Adrienne Toner Anne Douglas Sedgwick,2015-05-01

Though born in the United States, Anne Douglas Sedgwick moved to England at the age of 9 and lived there for the rest of her life. Reflecting her own upbringing spanning the New World and the Old World, Sedgwick often concocted plots that juxtaposed these two cultures. In *Adrienne Toner*, an American girl finds herself navigating the unfamiliar territory of English society.

COME down to Coldbrooks next week-end, will you, Roger? said Barney Chadwick. He had been wandering around the room, pausing once to glance at the César Franck on the piano and once at the window to look down at the Thames, and his voice now, though desultory in intention, betrayed to his friend preoccupation and even anxiety. There is going to be an interesting girl with us: American; very original and charming.

Ardent Adrienne Lida Rose McCabe,2013-10 This is a new release of the original 1930 edition.

Ardent Adrienne Lida Rose McCabe,2008-06-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Adrienne Toner Ann Sedgwick (Mrs. Basil de Selincourt), 2019-06-21 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional\unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!
