The Angel Chronicles the Angel Auberon, edited by Barberi P, 2002-01-07 The Angel Chronicles Books I-V The Guardian Angels by the Angel Auberon The Angel Chronicles tells the romantic tale of the beginning of human life and of the angels' concern for human beings that resulted in their forming an assembly of Guardian Angels. If you believe in angels, all the better. But, even if you do not believe in angels, and see them only as a symbol of beauty and perfection, you will want to read this book. In the context of an enchanting story beautifully told you will find many insights into human psychology and the human spirit. This unusual and inspiring book is a must for everyone.

Hemmings P.G. Knight*** The Angel Chronicles is magic. It is a small book of big believing...it can change your life. Micheline Renauld*** The Angel Chronicles Books I-V The Guardian Angels by the Angel Auberon *** Auberon's Words of Introduction At the very beginning God asked the Angel Auberon, the most noble of the Principalities, to chronicle the events of all time. Auberon did as he was asked. In the year 2001 Auberon requested permission to come to Earth to tell his story. Auberon came to us at The White Notebook (R) Library, entrusting us with the story he wished to give to those who lived on Earth. The story he left behind is one of love and of angel beneficence. It is entitled The Angel Chronicles. In his book, Auberon describes how the world was created, how human life on Earth began and how the angels forever found ways to make a meaningful contribution to human beings. We at The White Notebook felt that Auberon left us with not only his words but with a greater respect for our potential as human beings, with intelligent optimism and, for many of us, a return to hopefulness. *** We have listed for you below the Table of Contents and synopsis related to Book I. The Angels in Guardiance of Domestic Pets The Primary Angels
God decided that the time had come to create a universe of worlds. In it would be a planet called Earth. God sent the angels out from their home in the beyondness for He had decided that the Earth would be sung into existence by them. The angels set to begin their work. Their finely feathered wings carried them in flight until they reached the center of the vast space of time. There they stopped. They breathed their beautiful breaths as they looked about and considered what they were to accomplish. The angels first sang into existence the planets and stars and the sun and the moon. They next sang their angel music until the Earth was made. All things upon the Earth the angels next sang into being, the mountains and rivers, and also the variety of creatures God wished to inhabit the Earth. In this way the entire physical world emanated from purely spiritual beings: God and His angel emissaries. The angels thought they might rest. But Michael the Archangel came to them in a dream to remind them that they were also to sing into life the most wondrous of all creatures, the human beings. The angels were astonished. Nonetheless, they sang the most beautiful of alleluias and human beings were brought into existence. When the angels saw the first human beings walk about the Earth, they fell in love. It was inevitable that the angels would fall in l

I Am the Angel Michael Stuart, 2009-06 When he's killed at a young age in a car accident, the unnamed narrator enters the spirit world and is surprised to learn that the angels want him to join their ranks. Upon arriving in Heaven, he discovers an idealized world of comfort, but the euphoria doesn't last, as he's forced to return to the rigors of school in an angel-training course. Soon he discovers that the many disappointments of his life have left him with a bitter disdain for all of mankind, and that an angel's existence might not be for him. Then he befriends Marley, a fellow angel-trainee. After a life of tragedy and addiction ending in overdose, she doesn't feel worthy of receiving the halo herself. But amidst a surreal world of asexual attraction, guardian spirits who curse like truck drivers, and a supreme being who might possibly enjoy waiting diner tables, the two start to help each other overcome their metaphysical and personal distress. It seems in death, you might learn there's more to you than you ever knew in life.

Mending Angel's Wings: The Gathering Storm Charity Angel, 2019-10-19 ♦What is it called?♦ she asked in a hushed voice. ♦Most Precious To Me.♦ He replied softly as tears filled his eyes and he studied Angelica's face for her response. Intense warmth began to radiate in the center of Angelica's body with more intensity. Her heart, felt like it skipped a beat. She couldn't help but raise her hand to her chest. It was as if the title of the painting had resonated deep within her soul, like the title of the painting was a message from Thomas to her. But that

was silly, he had painted it years before he ever met her. Yet, the feelings were so clear and insistently strong. Angelica looked up and noticed that there were more tears in Thomas's eyes.

