U bijegu DI Marija Zoric 2015-10-27 „I onda, kada čovjek pomisli, da ne može dalje i da nema nikakvog izlaza, ljudska duša puna ljubavi i pozitivnog naboja, u dubokoj tmini slijedi tračak svjetlosti. Čovjek i dalje strpljivo i marljivo radi, pun bola i neizvjesnosti. I jednoga dana, sa nebeskih visina zasija sunce kao nikada do tada i osvijetli nove pute“, riječi su ove spisateljice.

Usljed izbijanja građanskog rata u bivšoj Jugoslaviji, Marija Zorić odlazi sa svoja dva mala sina u izbjeglištvo u Austriju. U Beču se obrazuje za EDV-programera. Pisanjem svoje životne priče vraća se iznova svijetu književnosti, svojoj velikoj mladalačkoj strasti. Knjiga ima svoju sopstvenu Facebook stranu. Posjetite je!

These images of naked, pregnant women and nursing mothers with their children arouse feelings of joy and empathy whilst at the same time expresses uncertainty by their repetition and lack of completion, raising fundamental, existential questions as to why and how to live.' -- Publisher description.
