Figuring the Word Johanna Drucker, 1998 Introduction by Charles Bernstein. Essays by Johanna Drucker.

Free of Codes Jonathan Safran Foer, 2010 A masterful work of storytelling, a unique sculptural object created through a collaborative process between Visual Editions and author. A curiosity with the die-cut technique was combined with the pages' physical relationship to one another and how this could somehow be developed to work with a meaningful narrative. This led to Jonathan deciding to use an existing piece of text and cut a new story out of it - his favourite book, The Street of Crocodiles by Bruno Schulz. Writing, cutting and proto-typing has created a new story cut from the words of an old favourite.

The Bibliomania Or Book-Madness T F Dibdin, P M Danckwerts, 2006-12-01 'If the editor has allowed himself to become as Dibdinesque as his subject, then it is all part of the fun of a work where references and citations run back and forth like so many ink rollers on a printing press.' - Rare Book Review 'A usefully annotated edition' - Financial Times

The Century of Artists' Books Johanna Drucker, 2004 Over the last ten years this book has become the definitive text in an emergent field: teachers, librarians, students, artists, and readers turn to the expertise contained on these pages every day.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. The Unfortunates B S Johnson, 2023-06-29 A sports journalist, sent to a Midlands town on a weekly assignment, finds himself confronted by ghosts from the past when he disembarks at the railway station. Memories of one of his best, most trusted friends, a tragically young victim of cancer, begin to flood through his mind as he attempts to go about the routine business of reporting a football match. B S Johnson's famous 'book in a box', in which the chapters are presented unbound, to be read in any order the reader chooses, is one of the key works of a novelist now undergoing an enormous revival of interest. The Unfortunates is a book of passionate honesty and dark, courageous humour: a meditation on death and a celebration of friendship which also offers a remarkably frank self-portrait of its author.
