Become the answer to the question, You know who you should talk to about that?

Arabic Type-Making in the Machine Age Titus

Nemeth,2017-07-20 Arabic Type-Making in the Machine Age is an in-depth historical study of the evolution of Arabic type under the influence of changing technologies in the twentieth century.

Dawn to the West Donald Keene,1999 Donald Keene's definitive history of modern Japanese literature is an achievement beyond the range and scope of any other western writer.

Bibliomania Thomas Frognall Dibdin,1876

Figuring the Word Johanna Drucker,1998 introduction by Charles Bernstein. Essays by Johanna Drucker.

Tree of Codes Jonathan Safran Foer,2010 A masterful work of storytelling, a unique sculptural object created through a collaborative

process between Visual Editions and author. A curiosity with the die-cut technique was combined with the pages' physical relationship to one another and how this could somehow be developed to work with a meaningful narrative. This led to Jonathan deciding to use an existing piece of text and cut a new story out of it - his favourite book, *The Street of Crocodiles* by Bruno Schulz. Writing, cutting and prototyping has created a new story cut from the words of an old favourite.

The Bibliomania Or Book-Madness T F Dibdin, P M

Danckwerts, 2006-12-01 'If the editor has allowed himself to become as Dibdinesque as his subject, then it is all part of the fun of a work where references and citations run back and forth like so many ink rollers on a printing press.' - *Rare Book Review* 'a usefully annotated edition' - *Financial Times*

The Century of Artists' Books Johanna Drucker, 2004 Over the last ten years this book has become the definitive text in an emergent field: teachers, librarians, students, artists, and readers turn to the expertise contained on these pages every day.--BOOK JACKET. The Unfortunates B S Johnson, 2023-06-29 A sports journalist, sent to a Midlands town on a weekly assignment, finds himself confronted by ghosts from the past when he disembarks at the railway station. Memories of one of his best, most trusted friends, a tragically young victim of cancer, begin to flood through his mind as he attempts to go about the routine business of reporting a football match. B S Johnson's famous 'book in a box', in which the chapters are presented unbound, to be read in any order the reader chooses, is one of the key works of a novelist now undergoing an enormous revival of interest. *The Unfortunates* is a book of passionate honesty and dark, courageous

humour: a meditation on death and a celebration of friendship which also offers a remarkably frank self-portrait of its author.
