooks employ very distinctive structures that, once mastered, can be applied to any picture book you wish to write. When so many of the best picture books employ the same structures, it is important to analyze these structures, understand why they work, and learn how to incorporate them into your own writing. This volume helps you do all that. You will see that no matter how carefully you labor over the tone, word choice, plot, character, setting, theme and style of your picture book, you must have a thorough grasp of its structure if you wish your book to succeed. Indeed, you will find that an expert command of structure is the key to writing a successful children's picture book.

When You Only See One Set of Footprints Darlene Jackson,2012-03-01 As I was called, like Abraham, to leave my father's house and follow Christ, my journey would take me and my children to many places which God has caused us to Triumph in Christ Jesus. I was told to share my story and write the things I've seen and heard and lived through so others can know they too can do the same when they put ALL of their Trust in the Holy God of Israel. When You Only See One Set of Footprints is like an open letter to all Living Epistle, for my life has seen everyday living and living for Christ. To give people hope no matter where you are, He can be there, also to show my children and others what Faith looks like despite what people think it ought to look like, to give people hope and encouragement to follow God to the end. This was also a walk for the destroying of Generational Curse so my children (Donelle, Nathifa, Monae, Dominique, Nakeya, Simone), and now my grandson (Nook, Nook), would not have to encounter because I have gone before them to destroy all curses in their path. To bring about transparency in this walk and to show We can come through all things through Christ who strengthens us, so may all be encouraged as well as inspired to continue in the faith and to fight the good fight of faith and know you fight not alone, for you too can see there were only one set of footprints. God Bless.
