Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Nothing Left to Steal Mzilikazi wa Afrika,2014-08-20 This tell-all memoir reveals the details behind Sunday Times journalist Mzilikazi wa Afrika's exposure of the R1.7 billion lease scandal between police commissioner Bheki Cele and property tycoon Roux Shabangu, for which he was infamously arrested in 2010. It is also the riveting account of how a neglected boy in an unknown village became one of South Africa's most awarded investigative reporters and found himself at the receiving end of the corruption that had defeated those he helped put in power. Fearless in the face of corrupt authorities with sinister political motives, and fervent about justice, Wa Afrika's life was characterised by resistance to oppression and inequality from an early age. Destined to defend and uphold the principles of democracy, his story is the inspiring tale of an ordinary man, armed with a pen, who challenged the proverbial giant.

How to Write a Children's Picture Book Volume I: Structure Eve Heidi Bine-Stock, 2017-02-13 Recommended by writing instructors and award-winning authors. This volume emphasizes an aspect of children's picture books that has not yet been thoroughly investigated: structure. Both concept books and picture storybooks employ very distinctive structures that, once mastered,

can be applied to any picture book you wish to write. When so many of the best picture books employ the same structures, it is important to analyze these structures, understand why they work, and learn how to incorporate them into your own writing. This volume helps you do all that. You will see that no matter how carefully you labor over the tone, word choice, plot, character, setting, theme and style of your picture book, you must have a thorough grasp of its structure if you wish your book to succeed. Indeed, you will find that an expert command of structure is the key to writing a successful children's picture book.

Women in Lust Rachel Kramer Bussel, 2011-11-01 Lust is urgent, overpowering, and potent. While in real life readers may not always act every time desire calls, in fiction, they can abandon the safety of propriety to seek out lust and sex wherever they find them. The characters in *Women in Lust* may vary in the objects of their lust, and how they go about acting on it, but what connects them is that pure impulse for a lover. Sometimes he is someone she knows well, a boyfriend or a husband; in other stories, he is a stranger, and is desirable precisely because he represents the unknown. Whether watching a

lover playing guitar, going out for a smoke or simply engaging in a chance encounter, these women seize the opportunities presented to them, and savor the lovers who teach them about themselves, helping open them up to new sensual possibilities.
