*Stewart Farrar* Elizabeth Guerra,Janet Farrar,2013-06 Stewart Farrar was a World War II veteran, an accomplished script writer and a journalist who worked for many prominent and respected media companies such as Reuters and the newspaper Reveille. As a world traveller, Stewart had the opportunity to meet and work with many fascinating people and noted celebrities during his career. He was also a gifted photographer. In 1969, at the age of 53, he met Alex Sanders - the infamous King of the Witches - and his wife Maxine while interviewing the couple for Reveille. The encounter introduced him to a world of Witchcraft and magic and changed the course of his life. Farrar left his job as a journalist and devoted his life and career to writing about the Craft. The many books he authored on Witchcraft, together with his wife, Janet Farrar, have become widely read and respected works on the topic. Elizabeth Guerra and Janet Farrar have collaborated to record and explore Stewart Farrar's life and career in detail. This book tracks Farrar's development from an eager and talented adolescent to a college student and dedicated Communist to a gifted journalist and television, radio and film script writer and finally to his later life as a practitioner of Wicca and author of many non-fiction books and science fiction novels. Stewart Farrar found Witchcraft by accident but devoted the rest of his life to the subject by educating others. He became one of the most prolific and much loved writers on the subject, and in doing so, helped to make Wicca a viable and accessible path for many.

**Writing Women's Communities** Cynthia G. Franklin,1997-11-01 Beginning in the 1980s, a number of popular and influential anthologies organized around themes of shared identity—Nice Jewish Girls, This Bridge Called My Back, Home Girls, and others—have brought together women's fiction and poetry with journal entries, personal narratives, and transcribed conversations. These groundbreaking multi-genre anthologies, Cynthia G. Franklin demonstrates, have played a crucial role in shaping current literary studies, in defining cultural and political movements, and in building connections between academic and other communities. Exploring intersections and alliances across the often competing categories of race, class, gender, and sexuality, Writing Women's Communities contributes to current public debates about multiculturalism, feminism, identity politics, the academy as a site of political activism, and the relationship between literature and politics.

You probably know Sylvia, she was the ugly shy kid who couldn't get a boyfriend if she tried, she was the quiet one, you know the one other girls loved to chase home from school, slap around, talk about because at that age, hurt knows no shame. Sylvia, scared of her own shadow, life tends to play games on the most innocent of people. Sylvia blossomed beautifully, but all that seemed beautiful was paid for with a price. How does one escape poverty at such a young age without using the only things people seem to want you for? Rock took full advantage of my helplessness ,he ruled my kindness ,and saw me as weak and defenceless, up against such a strong beautiful man , Rock threw me to the curb like garbage never coming to visit, but keeping intouch by a string, hoping that, I myself had come into some money, as he never did.

He didn't even know his real name. At the age of three, Matt was sent to St. Mary's Training School, where he would stay until he graduated from high school. Every Sunday, Matt would see the other boys' friends and families bring them candy and gifts. But no one came to see Matt, and he never knew why. In Love Se Magnifique, Cynthia Janczy tells the inspirational story of Matt's struggles to find love and acceptance. Still Celebrating Cynthia Shiver,2021-09-06 Cynthia Shiver's life would appear to be an ordinary one. But this memoir exposes a rich life centered on finding magic in the mundane. Her collection of personal stories reveals lessons learned from a father returning to her in a dream; from a homeless man who gave everything with no expectation of return; from grieving strangers eating pie at a simple Kansas diner; from children, animals, and elders. Shiver's stories help us cope and believe in the goodness of people and our shared humanity. They are warm stories of healing and comfort on a chilly day. You will not want to rush through this

book. You'll want to ponder its stories, again and again, for their lessons, their substance, and their compassion. This memoir exposes a rich life centered on finding magic in the mundane. **The 'Million Dollar Inmate'** Heather Ahn-Redding,2007-12-17 What kinds of beliefs do most Americans hold about crime and violence, and where do these beliefs come from? What kinds of people are sent to prison\_ are the average inmates dangerous criminals, or are they involved in low-level drug-related, property, or public-order offenses? Who is ultimately paying for their time in prison? The 'Million Dollar Inmate' highlights the financial and social costs of America's incarceration of non-violent offenders. With its focus on the specific population of non-violent offenders, this book provides a unique, sociological approach to the problem of handling such a large population at such tremendous costs\_paid, for the most part, by taxpayers. Basing her insight on extensive research into the origins of America's correctional systems, the visible and non-visible costs incurred by the practice of incarcerating non-violent offenders, and the goals of the prison system, Heather Ahn-Redding dares to expose flaws in current correctional practices and suggest ways they can be not only changed but also re-envisioned. Ideally suited to researchers, advanced undergraduate students, graduate students, and policymakers.
