Jerome R. Corsi

The Black Atlantic Reconsidered Winfried Siemerling, 2015-05-01 Readers are often surprised to learn that black writing in Canada is over two centuries old. Ranging from letters, editorials, sermons, and slave narratives to contemporary novels, plays, poetry, and non-fiction, black Canadian writing represents a rich body of literary and cultural achievement. *The Black Atlantic Reconsidered* is the first comprehensive work to explore black Canadian literature from its beginnings to the present in the broader context of the black Atlantic world. Winfried Siemerling traces the evolution of black Canadian witnessing and writing from slave testimony in New France and the 1783 Book of Negroes through the work of contemporary black Canadian writers including George Elliott Clarke, Austin Clarke, Dionne Brand, David Chariandy, Wayde Compton, Esi Edugyan, Marlene NourbeSe Philip, and Lawrence Hill. Arguing that black writing in Canada is deeply imbricated in a historic transnational network, Siemerling explores the powerful presence of black Canadian history, slavery, and the Underground Railroad, and the black diaspora in the work of these authors. Individual chapters examine the literature that has emerged from Quebec, Nova Scotia, the Prairies, and British Columbia, with attention to writing in both English and French. A major survey of black writing and cultural production, *The Black Atlantic Reconsidered* brings into focus important works that shed light not only on Canada's literature and history, but on the transatlantic black diaspora and modernity.

Global Pop Timothy D Taylor, 2014-08-13 *Global Pop* examines the rise of world musics and world beat, and some of the musicians associated with these recent genres such as Peter Gabriel, Ladysmith Black Mambazo, and Johnny Clegg. Drawing on a wide range of sources - academic, popular, cyber, interviews, and the music itself - *Global Pop* charts an accessible path through many of the issues and contradictions surrounding the contemporary movement of people and musics worldwide. *Global Pop* examines the range of discourses employed in and around world music, demonstrating how the central concept of authenticity is wielded by musicians, fans, and other listeners, and looks at some of these musics in detail, examining ways they are caught up in forms of domination and resistance. The book also explores how some cross-cultural collaborations may fashion new musics and identities through innovative combinations of sounds and styles.

Global Pop Timothy Dean Taylor, 1997 Western pop music draws heavily upon music from other cultures, bringing music and musicians from outside the west to a wide audience. The author surveys this phenomenon to provide the reader with a timely account of its impact on modern culture.

Real Hauntings 5-Book Bundle Mark Leslie, Jenny Jelen, Shayna Krishnasamy, 2018-10-13 Experience a ghostly thrill with Mark Leslie's five books on strange supernatural happenings. Macabre Montreal Montreal is steeped in history and culture. But there are dark tales, eerie stories, and ghostly spectres that come alive once the sun goes down. Creepy Capital True stories of ghostly encounters and creepy locales lurk throughout the Ottawa region. Come along with Canada's paranormal raconteur extraordinaire, Mark Leslie, and discover the first-person accounts of ghostly happenings at landmarks throughout the historic city and surrounding towns. Haunted Hamilton From the Hermitage ruins to Dundurn Castle, from the Customs House to Stoney Creek Battlefield Park, the city of Hamilton, Ontario, is steeped

in a rich history and culture. But beneath the surface of the Steel City there dwells a darker heart – from the shadows of yesteryear arise the unexplained, the bizarre, and the chilling. Spooky Sudbury From haunted mine shafts to inexplicable lights in the northern sky, there are strange things afoot in the peaceful northern municipality of Sudbury; eerie phenomenon that will amaze, give you pause, make you wonder, and have you looking twice at what might first appear to be innocent shadows. Tomes of Terror It's been said that books have a life of their own, but there's more than literature lurking in the cobwebbed recesses of dusty bookstores and libraries across Canada. Read about some of the most celebrated and eerie bookish haunts, and try to brush off that feeling of someone watching from just over your shoulder...

