Becca Jameson

Becca Kali Hart,2020-09-06 Becca I've had it bad for Soren since the first time he and his son came to the bakery. I'm pretty sure I'm even in love with the guy. Pathetic, I know. Everyone in town knows the hottest single dad around doesn't date. He's out of my league anyway. I least, I thought he was. But the night we get locked in the bakery storeroom together, everything changes. Soren's hidden feelings for me are set loose. I just wish I knew what tomorrow was going to bring. Soren I've had a thing for Becca Belmont since the first time I saw her. But I haven't let a woman get close to me in a long time. Ever since Luke's mother ditched us, I don't want my son to get hurt again. I can't risk him getting attached to another woman who leaves. But the night I end up locked in the bakery storeroom with Becca, I can't hold back what I've been secretly feeling for her for months. I can't be certain what daybreak will bring, but I do know one thing: Becca is meant to be mine. Rescued by Love is a sweet & steamy instalove series featuring five sisters who own a bakery finding their HEAs with rugged, protective men who secretly have hearts of gold.

It's the perfect adventure for the Bunch, as Becca and her

friends Pedro, Sylvia, and Russell like to call themselves. But excitement turns to worry when Becca realizes she has only three tickets but that there are four of them all together. Oh, feathers! How will Becca choose which of her friends to take on the Firefly Flyby?

Reviving Bianca Becca Jameson, 2019-01-29 Life has not been kind to Bianca. Childhood abuse has left her cautious. She trusts no one. Especially men. Guarding her emotional and physical scars has been her life's mission. She went to her deathbed without ever sharing her secrets with anyone. Or so she thought. Waking up from ten years in a cryostat leaves her scared out of her mind. People have seen her scars. The horror of that new reality has her reeling. And worse? She's been left alone in the care of a man she barely knows. Grayson's job is to keep Bianca safe and nurse her to health. He's well aware she has secrets. The welts on her back explain a lot about the private woman. It's not a surprise that she doesn't trust him. She doesn't deserve whatever life has dealt her. He will move mountains to keep her safe and help her heal. As their friendship grows, he gradually breaks down her walls. He'd give anything for her to let him in. But he won't rush her. Patience is his best option. Bianca believes she is too broken to be loved. Grayson will wait a lifetime to prove her wrong. The books in this series can be read on their own, but readers will enjoy the Project DEEP series more if they are read in order.

Impressing Brett Becca Jameson, 2023-11-07 Lacy My childhood was not ideal.

My mom died when I was twelve. My father didn't want me. He forced me to grow up before I was ready. And then he tried to coerce me to marry against my will. I had two options; I chose to walk away and never look back. It's been ten years; my father's sudden death means little to me. I don't even care that he cut me out of his will. Except maybe he didn't. Brett I've known Lacy for a long time. I've always been attracted to her, but she's not Little. She's in trouble though. Someone tried to burn down her apartment building. She needs a place to stay. And...I was wrong about her. She might not know what it means yet, but she is Little. She needs protection too. Someone is following her. They'll never get their hands on her because she's mine.

Nurturing Britney Becca Jameson, 2021-03-02 Britney I'm a stripper by night while I live plain and under the radar by day. A gal has to do whatever's necessary to make ends meet. My boss has maintained a hands-off policy for me, but now I know why. I've been sold. My innocent looks. My petite frame. My virginity. I'm a commodity. I'm on the run. I'm used to living a tough life. I've done it since I was born. When Davis takes me in, he offers protection, solace, relief. He offers a chance to experience the things I missed out on. He offers to be my Daddy Dom. I'm his little now. I've never been happier. But my boss is looking for me. He'll stop at nothing to find me. Even if I could escape that fact, how long can I find comfort in being Daddy's little girl? Davis I left the military and moved to Seattle to join my buddies at Black Blade Protection. I left behind my little. We were

growing apart. We wanted different things. I spend my days and nights protecting people. Providing security. I'm not prepared to be knocked on my ass by a sprite of a woman who can't meet my gaze. She's the entire package—cute and sexy with big blue eyes and hair down to her butt. She needs my help, but it's impossible to ignore her tendencies as a little. She's vulnerable and alone. Nightmares yank her out of her sleep. She's also precious and gracious and has me wrapped around her finger. I should keep my hands to myself. She doesn't know about my world. The choice is ultimately hers, but first I have to destroy her buyer and end the threat to her life.

