**"Oh, Yes it Is"!** Gerald Frow,1985 Imagine Christmas without pantomime -- without the Ugly Sisters, Dick Whittington and his Cat, or Jack

slaying the giant! They are as much a part of holiday tradition as the turkey, mince pies, the fairy on topthe Christmas tree, the holly and mistletoe.

But how much do we know about this peculiarly British Institution. When did it start? And how did the characters and storylines assume the form we

now regard as essential to the true nature of pantomime?

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