Angelique Sergeanne Golon,1996

Angelique Anne Golon,Sergeanne Golon,Rita Barisse,1995-01-01 Angelique is consumed by the desire for revenge when her husband is accused of witchcraft during the Inquisition

Angelique in Love Anne Golon,Sergeanne Golon,1963

Andrea's Diary Angelique Lacroix,2010-12 Behind the fairytale facade of castles and royalty, the bitter reality of 16th century life is exposed in a love story that is far from commonplace. In the turbulent era of the early Renaissance, two families join in a quest for peace between their countries. The events are told by each of the main characters who lend their unique perspectives to a saga of romance, betrayal, war, and insanity.

Angelique de Valcour, and Eglantine. Two elegant novels. By the authoress of 'The young mother'. ANGELIQUE DE VALCOUR,1813

Macabre Montreal Mark Leslie,Shayna Krishnasamy,2018-10-06 A collection of ghost stories, eerie encounters, and gruesome tales from one of Canada's most interesting cities. Montreal is a city steeped in history and culture, but just beneath the pristine surface of this world-class city lie unsettling tales of uncanny phenomena, dark deeds, haunted buildings, and forgotten graveyards. The dark of night reveals buried secrets, alleyways that echo with the footsteps of ghostly spectres, and memories of ghastly murders and unspeakable acts that will make your blood run cold. Read, if you dare, about the ghost that wanders Griffintown in search of her missing head, top-secret experiments conducted on unwitting subjects at McGill University, and the mysterious gunshot deaths of a mother and son in their mansion, among other terrifying stories.

Les écritures noires du Canada Winfried Siemerling,2022-06-15 The Black Atlantic Reconsidered is the first comprehensive work to explore Black Canadian literature from its beginnings to the present in the broader context of the Black Atlantic world. Winfried Siemerling traces the evolution of black Canadian witnessing and writing from slave testimony in New France and the 1783 Book of Negroes through the work of contemporary black Canadian writers including Austin Clarke, George Elliott Clarke, Dionne Brand, Wayde Compton, and Esi Edugyan. Arguing that Black writing in Canada is deeply imbricated in a historic transnational network, Winfried Siemerling explores the powerful presence of Black Canadian history, slavery, the Underground Railroad, and the Black diaspora in the work of contemporary Black Canadian writers. Individual chapters examine the literature that has emerged from Quebec, Nova Scotia, the Prairies, and British Columbia, with attention to writing in both English and French.

Angelique and the Ghosts Anne Golon,Serge Golon,1977

Rodeo as Refuge, Rodeo as Rebellion Elyssa Ford,2020-11-23 From the Wild West shows of the nineteenth century to the popular movie Westerns of the twentieth century, one view of an idealized and mythical West has been promulgated. Elyssa Ford suggests that we look beyond these cowboy clichés to complicate and enrich our picture of the American West. *Rodeo as Refuge, Rodeo as Rebellion* takes us from the beachfront rodeo arenas in Hawai'i to the reservation rodeos held by Native Americans to reveal how people largely missing from that stereotypical picture make rodeo—and America—their own. Because rodeo has such a hold on our historical and cultural imagination, it becomes an ideal arena for establishing historical and cultural relevance. By claiming a place in that arena, groups rarely included in our understanding of the West—African Americans, Native Americans, Mexican Americans, Native Hawaiians, and the LGBT+ community—emphasize their involvement in the American past and proclaim their right to an American identity today. In doing so, these groups change what Americans know about their history and themselves. In her journey through these race- and group-specific rodeos, Ford finds that some see rodeo as a form of escape, a refuge from a hostile outside world. For others, rodeo has become a site of rebellion, a place to proclaim their difference and to connect to a different story of America. Still others, like Mexican Americans and the LGBT+ community, look inward, using rodeo to coalesce and celebrate their own identities. In Ford's study of these historically marginalized groups, she also examines where women fit in race- and group-specific rodeos—and concludes that even within these groups, the traditional masculinity of the rodeo continues to be promoted. Female competitors may find refuge within alternate rodeos based on their race or sexuality, but they still face limitations due to their gender identity. Whether as refuge or rebellion, rodeos of difference emerge in this book as quintessentially American, remaking how we think about American history, culture, and identity.

