Ten Little Christians U. Art. Known,2015-09-11 What is this human life all about? Are we are just floating about on some cold orb in the vast universe that God created, who then left us to our own devices to fend for ourselves? Hardly! We have a loving and personal God, all wise and all knowing, that desires an intimate relationship with us, His most special of all creation: human beings. Ten Little Christians is ten little looks at that relationship as seen through the eyes of a poet, a philosopher, and a fellow human being. Here, the method of our search is through story, prose, and poetry with the goal of our effort to engage both the heart and mind, and come to some understanding of the one true God-How can I come to know Him? What does He want with me? How can I live an abundant life in Him? In these pages we do not purport that you will find all of your answers, but it is true that when you do the hard work and exert yourself in seeking them, the unknown may become known and the groundwork can be laid for you to find the answers relevant to your life.