What is it? She inquired as she began to feel unexpected and overwhelming emotions. This is a very special painting to me. He said.

The Big Book of Angels ,2002-01-01 Can angels truly exist in the twenty-first century - a time when faith is challenged regularly? From Beliefnet, a multifaith website, comes this guide to angels that gives answers to specific questions: what angels can and cannot do; why they appear when they do; what their purpose and nature is; whether we have guardian angels; whether it is possible to call angels in prayer or in times of need. This includes stories of modern angelic encounters and offers a guide to getting in touch with your own guardian angel and using that positive energy in daily life.

Angels Charlotte Montague, Over 50 per cent of Americans and over one third of British people believe that we all have a guardian angel that protects us throughout our lives. More people believe in these divine bodyguards than in global warming. It is truly astonishing how many spiritually aware people have seen or sensed an angel's presence at a time of contemplation or hardship. Angels have been protecting us for centuries. This book explores the cultural origins of the heavenly messengers that guide and heal every one of us and reveals compelling real-life encounters with angels. The result is a fascinating insight into the world of angels and their everyday presence among us. Contents: Angels through the ages, angels in Christianity, Judaism, Islam and Kabbalism. Angel links with black magic, occultism and ancient astrology. Paganism. Angel healers: what your angel can do for you. Angel encounters: real-life stories from people around the world.

My Guardian Angel Wanda Thomas,2012-07 Summary My Guardian Angel My Guardian angel is a book that will make you think of angels and how they are sent to help you out when you need them. Do you believe in angels? This book will help you to remember to ask for help even when you are fearful and in danger. Ten Days with an Angel Michael Combs,2007-06-01 Ten Days with an Angel is a personal account of a young, professional man whose shallow life is transformed after meeting an angel. While taking some time off from work, he is confronted by a man claiming to be an angel. Over the course of the next 10 days there are a series of bizarre coincidences with no logical explanation. Intrigued both by the days' events and the angel's uncanny insights and predictions, the author cannot help but follow along to see what's around the next corner. As the various events unfold, the angel shares his observations about mankind, causing the young man to question his own values and purpose in life. But the angel is full of profound answers and the incidents turn into a vehicle for change, not just for the man, but for all who experience the angel's unusual methods.

A Book of Angels Marigold Hunt,2006-09-01

Angel stories from the Bible — for kids

Modern believers may be tempted to look upon angels as one of the more fanciful elements of Scripture, but this illuminating and entertaining collection of angel stories from the Bible shows that there are just too many angels for them to be metaphorical,

allegorical, or unimportant.

So that children will come to know and learn to revere angels, Marigold Hunt explains what angels are (and are not!) and gathers here in one volume most of the stories of angels in the Bible, including exciting tales of:

1. The fallen angels, beginning with the devil himself, tempting Adam and Eve
2. The angel who barred the gates of Eden so Adam and Eve could never enter again
3. The angels who announced that Sara, Abraham's aged wife, would have a baby
4. The angels who tried to save Lot from destruction with the city of Sodom
5. The angel who stayed Abraham's hand as he was about to sacrifice his son Isaac
6. The angels in Jacob's dream who climbed the stairway to Heaven
7. The angels who saved Sidrach, Misach, and Abdenago from the fiery furnace
8. The angel Raphael, who shielded Tobias from death, and protected his wife Sara
9. The angels at the Ascension who chided the apostles for staring at the sky
10. The angel Gabriel, who foretold the birth of Jesus and John the Baptist
11. The choirs of angels who sang above Bethlehem when Jesus was born
12. The angel who carried food to Daniel when he was imprisoned in the lion's den
13. The angel who freed Peter from prison, and, of course:
14. The countless angels who fill the marvelous pages of the Book of Revelation

Children will be charmed by these exciting tales.
