Time Away From the Heart: The Bloom Brianna Barnes, 2018-10-21 Being a woman is not easy. There is a time when a woman has to do what she has to do. Life as a single parent is rough. Callene Gaines is a single mother who is raising an adult boy named Coitan in modern day society. Pain consumed with anger takes over her life as she realizes she is dealing with unresolved issues between herself and the father, her son, has never known. Will she be able to forgive and push back past hurts and have a complete family that she always dreamed of? Or will her anger consume her and everyone connected with her?

The Protege Brianna Hale, 2018-07-04 He's always protected me since I was eight years old, the neglected girl he took off the street and raised as his own. Laszlo can feel what music needs instinctively. He can tell what I need. My world shattered the night of my eighteenth birthday and he still hasn't forgiven me for what I did. I'm not asking him to love me, touch me, take me to bed. What I want goes deeper than that and I have to say this out loud because it's one thing that music won't be able to tell him. I want what only Laszlo can give me. I want to be his protégé again. And this time, I'm going to be so good for him. Yes, maestro. Yes, sir. Yes, daddy.

Since falling for a kid that defended her in preschool many years ago, she's lived a life in honor of all things Austin Payne. Cameron Steven's family has money--lots of it. He even has the perfect life with the perfect fiancée and a perfect future. Or so he believes. When he tries to surprise his perfect fiancée after extended travel outside of the US, he's left crushed. All hope is gone. But as with life and destiny; nothing is ever final. One day, on a chance encounter, Cameron and Brianna meet. That moment becomes etched within their minds. Their personal lives begin imploding, yet they keep finding each other when they never expect to. These chance encounters grown and develop into something so sublime that they are eventually forced to examine the possibility of loving someone new. *At Her Core* is a slow burn where the main characters do not get together easily, as with real life--they must first work on themselves. It's also an emotional story of love, disappointment, hurt and most importantly, redemption. (This is a re-release & 3rd volume.)

She never saw such cocky warmth with a glint of mischief combined so well in one man's eyes. Later, during a sunrise trip for a hidden crystal cave, Gregg sees the haunted look slowly drain from her jade green eyes as the warm mineral spring creates a natural whirlpool around them. Brianna invites Gregg and his grandfather to brunch afterward. Her new-found peace and delight are shattered before she can serve them all dessert.

Negotiating Peace Shimreingam L. Shimray, 2020-09-29 In *Negotiating Peace*, Shimreingam L. Shimray argues that peace cannot be derived from outside forces but that it must instead be created from within the local context by the local people adopting their own cultural and historical system and using their own intellectual and material resources. The author uses a deeply contextual reading of his own setting, resulting in a work whose value rests in revealing how the tribal people of North East India have used their own resources to work for a culture of peace amidst tension and difficulty. *Negotiating Peace* grows from an ongoing commitment on the part of Fortress Press to bring creative theological reflection from the Global South to the conversations taking place around the world. It will be of interest not only to scholars of Christianity in North East India but to scholars, students, and those interested in peace studies.