Rewarding Avery Becca Jameson, 2022-01-18 Avery I've known I'm a middle for a long time. It's why I got divorced. I needed something...more. What I need is an older, sophisticated, stern man. What I don't need is my much younger, smoking-hot neighbor to mow my lawn. The man's a personal trainer. His muscles have muscles. I'm much too old for him and not at all his type—fit. And yet, he has the audacity to ask me out. He's coming over tonight. Why on earth did I agree to this? Andrew I've had my eye on Avery for two years. She's cute, youthful, and adorable. She's also independent, and she likes to stomp her feet when I help her. It's time to take a chance and ask her out. Since she thinks she owes me for mowing her lawn, she can make me dinner. I should not be shocked to find out she's a Middle. And I'm far from disappointed. I just need to convince her to give this younger guy a chance.

Convincing Leah Becca Jameson, 2021-08-17 Leah A childhood reprimand has

caused me to be extremely hard on myself. To this day, I never misbehave. But even my thoughts require absolution, and I get that at the club. My favorite release comes in the form of impact play. Two nights a week. That's all I allow myself. Many of my friends are little. I get it, but it's not for me. I can't be little. I was never little. I became an adult when I was five. I don't know how to be young. What if I do it wrong? Craig I've wanted Leah from the moment I first saw her. I don't care that she's not little. But I'm a Daddy, through and through. After two months of playing exclusively with her at the club, I want more. Can I set that part of me aside and be what she needs? Her world gets flipped upside down by a crazy fan. She needs to tap into her inner little to escape and hide. And she needs me to protect and nurture her. Can she see I'm here to pick up the pieces no matter where they fall?

Leaving Roman Becca Jameson, 2020-03-31 Lucy. I'm restless. I can't put my finger on it. I have all I've ever wanted. I should not rock the boat of my perfect life. Daddy takes care of every detail. But there's something missing. I need more. Even if it means risking everything. Roman. I'm worried. I've never been more nervous. All I want is for my little to be happy. But I'm no longer sure I'm enough for her. Especially when she's so clearly full of doubt. She wants more. She deserves the world. Is it time to let her go?

Reviving Dade Becca Jameson, 2018-08-07 Blair has the perfect cushy

assignment. Protect Dade while he recovers from ten years in a cryostat. In a remote hidden cabin. With plenty of supplies. And nothing but time. But time is Dade's number one enemy. And Blair can't seem to maintain her badass persona around him. He's breaking down her walls. She's working her ass off to convince him life is worth living. A mole in the government would rather see him dead. An experimental treatment could save him. One he isn't willing to try. Even when they're arguing, the chemistry between them is palpable. But now is not the time for romance. Now is the time to fight for his life.

Charming Colton Becca Jameson, 2021-05-25 Evelyn I lead a very complicated and complex existence. I'm a force to be reckoned with by day: pencil skirts and heels, totally professional. In the evenings, I let myself be the little I am inside. It doesn't matter that I don't have a Daddy for real. I spend a few nights a week at Surrender setting up scenes to exercise my brat. But now my life is in danger. Letting Colton move in with me to protect me puts a cramp in my style. How am I going to be myself around him and fulfill my own desires? He's not even a club member. And Colton is certainly not a Daddy. Or maybe he just doesn't realize it yet. Colton I've worked undercover for a long time. I've seen everything. Or...maybe not. The gorgeous woman I'm assigned to protect has two sides. I've always known I'm rather dominant, but a Daddy? This is new to me. I need to play the role to keep her safe. It's just for a few weeks. I'm shocked when I tap into a side of me I never knew existed. Evelyn tugs at my heart. Both her little and her adult. It doesn't

take long to know she is mine. Undercover work is not conducive to long-term relationships. Eve deserves more. When this assignment is over, I'll never see her again. I'm treading on thin ice. Now what?