Remarkable Oregon Women Jennifer Chambers,2015-11-30 Without the efforts of inspiring, brave women of the past, the progressive and individualistic Oregon we know today might not exist. From native tribes and Oregon Trail pioneers to Victorian suffragists and unlikely politicians, strong female leaders give profound meaning to the state motto, *alis volat propriis*--she flies with her own wings. Writer and activist Julia Ruuttila fought for the rights of the citizens of Vanport, the largely African American town lost to a disastrous flood in 1948. Others broke stereotypes to serve their communities, like women who helped build ships during World War II and the nation's first female police officer, Portland's own Lola Baldwin. Similarly, Laura Stockton Starcher unseated her husband as mayor of Umatilla. Author Jennifer Chambers tells these and many more stories of progressive, radical women who fought for change within their state.

Fundamentals of Public Relations and Marketing Communications in Canada William Wray Carney,Leah-Ann Lymer,2022-09-01 Experts in public relations, marketing, and communications have created the most comprehensive textbook specifically for Canadian students and instructors. Logically organized to lead students from principles to their application—and generously supplemented with examples and case studies—the book features chapters on theory, history, law, ethics, research methods, planning, writing, marketing, advertising, media, and government relations, as well as digital, internal,

and crisis communications. Chapters open with learning objectives and conclude with lists of key terms, review and discussion questions, activities, and recommended resources. Fundamentals of Public Relations and Marketing Communications in Canada will be essential in post-secondary classes and will serve as a valuable reference for established professionals and international communicators working in Canada. Contributors: Colin Babiuk, Sandra L. Braun, Wendy Campbell, John E.C. Cooper, Marsha D'Angelo, Ange Frymire Fleming, Mark Hunter LaVigne, Danielle Lemon, Allison G. MacKenzie, Sheridan McVean, Charles Pitts, David Scholz, Jeff Scott, Charmane Sing, Amy Thurlow, Carolyn Van Der Meer, Ashleigh VanHouten, Cynthia Wrate, and Anthony R. Yue. Bulk Collection Fred H. Cate, James X. Dempsey, 2017-09-08 This is an open access title available under the terms of a CC BY-NC-ND 4.0 International licence. It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations. This book is the culmination of nearly six years of research initiated by Fred Cate and Jim Dempsey to examine national practices and laws regarding systematic government access to personal information held by private-sector companies. Leading an effort sponsored by The Privacy Projects, they commissioned a series of country reports, asking national experts to uncover what they could about government demands on telecommunications providers and other private-sector companies to disclose bulk information about their customers. Their initial research found disturbing indications of systematic access in countries around the world. These data collection programs, often undertaken in the name of national security, were cloaked in secrecy and largely immune from oversight, posing serious threats to personal privacy. After the Snowden leaks confirmed these initial findings, the project morphed into something more ambitious: an effort to explore what should be the rules for government access to private-sector data, and how companies should respond to government demands for access. This book contains twelve updated country reports plus eleven analytic chapters that present descriptive and normative frameworks for assessing national surveillance laws, survey evolving international law and human rights principles applicable to government surveillance, and describe oversight mechanisms. It also explores the concept of accountability and the role of encryption in shaping the surveillance debate. Cate and Dempsey conclude by offering recommendations for both governments and industry.

