Books of Adam Adam Ellis,2013-07-09 Adam Ellis knew it was time to leave art school when a fellow student presented her final project to the class: I put a condom on the Virgin Mary, she announced, unveiling a cheap figurine sheathed in latex. The professor loved it. Baffled by the praise his classmate receives, and intent on becoming an artist on his own terms, Adam plots his escape to Portland, Oregon to begin his life in the real world--only to realize that adulthood is a lot harder than it looks. Based on the blog of the same name, BOOKS OF ADAM details Adam's hilarious trials and tribulations in his attempt to become a functioning member of society. From his arrest after shoplifting a bottle of chocolate milk to a misguided attempt to make friends that lands him in a shack with a hippie couple who have just skinned a rabbit and are trying to entice him into a three-some, Adam is an amicable guy who can't seem to keep himself out of trouble. Paired with his signature black and white illustrations, Adam's stories weave together an uproariously funny and ultimately charming narrative about a young man trying to find his place in the world.

American Asshole Pasha Adam,2016-10-19 River Conway is a 29-year-old aspiring singer and actor whose dreams have been sidelined. After he and his girlfriend, Alana, graduated from New York University's Tisch School of the Arts, they moved to Arizona to care for her ailing father. Seven long years later, they're still there; River is working a dead-end job and worries that it's too late for him to break into the entertainment industry. Alana donates \$10,000 to her celebrity crush's crowdfunding campaign, and she and River are invited to his party in LA. There, River is inspired to launch a campaign of his own. Although his mother always told him that he was born for greatness (Why else would an honest, salt of the earth, lower middle class couple from Who Cares, Ohio, name their son River?), he decides to start Save an A\$\$hole, asking donors to help him leave behind a lifestyle that they wouldn't want to live themselves. Soon, River has second thoughts and deletes the campaign, but then Alana surprisingly offers to move to LA with him. In Hollywood, her rapid-fire networking lands her a role on a sitcom, and River resorts to relaunching his crowdfund concept. He's soon contacted by a TV comedy channel that wants to film the last days of the campaign as a telethon. River agrees, and the resulting media sensation and scathing headlines (Douchebag Becomes Millionaire For No Reason, Nation Weeps) lead to an exploitative reality show that takes him down an uncertain path.