Building Trust Becca Jameson, 2022-06-21 Stella For the first time in my life, I'm dating a man who rocks my world. He gives me exactly what I need at the club. And he's amazing in bed. The only problem is this can't last. We're too different. He's a Daddy. I'm not a Little. I haven't even told my friends who he is. No one knows about us. I like it that way so when it ends, it won't be as hard. Walker For three months I've been dating the perfect woman. I know she thinks we're not compatible, but she's wrong. I give her what she needs when we're at Surrender. She gives me what I need when we're at home. It's just that she hasn't realized it. At some point I'm going to have to tell her. I know she'll panic, but she's got a Little side. She can't see it yet, but she's mine. Forever.

Finding Peace Becca Jameson, 2022-04-19 Brea I'm finally free from the constraints of my large family. I have a great job at the most amazing resort. I'm finding myself and I'm learning so much from the other employees. I've never known about this lifestyle before, but I think I'm Little. And the man who has come to work on the basement might be my Daddy. But his lifestyle is so different from mine. I could never fit into his world. Niko I've retired from pro football and run a philanthropy in Seattle. My sneaky friend has asked me to do some construction at Blossom Ridge. He knows I have a soft

spot for broken souls. It's been a long time since I've had a Little of my own. My heart seizes when I meet her. I already know she's mine. I just have to convince her she's become my world.

Shelter Becca Jameson, 2022-05-24 There is no safe place in the world anymore, especially for women. For several decades, the birth rate of females has been declining. Militants, the government, and private citizens alike will do anything to find young women and force them into unthinkable arrangements. Against the darkness of this world stand The Wanderers—a secret society born to provide sanctuary for anyone who believes in free will and democratic notions. Their numbers are growing and their citizens live in safe, hidden compounds. Serve and obey your husband. The Republic has drilled this command into Haley for the fourteen years she's lived in a home for girls. Now that she's standing at the altar about to marry an aristocrat she's never met, Haley fears what those words could mean once she's at the mercy of her new husband. Braylon, Riggs, and Storm had always planned to escape The Republic someday. When Braylon meets the sweet, beautiful wife he's expected to rule, he knows he could never harm her, including claiming her innocence. He's not alone—Riggs and Storm are just as enamored with her. When Braylon's mother decides her daughter-in-law hasn't conceived fast enough for her taste, the three must find a way to get Haley to safety. The time to escape is now. Rush was living with The Wanderers for three years when he was kidnapped and taken by The Republic. His new home: a holding cell

in the basement of some aristocrats. His new job: father a baby against his will. When Rush meets Braylon and the others, he offers them a way out. Can they trust him? The trip will be long and dangerous, but they will risk it all to protect Haley. The first taste of freedom is the sweetest. There will be challenges along the way. Militants are everywhere just waiting to attack men and capture women for their own. Haley may be surrounded by men who would move mountains to save her, but she's got news for them: if they want to earn her love, they're going to have to stop coddling her and let her fight alongside them.

Sanctuary Becca Jameson, 2021-10-19 The world is no longer a safe place, especially for women. For several decades, the birth rate of females has been declining. Militants, the government, and private citizens alike will do anything to find young women and force them into unthinkable arrangements. The Wanderers are a secret underground society, born to provide sanctuary for anyone who believes in free will and democratic notions. They have grown in numbers for many years and have several compounds where their citizens live in safety. After living off the grid for all of her twenty-one years, Layla's life has been uprooted after the murder of her parents. On the run with her nineteen-year-old sister, she's hungry, scared, and running out of time. At her lowest moment of despair, she finally finds someone who can take them to The Wanderers. Layla knows how to take care of herself. She can fight. She can forage for food. She has bad-ass survival skills. But she has never been

this close to anyone outside of her immediate family, especially men. So many men. She's aware of society's inclination towards living with multiple partners, but is she ready to enter into a polyamorous relationship herself? Jay, Gatlin, Ledger, and Nile have been living as a family unit with The Wanderers for years. When Layla shows up, they practically trip over one another in an effort to woo her. She's young and sweet and kind and all that is good in the world. Pressuring her to choose them is strictly forbidden of course. They must be patient. When Layla goes missing, her men will do anything to find her before she falls into the wrong hands. Losing her is not an option. They just got her. But is she really theirs?