Angélique and the Demon Anne Golon, Sergeanne Golon, Marguerite Barnett, 1973

Conspiracies and Secret Societies Brad Steiger, Sherry Steiger, 2012-06-01 Startling allegations. Suppressed evidence. Missing witnesses. Assassinations. Cover-ups and threats. Documented connections to even deeper intrigue. Allusions to the New World Order. Coincidences? Too many to be mere coincidence? American history is replete with warnings of hidden plots by the Illuminati, the Freemasons, the Zionists, the Roman Catholics, the Communists, World Bankers, the Secret Government, and Extra-Terrestrial Invaders, to name a few. Separating fact from fiction, this compelling work provides gripping details and presents the information without bias, including hundreds of individuals, organizations, and events where official claims and standard explanations of actions and events remain shrouded in mystery. *Conspiracies and Secret Societies: The Complete Dossier* examines the most common subjects among conspiracy theorists, from historical topics such

as the true relationship between Jesus and Mary Magdalene, the Roswell UFO crash, and the assassinations of John F. Kennedy and Martin Luther King Jr. to more current issues such as the death of Princess Diana, FEMA's response following hurricane Katrina, and the recent earthquake and tsunami in Japan.

The Obama Nation Jerome R. Corsi, 2008-08-05 In this thoroughly researched and documented book, the #1 New York Times bestselling co-author of *Unfit for Command: Swift Boat Veterans Speak Out Against John Kerry* explains why the extreme leftism of an Obama presidency would leave the United States weakened, diminished and divided, why Obama must be defeated -- and how he can be. Barack Obama stepped onto the national political stage when the then-Illinois State senator addressed the 2004 Democratic National Convention. Soon after Obama was elected to the U.S. Senate, author Jerome Corsi began researching Obama's personal and political background. Scrupulously sourced with more than 600 footnotes, *The Obama Nation* is the result of that research. By tracing Obama's career and influences from his early years in Hawaii and Indonesia, the beginnings of his political career in Chicago, his voting record in the Illinois legislature, his religious training and his adoption of Christianity through to his recent involvement in Kenyan politics, his political advisors and fundraising associates and his meteoric campaign for president, Jerome Corsi shows that an Obama presidency would, in his words, be a repeat of the failed extremist politics that have characterized and plagued Democratic Party politics since the late 1960s. In this stunning and comprehensive new book, the reader will learn about: Obama's extensive connections with Islam and radical politics, from his father and step-father's Islamic backgrounds, to his Communist and socialist mentors in Hawaii and Chicago, to his long-term and close associations with former Weather Underground heroes William Ayers and Bernadette Dohrn -- associations much closer than heretofore revealed by the press. Barack and Michelle's 20-year-long religious affiliation with the black-liberation theology of former Trinity United Church of Christ Reverend Jeremiah Wright, whose sermons have always been steeped in a rage first expressed by Franz Fanon, Stokely Carmichael and Malcolm X, a rage that Corsi shows has deep meaning for Obama. Obama's continuing connections with Kenya, the homeland of his father, through his support for the candidacy of Raila Odinga, the radical socialist presidential contender who came to power amid Islamist violence and church burnings. Obama's involvement in the slum-landlord empire of the Chicago political fixer Tony Rezko, who helped to bankroll Obama's initial campaigns and to purchase of Barack and Michelle's dream-home property. The background and techniques of the Obama campaign's cult of personality, including the derivation of the words hope and change. Obama's far-left domestic policy, his controversial votes on abortion, his history of opposition to the Second Amendment, his determination to raise capital-gains taxes, his impractical plan to achieve universal health care, and his radical plan to tax Americans to fund a global-poverty-reduction program. Obama's naïve, anti-war, anti-nuclear foreign-policy, predicated on the reduction of the military, the eradication of nuclear weapons and an overconfidence in the power of his personality, as if belief in change alone could somehow transform international politics, achieve nuclear-weapons disarmament and withdrawal from Iraq without adverse consequences, for us, for the Iraqis or for Israel. Meticulously researched and documented, *The Obama Nation* is the definitive source for information on why and how Barack Obama must be

defeated -- not by invective and general attacks, but by detailed arguments that are well-researched and fact-based.

Angélique and the Ghosts Anne Golon, Sergeanne Golon, 1978

Angelique.htm Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has are more evident than ever. They have the ability to inspire, provoke, and ignite change.
