The Intermediate Level texts and workbooks are the second of a five-level series (Beginning 1 and 2, Intermediate 1 and 2, Advanced Intermediate 1 and 2, and Advanced 1 and 2) developed collaboratively by leading classroom teachers and linguists of Korean. All series volumes have been developed in accordance with performance-based principles and methodology-- learner-centeredness, contextualization, use of authentic materials, function/task-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced with simple but adequate explanations and abundant examples, exercises, and drills. Each situation/topic-based lesson of the main texts consists of two or three model dialogues, narration, new words and expressions, pronunciation notes, vocabulary notes, culture, grammar, task/function, and English translation of dialogues. The workbooks provide students with extensive skill-using activities based on the skills learned from the main texts.

Mild Korean Sanghyun Ahn, Haemin Han, 2015-04-20 Sick of boring textbooks? *Mild Korean* is an beginner Korean language textbook which starts from Hangeul, the Korean alphabet, and brings students to the point where they can begin to have basic conversations and survive in everyday life in Korea, not to mention tell a few jokes and become a stalker, too. This book is the prequel to *Wild Korean*, a textbook which encourages students to navigate many basic activities of daily life in Korea in a fun, exciting, and

occasionally perverted way. This series will not only get you functioning in Korean, but it will keep you entertained as well.