Layover Becca Jameson, 2020-10-27 Libby It was supposed to be a one-night stand with a buff Delta. A chance to experience the forbidden. Her parents would never approve. Her mother's heart is set on her marrying a Guatemalan. But Jason rocked her world, and she can't get him out of her mind months later. The chemistry... The way he made her feel... The control... When he steps into her path again, she can't resist the temptation. She won't. Someone is stalking her though, threatening her new relationship. The last thing she expects is to be kidnapped from her own home. She has no idea where she is, and there are no guarantees Jason will find her in time. Jason No way was he going after a woman who snuck out on him. No matter how good the sex was or how well they connected. He needed to focus on his last few months in the Army. But she was never far from his mind, and now he's moved to her town.

He's not about to let her slip through his hands a second time, but is she using him? He's been screwed over before. He won't make the same mistake twice. On top of that, a secret admirer is sending Libby gifts. When she disappears, Jason finds himself racing against the clock to find her. He won't give up, not on her, nor on their relationship.

Honoring Hudson Becca Jameson, 2021-01-12 Cindy I work at the front desk at Surrender, but it's just a job. I don't play in the club. After seven years, I know all the members and I'm familiar with every sort of kink. Including mine. Master Hudson is new, and he spends a lot of time flirting with me. I know he likes me, but I can't fall for him. I won't. I have too much baggage. No one can ever know my secrets. I'll never reveal my little side. Not even to Master Hudson. I won't take the risk. Not with anyone. No matter how much I crave a Daddy of my own. Hudson She catches my eye the first time I enter the club. She's mysterious and sweet and nervous and a little OCD. I don't know her secrets, even after chipping away at her walls for months. But I'm half in love with her the first time she submits to me. When her world comes crashing in, I'm there for her. Then I see the inside of her closet and my heart stops. She's mine, and I'll do whatever it takes to convince her to be my little.

Embracing Joy Becca Jameson, 2023-01-24 Giana I'm a well-known masochist. I've been a member of Surrender for two years. Someone unknown sponsors me. I can barely make ends meet, and I've just lost yet another job. When Kendric

discovers me living in my car, he takes me home. It's a horrible idea. I can't stay with him. He's a Daddy. I need a sadist in my life. But I'm falling for him, and I don't have any other place to stay. Kendrick I've been secretly sponsoring Giana. She's intriguing, but I've never approached her. She's not Little. I'm not a sadist. At least that's what I've believed for two years. When I find her living in her car, another side of Giana comes out. She submits to me as a Daddy Dom. She thrives, even when I take her to Blossom Ridge. Convincing her she's my Little is a challenge, and I'm all in.

Come Becca Jameson, 2014-07-03 To save her, he may have to break all the rules... Katy Marks has worked hard for years to make partner at her law firm. Unfortunately, one of the firm's partners has been pressuring her for a date. She has no interest in sleeping her way up the corporate ladder, but he won't take no for an answer, and he's following her. His Lexus is in the parking lot of her uncle's gym when she steps outside. In a split-second decision, she plasters herself to the sexy man leaning casually against the wall outside the gym. Rafe Wesson is stunned by one look at the woman so totally out of place at the gym. His plan is to casually run into her outside and ask her out. And then she catches him off-guard with a kiss that rocks his world. Katy isn't Rafe's type. She's far too innocent. But two dates don't dampen his desire. Rafe has personal rules against sleeping with a woman before she is fully informed about his preferences. However, Katy is persistent. She wants him, but he fears he'll lose her when she finds out about his

lifestyle. Rafe tries to step away from her, but he can't ignore the unknown threat that haunts her, and time is running out. Someone wants Katy dead. And Rafe wants Katy...very much alive. This book is a re-release of a previously published book. No additions or changes have been made to the story.

Hiding in the Mountains of Montana is their best chance at survival. Trish isn't on the same page. She wants more time with the son she hasn't seen for ten years. She wants her life back.
